Juberg, Paul Michael Garrett**

Globalisation Global Justice And Social Work:

Globalisation, Global Justice and Social Work Iain Ferguson, Michael Lavalette, Elisabeth Whitmore, 2005-08-15

Globalization has become a seemingly unstoppable force over recent decades and in its wake global notions of social justice have developed in response to its negative aspects. Neo liberal economic policies have been a key element in the wider process of globalization and these policies have had a profound impact on welfare provision and the shape of social work practice. Arising dissatisfaction among users of welfare and social work services is fuelling the search for a new more radical social work that is firmly rooted in principles of social justice. *Globalisation Global Justice and Social Work* explores the global effects of neo liberal policies on welfare services in different countries with contributions from social work academics, practitioners and welfare activists around the world. The first section of the book presents case studies of impact of neo liberalism on welfare systems, social service provision and the practice of social work. In the second section the chapters explore the relationship between social work practice and the struggle for social justice. Authors discuss the personal and political dilemmas they have had to address in seeking to link a personal commitment to social justice with their daily practice as workers and educators in social work. The final section assesses the prospects for social work practice based on notions of social justice by looking at what can be learned from the experience of previous radical movements as well as from emergent global and local movements.

Globalisation, Global Justice and Social Work Iain Ferguson, Michael Lavalette, Elisabeth Whitmore, 2005. Globalization has become a seemingly unstoppable force over recent decades and in its wake global notions of social justice have developed in response to its negative aspects. Neo liberal economic policies have been a key element in the wider process of globalization and these policies have had a profound impact on welfare provision and the shape of social work practice. Arising dissatisfaction among users of welfare and social work services is fuelling the search for a new more radical social work that is firmly rooted in principles of social justice. *Globalisation Global Justice and Social Work* explores the global effects of neo liberal policies on welfare services in different countries with contributions from social work academics, practitioners and welfare activists around the world. The first section of the book presents case studies of impact of neo liberalism on welfare systems, social service provision and the practice of social work. In the second section the chapters explore the relationship between social work practice and the struggle for social justice. Authors discuss the personal and political dilemmas they have had to address in seeking to link a personal commitment to social justice with their daily practice as workers and educators in social work. The final section assesses the prospects for social work practice based on notions of social justice by looking at what can be learned from the experience of previous radical movements as well as from emergent global and local movements.

or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com

Social Work in a Global Context George Palattiyil,Dina Sidhva,Mono Chakrabarti,2015-08-20 Social Work in a Global Context engages with and critically explores key issues that inform social work practice around the world Social work can take many forms and is differently understood in different parts of the world However at base it can be seen as a profession which strives to advance the causes of the vulnerable and marginalised with the aim of promoting social justice equality and human rights This text provides examples of social work in a wide range of countries informing our understanding of what social work is It looks at how practice changes or stays the same and at the impact of policy as experienced by service users as well as by practitioners working in challenging circumstances It also meaningfully reflects on the strengths and challenges that are enabled by diversity Divided into four parts this wide ranging text discusses what social work means in four different countries some examples of the impact social and political context can have on social work practice how social workers see and work with the vulnerable the future for social work from disaster work to involving service users Social Work in a Global Context is the first truly international book for all those interested in comparative and cross cultural understandings of social work

Global social work Carolyn Noble,, Helle Strauss,Brian Littlechild,2014-06-30 Global social work crossing borders blurring boundaries is a collection of ideas debates and reflections on key issues concerning social work as a global profession such as its theory its curricula its practice its professional identity its concern with human rights and social activism and its future directions Apart from emphasising the complexities of working and talking about social work across borders and cultures the volume focuses on the curricula of social work programs from as many regions as possible to showcase what is being taught in various cultural sociopolitical and regional contexts Exploring the similarities and differences in social work education across many countries of the Americas Asia Europe and the Pacific the book provides a reference point for moving the current social work discourse towards understanding the local and global context in its broader significance

Social Work and Neoliberalism Edgar Marthinsen,Nina Skjefstad,Anne Juberg,Paul Michael

