

GLOBALIZATION AND THE POOR: EXPLOITATION OR EQUALIZER?

JULIE CLARK, EDITOR

Globalization And The Poor Exploitation Or Equalizer

Laura Hyun Yi Kang

Globalization And The Poor Exploitation Or Equalizer:

Globalization and the Poor William J. Driscoll, Julie Clark, 2003 Presents articles which address both sides of the debate about whether the global economy harms or helps the poor *International Encyclopedia of Social Policy* Tony Fitzpatrick, Huck-ju Kwon, Nick Manning, James Midgley, Gillian Pascall, 2013-07-04 Available in paperback for the first time this milestone work offers an in depth treatment of all aspects of the discipline and practice of social policy globally Supported by a distinguished international advisory board the editors have compiled almost 900 000 words across 734 entries written by 284 leading specialists to provide authoritative coverage of concepts policy actors welfare institutions and services along a series of national regional and transnational dimensions Also included are biographical entries on major policy makers and shapers The editors have particularly striven to provide strong coverage of differing geographical and cultural traditions so that the variety of social policy as both an academic discipline and a domain of governance is reflected Contributors draw in and make the necessary connections with social policy s associated disciplines to provide a rich picture of this vast and highly diverse field Comprehensive and authoritative the Encyclopedia has sought to open up rather than to foreclose the numerous areas in which there is on going research debate and sometimes serious disagreement and divergence in theory and practice To this end entries attempt to introduce a core or common ground of understanding before moving on to a wider discussion of debates regarding different conceptual and geographical approaches The whole is integrated by cross referencing and each entry includes a bibliography for further reading There is a full index The International Encyclopedia of Social Policy provides the most substantial mapping of the international study and practice of social policy to date and will stand as a vital storehouse of knowledge for many years to come *Business Without Borders* David Andrews, 2011-01-01 This book takes readers through the ups and downs of globalization including its impact on society and the marketplace *The SAGE Encyclopedia of World Poverty* Mehmet Odekon, 2015-06-15 The SAGE Encyclopedia of World Poverty Second Edition addresses the persistence of poverty across the globe while updating and expanding the landmark work Encyclopedia of World Poverty originally published in 2006 prior to the economic calamities of 2008 For instance while continued high rates of income inequality might be unsurprising in developing countries such as Mexico the Organization of Economic Co operation and Development OECD reported in May 2013 even countries with historically low levels of income inequality have experienced significant increases over the past decade including Denmark Sweden and Germany The U N and the World Bank also emphasize the persistent nature of the problem It is not all bad news In March 2013 the Guardian newspaper reported Some of the poorest people in the world are becoming significantly less poor according to a groundbreaking academic study which has taken a new approach to measuring deprivation The report by Oxford University s poverty and human development initiative predicts that countries among the most impoverished in the world could see acute poverty eradicated within 20 years if they continue at present rates On the other hand the U N says

environmental threats from climate change could push billions more into extreme poverty in coming decades All of these points lead to the need for a revised updated and expanded edition of the Encyclopedia of World Poverty Key Features 775 evaluated and updated and 175 entirely new entries New Reader s Guide categories Signed articles with cross references Further Readings will be accompanied by pedagogical elements Updated Chronology Resource Guide Glossary and thorough new Index The SAGE Encyclopedia of World Poverty Second Edition is a dependable source for students and researchers who are researching world poverty making it a must have reference for all academic libraries

Globalization and Social Inequality John Chidubem Nwaogaidu,2013 Globalization tends to promote global homogenization of cultures but its integration processes and interaction systems are hampered by unequal participation governed by the ethos of capitalism This ethos promotes instead individual interests against societal interests As the danger of individualism increasingly constitutes a fundamental community burden it significantly compromises the nation state threatening the social formation and relational outcomes Therefore socially integrated societies with collective initiatives managed by interventionist public institutions with regulative mechanisms and good governance have more potential for equitable development and economic growth This book examines the impact of globalization and social inequality through an analysis of the impact on society in Nigeria Series Sociology Soziologie Vol 80

Development, Sexual Cultural Practices and HIV/AIDS in Africa Samantha Page,2018-12-19 This open access book introduces the theoretical frameworks and academic debates concerning sexual cultural practices and HIV AIDS in Africa It shows how these frameworks have been applied in a practical sense in Africa to investigate sexual cultural practices and their link with HIV AIDS The author provides an overview of both the field of study and the methods used during fieldwork Finally it assesses the implications of the findings for the conceptualization and provision of current and future HIV AIDS policies and programs in Africa This monograph will appeal to policy makers and practitioners working in the field of HIV AIDS in the Global South as well as academics and students

