GLOBALIZATION

AND THE AMERICAN SOUTH

Globalization And The American South

Mary E. Odem, Elaine Cantrell Lacy

Globalization And The American South:

Globalization and the American South James Charles Cobb, William Whitney Stueck, 2005 In 1955 the Fortune magazine list of America's largest corporations included just 18 with headquarters in the Southeast By 2002 the number had grown to 123 In fact the South attracted over half of the foreign businesses drawn to the United States in the 1990s The eight original essays collected here consider this stunning dynamism in ways that help us see anew the region's place in that ever accelerating transnational flow of people capital and technology known collectively as globalization Moving between local and global perspectives the essays discuss how once faraway places like Latin America Asia Africa and the Indian Subcontinent are now having an impact on the South One essay for example looks at a range of issues behind the explosive growth of North Carolina's Latino population which grew by almost 400 percent during the 1990s miles ahead of the national growth percentage of 61 In another essay we learn why BMW workers in Germany frustrated with the migration of jobs to South Carolina refer to the American South as our Mexico Showing that global forces are often on both sides of the matchup reshaping the South but also adapting to and exploiting its peculiarities many of the essays make the point that although the new ethnic food section at the local Winn Dixie is one manifestation of globalization so is the wide ranging export of such originally southern phenomena as NASCAR and Kentucky Fried Chicken If a single message emerges from the book it is this Beware of tidy accounts of worldwide integration On one hand globalization can play to southern shortcomings think of the region's repute as a source of cheap labor on the other the influx of new peoples customs and ideas is poised to alter forever the South's historic black white racial divide

Globalization and the American South James Charles Cobb, William Whitney Stueck, 2005 In 1955 the Fortune magazine list of America's largest corporations included just 18 with headquarters in the Southeast By 2002 the number had grown to 123 In fact the South attracted over half of the foreign businesses drawn to the United States in the 1990s The eight original essays collected here consider this stunning dynamism in ways that help us see anew the region's place in that ever accelerating transnational flow of people capital and technology known collectively as globalization Moving between local and global perspectives the essays discuss how once faraway places like Latin America Asia Africa and the Indian Subcontinent are now having an impact on the South One essay for example looks at a range of issues behind the explosive growth of North Carolina's Latino population which grew by almost 400 percent during the 1990s miles ahead of the national growth percentage of 61 In another essay we learn why BMW workers in Germany frustrated with the migration of jobs to South Carolina refer to the American South as our Mexico Showing that global forces are often on both sides of the matchup reshaping the South but also adapting to and exploiting its peculiarities many of the essays make the point that although the new ethnic food section at the local Winn Dixie is one manifestation of globalization so is the wide ranging export of such originally southern phenomena as NASCAR and Kentucky Fried Chicken If a single message emerges from the book it is this Beware of tidy accounts of worldwide integration On one hand globalization can play to