Garrett,2021-09-26 Social work educators and practitioners are grappling with many difficulties confronting the profession in the context of an increasingly neoliberal world The contributors of this book examine how neoliberalism and the modes with which it structures the world has an impact on and shapes social work as a disciplinary field Drawing on new empirical work the chapters in this book highlight how neoliberalism is affecting social work practices on the ground The book seeks to stimulate international debate on the totalizing effects of neoliberalism and in so doing also identify various ways through which it can be resisted both locally and globally The chapters in this book were originally published as a special issue of the European Journal of Social Work

Understanding International Social Work Richard Hugman,2010-03-04 Adopting a global frame of reference this text provides a clear and comprehensive comparative analysis of international social work using case studies to illustrate practice issues in different geographical locations This book is essential reading for all students of social work taking modules on international practice

New Labour/hard labour? Mooney, Gerry, Law, Alex,2007-10-10 There are an increasing number of studies devoted to an examination of New Labour s social policies However thus far there has been little in the way of substantive discussion of opposition to and conflict around key elements of New Labour s agenda for the welfare state and public sector from those who are involved in the frontline implementation and delivery of welfare policies Since the mid to late 1990s there have been continual and recurring episodes of industrial action of various kinds involving social workers teachers lecturers nurses hospital ancillary staff nursery nurses home helps and local authority librarians among others Welfare delivery has become a central point of industrial relations disputes in the UK today This book provides the first critically informed discussion of work and workers in the UK welfare sector under New Labour It examines the changing nature of work and explores the context of industrial relations across the welfare industry While the main focus is on the workforce in state welfare this is set within the context of recent and current shifts in the mixed economy of welfare between state private and third sector organisations

The SAGE Handbook of International Social Work Karen H Lyons,Terry Hokenstad,Manohar Pawar,Nathalie Huegler,Nigel Hall,2012-05-18 Social work is a profession that is increasingly involved with issues which have a global dimension This Handbook tackles the global local aspect of social work in its various forms and interrogates the key concerns that societies are facing through an international lens The contributors show that with an appreciation of commonalities and differences local practices and appropriate forms of international activity can be better developed Areas covered include Analysis of International social work Globalisation and indigenisation Social justice and human rights Poverty and livelihoods Ecological issues Migration Education theory research and practice Social work in different settings Religion and spirituality Responses to disasters and conflicts Life course perspectives Regional perspectives Future directions With a truly international range of contributions the Handbook incorporates perspectives from Asia Africa Europe Australasia the Middle East and the Americas It will be an invaluable resource for undergraduates postgraduates researchers and academics working in the fields of social work social welfare

human services and community development worldwide as well as service providers and policy makers in the international arena

Routledge International Handbook of Social Work Education Imogen Taylor, Marion Bogo, Michelle Lefevre, Barbra Teater, 2016-03-31 The Routledge International Handbook of Social Work Education provides an authoritative overview of current understanding through coverage of key debates exploring the state of play in particular social work education fields and reflecting on where the future might be taking us The overall aim of the Handbook is to further develop pedagogic research and scholarship for social work education Drawing on medical education as an exemplar the contributions view social work education as a specialism and a field of expertise that counts in the same way as research programmes in more traditional areas of social work practice The chapters are concerned with the theory and practice of social work education at all levels they are accessible conceptually clear research based where appropriate critically reflective and ethically underpinned The Handbook is organised into seven sections that reflect the proposed themes and sub themes covering Social work education in context the western drivers Emerging and re emerging social work education The scholarship of learning and teaching New insights into field education New directions in learning and teaching Future challenges in social work education This handbook presents a contribution to the process of exchange and dialogue which is essential to global social work education It brings together professional knowledge and lived experience both universal and local and will be an essential reference for social work educators researchers students and professionals