Traffic in Asian Women Laura Hyun Yi Kang,2020-08-14 In *Traffic in Asian Women* Laura Hyun Yi Kang demonstrates that the figure of Asian women functions as an analytic with which to understand the emergence decline and permutation of U S power knowledge at the nexus of capitalism state power global governance and knowledge production throughout the twentieth century Kang analyzes the establishment suppression forgetting and illegibility of the Japanese military comfort system 1932 1945 within that broader geohistorical arc Although many have upheld the comfort women case as exemplary of both the past violation and the contemporary empowerment of Asian women Kang argues that it has profoundly destabilized the imaginary unity and conceptual demarcation of the category Kang traces how Asian women have been alternately distinguished and effaced as subjects of the traffic in women sexual slavery and violence against women She also explores how specific modes of redress and justice were determined by several overlapping geopolitical and economic changes ranging from U S guided movements of capital across Asia and the end of the Cold War to the emergence of new media technologies that facilitated the global

circulation of comfort women stories A critical analysis of the 2007-2009 global financial and economic crisis and its implications for the travel industry and associated businesses Manuel Kaar, 2009-09-17 Inhaltsangabe Introduction At present spring 2009 the world experiences one of the most severe economic crises in post WWII history precipitated mainly by the U S sub prime mortgage crisis which became apparent to the broad public in 2007 In 2008 the U S sub prime crisis turned into a global financial crisis and subsequently into a global economic downturn that forced numerous countries into recession Stock markets have fallen large financial institutions have collapsed and governments had to come up with rescue packages to bail out their financial systems Although it can be argued that overall the tourism industry may not be as vulnerable as other commercial sectors when it comes to fluctuations in clients purchasing power in the medium term tourism businesses are still likely to be at least as seriously affected by the upcoming new distribution of economic power as any other industry A long term trade and industry downturn may bring about a broad range of changes to the world like altered roles of the United States the European Union and the Asian block insecurity and crime a different understanding of handling energy resources further polarization between rich and poor or changing values and therefore consumer preferences in general to name just a few All these factors may potentially have adverse impacts on tourism businesses and thus require adequate attention and timely academic research However change can also mean positive development and can open up new chances and opportunities for the world economy These opportunities need to be identified assessed and exploited With an estimated direct and indirect contribution of the travel and tourism sector of 9.4 percent to global GDP 10.9 percent to world exports and 9.4 percent to world investment the significance of the industry's role in the struggle for economic recovery clearly must not be underestimated As the tourism industry is all about pleasant experiences and the positive things in life it is sometimes hard to think about crisis management When having to operate in an economically insecure environment of the current dimension numerous managers therefore face the challenging situation of having to make decisions in fields they do have little or no knowledge about However in a fast changing and highly volatile economic climate like the present inaccurate decisions by executives of tourism businesses can have devastating consequences and can **Adventures in Aidland** David Mosse, 2011-04-01 Anthropological interest in new subjects of research and contemporary knowledge practices has turned ethnographic attention to a wide ranging variety of professional fields Among these the encounter with international development has perhaps been longer and more intimate than any of the others Anthropologists have drawn critical attention to the interfaces and social effects of development's discursive regimes but oddly enough have paid scant attention to knowledge producers themselves despite anthropologists being among them This is the focus of this volume It concerns the construction and transmission of knowledge about global poverty and its reduction but is equally interested in the social life of development professionals in the capacity of ideas to mediate relationships in networks of experts and communities of aid workers and in the dilemmas of maintaining professional identities Going well beyond obsolete debates about pure and

applied anthropology the book examines the transformations that occur as social scientific concepts and practices cross and re cross the boundary between anthropological and policy making knowledge

Contextualizing Jamaica's Relationship with the IMF Christine Clarke, Carol Nelson, 2020-10-05 This ambitious book provides a comprehensive quantitative and qualitative assessment of Jamaica's ties to the International Monetary Fund focusing on Jamaica's historical relationship with the IMF and reflecting on the domestic and international discourse surrounding the evolution of this relationship Notably this volume presents a critical analysis of Jamaica's first engagement with and departure from the IMF and interrogates the political economy of the period Jamaica's economic experiences are assessed in the context of major global events including the food price crises of 2007 and the global economic crises of 2008 and 2009 This book also looks at policy implications and its well researched analysis will be of great value to practitioners and policymakers as well as academics