southern shortcomings think of the region's reputation as a source of cheap labor on the other the influx of new peoples customs and ideas is poised to alter forever the South's historic black white racial divide **Memphis and the Paradox of Place** Wanda Rushing, 2009 Celebrated as the home of the blues and the birthplace of rock and roll Memphis Tennessee is where Elvis Presley B B King Johnny Cash and other musical legends got their starts It is also a place of conflict and tragedy the site of Martin Luther **The American South in a Global World** James L. Peacock, Harry L. Watson, Carrie R. Matthews, 2006-03-13 Looking beyond broad theories of globalization this volume examines the specific effects of globalizing forces on the southern United States Eighteen essays approach globalization from a variety of perspectives addressing such topics as relations between global and local communities immigration particularly of Latinos and Asians local industry in a time of globalization power and confrontation between rural and urban worlds race ethnicity and organizing for social justice and the assimilation of foreign born professionals From portraits of the political and economic positions of Latinos in Miami and Houston to the effects of mountaintop removal on West Virginia communities these snapshots of globalization across a broad southern ground help redirect the study of the South in response to how the South itself is being reshaped by globalization in the twenty first century Contributors Catherine Brooks Morristown New Jersey David H Cissel University of Memphis Thaddeus Countway Guldbrandsen University of New Hampshire Carla Jones University of Colorado Boulder Sawa Kurotani University of Redlands Redlands Cal Paul A Levengood Virginia Historical Society Carrie R Matthews University of North Carolina at Chapel Hill Bryan McNeil University of North Carolina at Chapel Hill Marcela Mendoza University of Memphis Donald M Nonini University of Toronto James L Peacock University of North Carolina at Chapel Hill Barbara Ellen Smith University of Memphis Jennie M Smith Berry College Mount Berry Ga Sandy Smith Nonini University of Toronto Ellen Griffith Spears Emory University Gregory Stephens University of West Indies Mona Steve Striffler University of Arkansas Ajantha Subramanian Harvard University Meenu Tewari University of North Carolina at Chapel Hill Lucila Vargas University of North Carolina at Chapel Hill Harry L Watson University of North Carolina at Chapel Hill Rachel A Willis University of North Carolina at Chapel Hill **Latino Immigrants and the Transformation of the U.S. South** Mary E. Odem, Elaine Cantrell Lacy, 2009 The Latino population in the South has more than doubled over the past decade The mass migration of Latin Americans to the U S South has led to profound changes in the social economic and cultural life of the region and inaugurated a new era in southern history This multidisciplinary collection of essays written by U S and Mexican scholars explores these transformations in rural urban and suburban areas of the South Using a range of different methodologies and approaches the contributors present in depth analyses of how immigration from Mexico and Central and South America is changing the South and how immigrants are adapting to the southern context Among the book's central themes are the social and economic impact of immigration the resulting shifts in regional culture new racial dynamics immigrant incorporation and place making and diverse southern responses to Latino newcomers Various chapters explore ethnic and

racial tensions among poultry workers in rural Mississippi and forestry workers in Alabama the Mexicanization of the urban landscape in Dalton Georgia the costs and benefits of Latino labor in North Carolina the challenges of living in transnational families immigrant religious practice and community building in metropolitan Atlanta and the creation of Latino spaces in rural and urban South Carolina and Georgia *Creating and Consuming the American South* Martyn Bone, Brian Ward, William A. Link, 2019-10-16 This book explores how an eclectic selection of narratives and images of the American South have been developed and disseminated The contributors emphasize how ideas of the South have real social political and economic ramifications and that they register at various local regional national and transnational scales *The Myth of Southern Exceptionalism* Matthew D. Lassiter, Joseph Crespino, 2009-11-19 The Myth of Southern Exceptionalism dismantles clichés about regional distinctiveness and rewrites modern American history through a national focus on topics such as the civil rights movement conservative backlash and liberal reform the rise of the Religious Right the emergence of the Sunbelt and the increasing diversity of the suburbs *The State of Global Education* Brad Maguth, Jeremy Hilburn, 2015-04-10 A battle is being waged in classrooms and capitals around the world over the goals and objectives of the future of global education While there is growing research in the area of global education much remains to be uncovered challenged and learned through sound empirical research and conceptual explorations What type of global citizens will schools promote What types of policies programs and instructional practices best promote effective global citizenship Will global education curricula advance an unwavering loyalty to neoliberal ideologies and interests over the strengthening of human rights and the environmental health of our planet This volume presents a series of research studies and innovative instructional practices centered on advancing global learning opportunities and literacies The authors in this volume initiate a much needed conversation on ways students in multiple contexts can and should learn with the world and its people Part I addresses global education in theory with a particular focus on development intercultural competence and global citizenship Part II addresses educational programs and practices that foster global learning and action to help build a better future for all citizens of our planet including experiential education university initiatives and conceptual approaches to teaching and learning This scholarship spans four continents in a multitude of educational contexts primary secondary and tertiary each with a focus on a different dimension of the possibilities and pitfalls in teaching about and with the world and its people

American Cultural Studies Neil Campbell, Alasdair Kean, Andrew Dix, Peter Templeton, 2025-09-30 Now in its fifth edition American Cultural Studies continues to offer a critical introduction to key concepts topics and methods in the study of United States culture exploring subjects that include the city ethnicity and immigration religion youth and gender and sexuality The fifth edition has been comprehensively revised to take account of developments in American culture during the past decade Arguments are supported by close readings of cultural materials that range from novels to paintings films to political speeches and TV shows to regional cuisines Updated case studies introduce each chapter with examples including Moonlight