Just Practice Janet L. Finn, 2020-12-01 Just Practice A Social Justice Approach to Social Work provides a foundation for critical and creative social work that integrates theory history ethics skills and rights to respond to the complex terrain of 21st century social work Just Practice puts the field of social work's expressed commitment to social justice at center stage with a framework that builds upon five key concepts meaning context power history and possibility How do we give meaning to the experiences and conditions that shape our lives What are the contexts in which those experiences and conditions occur How do structures and relations of power shape people's lives and the practice of social work How might a historical perspective help us to grasp the ways in which struggles over meaning and power have played out and to better appreciate the human consequences of those struggles Taken together these concepts provide a guide for integrative social work that bridges direct practice and community building The text prepares readers with the theoretical knowledge and practice skills to address the complex challenges of contemporary social work from direct practice with individuals and families to group work organizational and community change and policy analysis and advocacy Each chapter includes learning activities reflection moments practice examples and the stories and voices of practitioners and service users to engage students as critical thinkers and practitioners The author encourages teachers and students alike to take risks move from safe familiar pedagogical spaces and practices challenge assumptions and embrace uncertainty

The Handbook of Social Work and Social Development in Africa Mel Gray, 2016-10-26 All recent books on international social work mention Africa only

briefly and few engage with the broader field of development studies This book focuses solely on the unique African context engaging with issues relating to social work and development more broadly thus enabling a deeper examination and more complex and nuanced picture to emerge Unlike most academic works this book highlights multiple practitioner voices with authors or co authors that have recently been or are currently practising social workers As an edited book it draws from both academic research as well as lived practice experience supported by strong theoretical positioning and guidance in introductory chapters drawing on African literature wherever possible Looking at case studies from Lesotho Botswana Kenya Zimbabwe Ethiopia Namibia Uganda Nigeria Kenya South Africa Rwanda Zambia and Tanzania and covering established areas of practice such as child protection working with older people working with people with disabilities mental health and mainstream services targeting women as well as emerging areas of developmental social work practice such as humanitarian assistance in post conflict situations work with immigrants and refugees and the training of community based workers this book takes a future oriented perspective that aims to move beyond well worn critiques to envision constructive and sustainable futures for social work and social development in Africa from a critical perspective

Practical and Political Approaches to Recontextualizing Social Work Boulet, Jacques, Hawkins, Linette, 2021-02-19 Currently there is an enduring and changing meaning of social work in a world where new crises are being confronted and new opportunities are arriving in the evolving context of social work and the related disciplines There is a question on how to manage the transformation of social work both productively and creatively during this global shift Practitioners and educators can experience a tragic disorientation when confronted by the diversity and depth of these crises endured and can face doubts about their role in social work throughout all these changes and difficult situations Alternatives to this disorientation a comfort with uncertainty and a capability to take risks need to urgently be developed on a professional and personal level for success in the evolving field Through historical lens and a review of policies and value based approaches the recontextualization of social work can be explored **Practical and Political Approaches to Recontextualizing Social Work** explores practical and political ways in which social work practice has been reconstructed Chapters identify this recontextualization of social work and how it is changing adapting and transforming the profession along with providing the potential implications for the profession This book grants insight on the reconstruction of social work on the personal and interpersonal level case work and also on those intending to impact social work on the local global environment level in all dimensions politically economically socially and ecologically In addition the book includes a shift from the present short term and micro personal view to a future and much broader and encompassing perspective and practice vision This book is essential for social workers practitioners policymakers government officials researchers academicians and students who want to learn more about the recontextualizing of modern social work in a shifting global environment

The Routledge Handbook of Critical Social Work Stephen A. Webb, 2019-01-03 The Routledge Handbook of Critical Social Work brings

together the world's leading scholars in the field to provide a cutting edge overview of classic and current research and future trends in the subject Comprised of 48 chapters divided into six parts Historical social and political influences Mapping the theoretical and conceptual terrain Methods of engagement and modes of analysis Critical contexts for practice and policy Professional education and socialisation Future challenges directions and transformations it provides an authoritative guide to theory and method and the primary debates of today in social work from a critical perspective This handbook is a major reference work and the first book to comprehensively map the wide ranging territory of critical social work It does so by addressing its conceptual developments its methodological advances its value based front line practice and as an influence on the policy field By offering a definitive survey of current academic knowledge as it relates to professional practice it provides the first comprehensive up to date definitive work of reference while at the same time identifying emerging innovative and cutting edge areas *Engaging with Social Work* Christine Morley, Phillip Ablett, Selma