Contesting Measles and Vaccination in Pakistan Inayat Ali, 2024-08-29 This book explores issues surrounding measles and vaccination in Pakistan Drawing on long term ethnographic research it focuses on two major outbreaks in Sindh Province and on Pakistan's vaccination campaigns The chapters examine the responses to outbreaks and vaccination from various stakeholders including local people the Pakistani government and the WHO Inayat Ali reflects on the competing agendas differing conceptualizations of measles and vaccination and the factors that lie behind these contestations Situating outbreaks within the institutionalized form of disparities he analyzes the rituals used to deal with measles and local resistance to vaccines in Pakistan The distinct imaginaries and practices related to measles and vaccination are considered in national and global context and the book makes a valuable contribution to the development of an anthropology of vaccination and medical anthropology of Pakistan

The Debatatabase Book, 2007 An invaluable resource for debaters The Debatatabase Book provides background arguments and resources on 125 debate topics in areas as diverse as science and technology environment politics religion sports culture and education All topics have been updated and 26 new topics added for the third edition Each entry presents an introduction placing the question in context arguments pro and con sample motions and web links and print resources for further research Organized in a handy A Z format the book also includes a topical index for easy searching

BOOK JACKET

Poverty, Education and Development Francis Godwyll, So Young Kang, 2008 This book addresses the state of poverty and its effects on education and development It is organised into two sections Poverty socio economics poverty and gender Section one focuses on the state of the lives of the peoples in Africa as a result of poverty These chapters raise arguments to challenge the status quo as unacceptable The second section of the book focuses on poverty in relation to gender It explores how lack of education and inequality of females in the society can impact poverty of the nation in general These chapters discuss the influential factors of poverty in Asia and Africa and how it enriches the section by looking into Appalachian single mothers lived experiences from the South eastern portion of the US

Managing Behavior in Organizations Jerald Greenberg, 2005 This excellent paperback provides a brief yet comprehensive tour of the scientific and

practical highlights of organizational behavior OB It gets right to the point by focusing on essential concepts and practices that those in business really need to know It allows readers to understand and appreciate the essentials of OB as a practical and scientific field by providing a good balance between research theory and practical applications for the concepts presented A long list of cutting edge topics are covered in this easy to understand conversationally written book It includes integrated coverage of Internet Web based organizational behavior concepts with special treatment of e commerce and includes practical tips and suggestions telling readers how to apply OB in their own jobs Coverage includes individual behavior group behavior and organizational processes A especially handy reference for practicing managers and executives in corporate training programs *The British National Bibliography* Arthur James Wells, 2004 **Introducing**

Globalization Richard W. Mansbach, Edward Rhodes, 2012-08-23 Looking for a reader on globalization that is just as exciting as the topic itself That comprehensively covers the issues and perspectives you and your students want to talk about That frames the readings with clear substantial and original analysis by a pair of preeminent scholars In their new edited volume Mansbach and Rhodes offer the guidance students need to work through the varied and lively selections of scholarly and journalistic theoretical and practical pieces from both U S and international writers Forthcoming Books Rose Arny, 2002

Introducing Globalization Matthew Sparke, 2013-02-04 Designed specifically for introductory globalization courses Introducing Globalization helps students to develop informed opinions about globalization inviting them to become participants rather than just passive learners Identifies and explores the major economic political and social ties that comprise contemporary global interdependency Examines a broad sweep of topics from the rise of transnational corporations and global commodity chains to global health challenges and policies to issues of worker solidarity and global labor markets through to emerging forms of global mobility by both business elites and their critics Written by an award winning teacher and enhanced throughout by numerous empirical examples maps tables an extended bibliography glossary of key terms and suggestions for further reading and student research Supported by additional web resources available upon publication at www.wiley.com/go/sparke including hot links to news reports examples of globalization and other illustrative sites and archived examples of student projects Engage with fellow readers of Introducing Globalization on the book's Facebook page at www.facebook.com/IntroducingGlobalization or learn more about this topic by enrolling in the free Coursera course Globalization and You at www.coursera.org/course/globalization *Children's Books in Print, 2007*, 2006 **Prospects of Integration and the Development of R & D and the Innovation Potential of Black Sea Economic Co-operation Countries** Walter Leal Filho, 2002

FAQs About Globalization And The Poor Exploitation Or Equalizer Books

What is a Globalization And The Poor Exploitation Or Equalizer PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Globalization And The Poor Exploitation Or Equalizer PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Globalization And The Poor Exploitation Or Equalizer PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Globalization And The Poor Exploitation Or Equalizer PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Globalization And The Poor Exploitation Or Equalizer PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields

and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