The Great Gatsby and the songs and videos of Lady Gaga This book also offers a new chapter on class extended discussion of gender and sexuality including masculinities and trans culture and increased coverage of sports in American culture including baseball wrestling and American football To further engage contemporary readers this edition provides up to date further reading suggestions for each chapter and considers the place of American cultural studies in the current moment Of particular interest to undergraduate readers this book is panoramic in its coverage of the field and is a core text for studying American culture Instructor and student resources for this book include an interactive timeline of cultural and historical events additional discussion questions and activities for each topic and suggestions for further reading and online resources for each chapter

Where the New World Is Martyn Bone, 2018-01-15 Where the New World Is assesses how fiction published since 1980 has resituated the U S South globally and how earlier twentieth century writing already had done so in ways traditional southern literary studies tended to ignore Martyn Bone argues that this body of fiction has over the course of some eighty years challenged received readings and understandings of the U S South as a fixed place largely untouched by immigration or even internal migration and economic globalization The writers discussed by Bone emphasize how migration and labor have reconfigured the region's relation to the nation and a range of transnational scales hemispheric Jamaica the Bahamas Haiti transatlantic Black Atlantic Denmark England Mauritania and transpacific global southern Australia China Vietnam Writers under consideration include Zora Neale Hurston Nella Larsen John Oliver Killens Russell Banks Erna Brodber Cynthia Shearer Ha Jin Monique Truong Lan Cao Toni Morrison Peter Matthiessen Dave Eggers and Laila Lalami The book also seeks to resituate southern studies by drawing on theories of scale that originated in human geography In this way Bone also offers a new paradigm in which the U S South is thoroughly engaged with a range of other scales from the local to the global making both literature about the region and southern studies itself truly transnational in scope

The Oxford Handbook of the Literature of the U.S. South Fred Hobson, Barbara Ladd, 2016-01-04 The Oxford Handbook of the Literature of the U S South brings together contemporary views of the literature of the region in a series of chapters employing critical tools not traditionally used in approaching Southern literature As well as canonical Southern writers it examines Native American literature Latina o literature Asian American as well as African American literatures Caribbean studies sexuality studies the relationship of literature to film and a number of other topics which are relatively new to the field

Here We May Rest Silvia Giagnoni, 2017-04-01 Hailed as the most restrictive immigration bill in the nation the Beason Hammon Alabama Taxpayer Citizen Protection Act known as HB 56 went into effect in September 2011 Its intent was to create jobs for Alabamians by making the lives of undocumented immigrants in the state impossible so that they would self deport It failed Here We May Rest offers a comprehensive explanation of how and why HB 56 came about and reports on its effects on immigrant communities Author Silvia Giagnoni argues that the legislation was anti immigrant not merely anti illegal immigration as its proponents claimed Building a case against the legalistic framework through which the bill was

promoted Giagnoni dissects the role the media and Fox News specifically played in criminalizing immigrants as well as mainstreaming immigrant haters which created the xenophobic climate that paved the way for the Trump Presidency The new immigrants of Alabama take center stage in the second part of the book reclaiming their role in the cultural social and economic development of the state Giagnoni concludes with an appeal against any form of social segregation because only direct contact massive prolonged equal and intimate as Howard Zinn argued will cure the stereotyping and prejudice that feed ignorance and foster fear

Nuevo South Perla M. Guerrero, 2017-11-22 Latinas/os and Asians are rewriting the meaning and history of race in the American South by complicating the black white binary that has frequently defined the region since before the Civil War Arriving in southern communities as migrants or refugees Latinas/os and Asians have experienced both begrudging acceptance and prejudice as their presence confronts and troubles local understandings of race and difference understandings that have deep roots in each community's particular racial history as well as in national fears and anxieties about race Nuevo South offers the first comparative study showing how Latinas/os and Asians are transforming race and place in the contemporary South Integrating political economic and social analysis Perla M Guerrero examines the reception of Vietnamese Cubans and Mexicans in northwestern Arkansas communities that were almost completely white until the mid 1970s She shows how reactions to these refugees and immigrants ranged from reluctant acceptance of Vietnamese as former US allies to rejection of Cubans as communists criminals and homosexuals and Mexicans as illegal aliens who were perceived as invaders when they began to establish roots and became more visible in public spaces Guerrero's research clarifies how social relations are constituted in the labor sphere particularly the poultry industry and reveals the legacies of regional history especially anti Black violence and racial cleansing Nuevo South thus helps us to better understand what constitutes the so called Nuevo South and how historical legacies shape the reception of new people in the region