Macfarlane, 2019-01-17 Equips students with a critical perspective and develops their understanding of social work practice

Social Work with Children and Families Steve Rogowski, 2016-04-20 Professional social work has changed considerably over the last forty years coinciding with the demise of the social democratic consensus of the post war years and the emergence and now domination of neoliberalism Rather than the state through the government of the day ensuring citizens basic needs were met via the welfare state the belief in free market economics entails people having to be self reliant and self responsible This has involved social work with children and families moving from a helping and supportive role to one that is more authoritarian this often involving telling parents to change their behaviour and lifestyle or face the consequences This book outlines the development of social work with children and families over the period in question drawing on the author's unique practice experience and his extensive writings It charts the highs and lows of social work the latter including the dominance of managerialism which emphasises speedy completion of bureaucracy so as to ration resources and assess manage risk Despite this the argument is for a critical practice which addresses service users immediate needs while simultaneously aiming towards a more socially just and equal society This book is essential reading for everyone interested in social work including academics students practitioners and managers both in the UK and overseas Social care and allied professionals more generally will also find it insightful as will academics students and educators of social policy and related disciplines *Radical Social Work in Practice* Iain Ferguson, Rona Woodward, 2009-05-14

APPROVED BY AUTHOR Radical social work is a tradition often identified exclusively with the movement which developed in the UK in the 1970s However this much needed new textbook the first student text devoted to radical social work demonstrates that the relevance of radical approaches to contemporary social work practice have never been stronger Challenges to a neoliberal approach to social work have been gaining ground academically and with practitioners This book provides a true vision of the radical tradition and shows how it can be developed in contemporary social work Using case

studies and a problem based learning approach to illustrate the type of dilemmas faced by workers in their day to day practice the book sets out the ways in which a radical social work approach can inform constructive responses It emphasises the need to understand the diverse lives of service users encouraging readers to share experience and knowledge and to discuss past and present events to build confidence in tackling injustice at individual and societal levels As many social workers are becoming disillusioned and dissatisfied with the bureaucracy and regulation in the profession this book promotes a practice that is rooted in a commitment to positive change and to social justice that will offer a breath of fresh air to students and practitioners alike

Asian Social Work Ian Shaw, Rosaleen Ow, 2019-08-28 The countries of East and Southeast Asia taken as a whole display a laboratory of social and political conditions with individual countries presenting a variety of political cultural and social characteristics Some with one party state systems others with stable liberal democracies and yet others with more fragile democratic systems As such the region presents a unique opportunity to examine the relationship between diverse national environments and social work education regimes In this book social work educators and theorists from around East and Southeast Asia provide accounts of the social work programs within the higher education systems of their respective countries and compare them to those of their neighbours This is the first book to offer a structured account of how social work and social work education have emerged and finds their present place in the historical economic political urban rural and higher education contexts of Southeast Asia and East Asia Experts from the region assess the extent to which these countries systems possess a collective coherence while examining the diversity among them

The Handbook of Community Practice Marie Weil, Michael S. Reisch, Mary L. Ohmer, 2013 Written by some of the most influential scholars in the field this Handbook covers community development organizing planning and social change as well as key issues fields of practice and global approaches

Social Work in Extremis Michael Lavalette, Vasilios Ioakimidis, 2011 This important book looks at social work responses in different countries to extreme social economic and political situations including war situations military regimes earthquakes and tsunamis

Globalisation Global Justice And Social Work Introduction

In today's digital age, the availability of Globalisation Global Justice And Social Work books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Globalisation Global Justice And Social Work books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Globalisation Global Justice And Social Work books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Globalisation Global Justice And Social Work versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Globalisation Global Justice And Social Work books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Globalisation Global Justice And Social Work books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Globalisation Global Justice And Social Work books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized

books and historical documents. In conclusion, Globalisation Global Justice And Social Work books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Globalisation Global Justice And Social Work books and manuals for download and embark on your journey of knowledge?

FAQs About Globalisation Global Justice And Social Work Books

1. Where can I buy Globalisation Global Justice And Social Work books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