Standardizing Empire Patrick Chung, 2026-02-03 Standardizing Empire traces the origins of today's United States led capitalist world economy The nation's foreign policy during the Cold War saw two unprecedented developments the continuous global deployment of US soldiers and the creation of a permanent worldwide military base network In the process the US military came to control the flow of billions of dollars large scale construction projects at home and abroad the purchase of countless goods and services and the employment of millions of soldiers and workers In other words the Cold War US military became the world's leading economic actor To illuminate the political and economic consequences of the US military's globalization Patrick Chung focuses on its activities in South Korea between the Korean and Vietnam Wars Chung shows how the Korean War and the subsequent militarization of South Korea became an important site for the spread of a new economic system which he calls military industrial capitalism Sustained by providing the infrastructure and materials for the US military's globalization military industrial capitalism influenced the development of governments corporations and workers throughout the US led free world As military industrial capitalism expanded more of the world depended on the

physical and administrative standards used by the US military Ironically the creation of a globalized economy facilitated both South Korea's economic miracle and the decline of US industrial might To clarify how these broader developments transformed everyday life in South Korea and around the world *Standardizing Empire* explores three of South Korea's leading multinational corporations today shipping company Hanjin steelmaker POSCO and car manufacturer Hyundai These case studies not only trace the companies' early ties to the US military but also explain how they came to produce, sell and employ workers worldwide including in the United States

America's Other Automakers Timothy J. Minchin, 2021-04-01 In 2018 almost half of all vehicles made in North America were produced at foreign-owned plants and the sector was on track to monopolize the market Despite this the industry has been overlooked compared with its domestic counterpart both in scholarship and popular memory *Redressing this neglect: America's Other Automakers* provides a new history of the foreign-owned auto sector the first to extensively draw on archival sources and to articulate the human agency of participants including workers, managers and industry recruiters Timothy J. Minchin challenges the view that the industry's growth primarily reflected incentives stressing human agency and the complexity of individual stories instead Deeply human in its approach the book also explores the industry's impact on grassroots communities showing that it had more costs than supporters acknowledged Drawing on a wide range of primary and secondary sources *America's Other Automakers* uncovers significant tensions over unionization reports of discriminatory hiring and unease about the industry's rapid growth critically exploring seven large assembly facilities and their impact on the communities in which they were built

Plantation Kingdom Richard Follett, Sven Beckert, Peter Coclanis, Barbara M. Hahn, 2016-04-01 How global competition brought the plantation kingdom to its knees In 1850 America's plantation economy reigned supreme U.S. cotton dominated world markets and American rice, sugarcane and tobacco grew throughout a vast farming empire that stretched from Maryland to Texas Four million enslaved African Americans toiled the fields producing global commodities that enriched the most powerful class of slaveholders the world had ever known But fifty years later after emancipation demolished the plantation labor system Asian competition flooded world markets with cheap raw materials and free trade eliminated protected markets America's plantations lay in ruins *Plantation Kingdom* traces the rise and fall of America's plantation economy Written by four renowned historians the book demonstrates how an international capitalist system rose out of slave labor, indentured servitude and the mass production of agricultural commodities for world markets Vast estates continued to exist after emancipation but tenancy and sharecropping replaced slavery's work gangs across most of the plantation world Poverty and forced labor haunted the region well into the twentieth century The book explores the importance of slavery to the Old South the astounding profitability of plantation agriculture and the legacy of emancipation It also examines the place of American producers in world markets and considers the impact of globalization and international competition 150 years ago Written for scholars and students alike *Plantation Kingdom* is an accessible and fascinating study

Going Places Robert

Burgin,2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read alike with this detailed and expertly constructed guide Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe smart librarians need a guidebook that makes sense of the world of travel narratives Going Places A Reader s Guide to Travel Narratives meets that demand helping librarians assist patrons in finding the nonfiction books that most interest them It will also serve to help users better understand the genre and their own reading interests The book examines the subgenres of the travel narrative genre in its seven chapters categorizing and describing approximately 600 titles according to genres and broad reading interests and identifying hundreds of other fiction and nonfiction titles as read alike and related reads by shared key topics The author has also identified award winning titles and spotlighted further resources on travel lit making this work an ideal guide for readers advisors as well a book general readers will enjoy browsing

How China is Reshaping the Global Economy Rhys Jenkins,2022-06-16 China s growing economic involvement in Sub Saharan Africa and Latin America has been a source of major controversy The official Chinese position maintains that the growth of bilateral relations is of mutual benefit and provides a good example of South South cooperation Critics on the other hand see the economic relations between China and other developing countries as highly unequal with most of the benefits accruing to China and a few local elites They also point to negative socio economic political and environmental consequences How China is Reshaping the Global Economy Development Impacts in Africa and Latin America throws more light on these controversies through a comparative study of China s impact on the two regions It looks not just at bilateral relations between China and the two regions but also analyses the changes in the global economy brought about as a result of the shift in economic activity from North America and Western Europe to Asia This book looks at the factors which led to rapid economic growth in China and the way in which this has affected global manufacturing commodity markets the international presence of Chinese companies and financial flows It examines the different forms of Chinese economic involvement in Sub Saharan Africa and Latin America the main drivers and economic social political and environmental consequences It ends with a comparison of the two regions that highlights the importance of different histories and political and institutional contexts in determining the impacts of China Since the first edition of How China is Reshaping the Global Economy Development Impacts in Africa and Latin America China s role in the global economy has continued to expand and the Chinese government s foreign policy has become more assertive The global presence of China has been marked by the expansion of the Belt and Road Initiative to almost 150 countries and the trade war between the US and China as well as increased Western concerns over the activities of major Chinese companies such as Huawei This new edition documents these changes and their implications for SSA and LAC

Johnny Mercer Glenn T. Eskew,2013-11-15 John Herndon Johnny Mercer 1909 76 remained in the forefront of American popular music from the 1930s through the 1960s writing over a thousand songs collaborating with all the great popular composers and jazz musicians of his day working in

Hollywood and on Broadway and as cofounder of Capitol Records helping to promote the careers of Nat King Cole Margaret Whiting Peggy Lee and many other singers Mercer's songs sung by Bing Crosby Billie Holiday Judy Garland Frank Sinatra Ella Fitzgerald Tony Bennett Lena Horne and scores of other performers are canonical parts of the great American songbook Four of his songs received Academy Awards Moon River Days of Wine and Roses On the Atchison Topeka and the Santa Fe and In the Cool Cool Cool of the Evening Mercer standards such as Hooray for Hollywood and You Must Have Been a Beautiful Baby remain in the popular imagination Exhaustively researched Glenn T Eskew's biography improves upon earlier popular treatments of the Savannah Georgia born songwriter to produce a sophisticated insightful evenhanded examination of one of America's most popular and successful chart toppers Johnny Mercer Southern Songwriter for the World provides a compelling chronological narrative that places Mercer within a larger framework of diaspora entertainers who spread a southern multiracial culture across the nation and around the world Eskew contends that Mercer and much of his music remained rooted in his native South being deeply influenced by the folk music of coastal Georgia and the blues and jazz recordings made by black and white musicians At Capitol Records Mercer helped redirect American popular music by commodifying these formerly distinctive regional sounds into popular music When rock n roll diminished opportunities at home Mercer looked abroad collaborating with international composers to create transnational songs At heart Eskew says Mercer was a jazz musician rather than a Tin Pan Alley lyricist and the interpenetration of jazz and popular song that he created expressed elements of his southern heritage that made his work distinctive and consistently kept his music before an approving audience

How China is Reshaping the Global Economy Rhys Owen Jenkins, 2019 China's growing economic involvement in Sub Saharan Africa and Latin America has been a source of major controversy This book sheds light on these controversies through a comparative study of China's impact on the two regions

Globalization And The American South Introduction

In today's digital age, the availability of Globalization And The American South books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Globalization And The American South books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Globalization And The American South books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Globalization And The American South versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Globalization And The American South books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Globalization And The American South books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Globalization And The American South books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Globalization And The American South books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Globalization And The American South books and manuals for download and embark on your journey of knowledge?

FAQs About Globalization And The American South Books

1. Where can I buy Globalization And The American South books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
