Globalizing Democracy And Human Rights

Carol C. Gould

Globalizing Democracy And Human Rights:

Globalizing Democracy and Human Rights Carol C. Gould, 2004-08-02 In her new book Carol Gould addresses the fundamental issue of democratizing globalization that is to say of finding ways to open transnational institutions and communities to democratic participation by those widely affected by their decisions The book develops a framework for expanding participation in crossborder decisions arguing for a broader understanding of human rights and introducing a new role for the ideas of care and solidarity at a distance Accessibly written with a minimum of technical jargon this is a major new contribution to political philosophy **Globalizing Democracy and Human Rights** Carol C. Gould, 2004

Philosophical Foundations of Human Rights Rowan Cruft, S. Matthew Liao, Massimo Renzo, 2015-04-30 What makes something a human right What is the relationship between the moral foundations of human rights and human rights law What are the difficulties of appealing to human rights This book offers the first comprehensive survey of current thinking on the philosophical foundations of human rights Divided into four parts this book focuses firstly on the moral grounds of human rights for example in our dignity agency interests or needs Secondly it looks at the implications that different moral perspectives on human rights bear for human rights law and politics Thirdly it discusses specific and topical human rights including freedom of expression and religion security health and more controversial rights such as a human right to subsistence The final part discusses nuanced critical and reformative views on human rights from feminist Kantian and relativist perspectives among others The essays represent new and canonical research by leading scholars in the field Each section is structured as a set of essays and replies offering a comprehensive analysis of different positions within the debate in question The introduction from the editors will guide researchers and students navigating the diversity of views on the philosophical foundations of human rights [The Oxford Handbook of Business Ethics](#) George G. Brenkert, Tom L. Beauchamp, 2012-04-19 The Oxford Handbook of Business Ethics is a comprehensive treatment of the field of business ethics as seen from a philosophical approach The volume consists of 24 essays that survey the field of business ethics in a broad and accessible manner covering all major topics about the relationship between ethical theory and business ethics

Reframing the Intercultural Dialogue on Human Rights Jeffrey Flynn, 2013-11-26 In this book Flynn stresses the vital role of intercultural dialogue in developing a non ethnocentric conception of human rights He argues that Jürgen Habermas's discourse theory provides both the best framework for such dialogue and a much needed middle path between philosophical approaches that derive human rights from a single foundational source and those that support multiple foundations for human rights Charles Taylor John Rawls and various Rawlsians By analyzing the historical and political context for debates over the compatibility of human rights with Christianity Islam and Asian Values Flynn develops a philosophical approach that is continuous with and a critical reflection on the intercultural dialogue on human rights He reframes the dialogue by situating it in relation to the globalization of modern institutions and by arguing that such dialogue

must address issues like the legacy of colonialism and global inequality while also being attuned to actual political struggles for human rights

Migrant Rights at Work Laurie Berg, 2015-06-26 Public debates about the terms of membership and inclusion have intensified as developed economies increasingly rely on temporary migrant labour While most agree that temporary migrant workers are entitled to the general protection of employment laws temporary migrants have by definition restricted rights to residence full social protections and often to occupational and geographic mobility This book raises important ethical questions about the differential treatment of temporary and unauthorised migrant workers and permanent residents and where the line should be drawn between exploitation and legitimate employment Taking the regulatory reforms of Australia as a key case study Laurie Berg explores how the influence of immigration law extends beyond its functions in regulating admission to and exclusion from a country Berg examines the ways in which immigration law and enforcement reconfigure the relationships between migrant workers and employers producing uncertain and coercive working conditions In presenting an analytical approach to issues of temporary labour migration the book develops a unique theoretical framework contending that the concept of precariousness is a more fruitful way than equality or vulnerability to evaluate and address issues of temporary migrant labour The book will be of great interest to scholars and practitioners of immigration law and employment law and policy

The Routledge Companion to Social and Political Philosophy Gerald Gaus, Fred D'Agostino, Ryan Muldoon, 2024-11-26 The Routledge Companion to Social and Political Philosophy Second Edition is a comprehensive definitive reference work providing an up to date survey of the field charting its history and key figures and movements and addressing enduring questions as well as contemporary research Features unique to the Companion are as follows Extensive coverage of the history of social and political thought including separate chapters on the development of political thought in the Islamic world India and China as well as in modern Germany France and Britain A focus on the core concepts and the normative foundations of social and political theory A section devoted exclusively to distributive justice the central issue of political philosophy since Rawls Theory of Justice Several chapters on global justice and international issues The Companion's 74 commissioned chapters by leading scholars from throughout the world are divided into eight thematic sections The History of Social and Political Theory Political Theories and Ideologies Normative Foundations Distributive Justice The National State and Beyond Political Concepts Approaches and Issues in Social and Political Philosophy Expanded updated and revised throughout this Second Edition includes new chapters on Politics Philosophy and Economics PPE Political Epistemology Race and Ethnicity Power Foucault and New Diversity Theory

The Cosmopolitan Ideal Sybille De La Rosa, Darren O'Byrne, 2015-05-28 Cosmopolitanism has resurfaced as a prominent perspective within philosophy and the social sciences Its critics though suggest that contemporary cosmopolitanism is abstract and ultimately meaningless or that it is the globalized expression of a very European and modern ideal This book aims to develop a new cosmopolitanism one that is critical inclusive and relevant for the twenty first century The first section considers why we should behave as

cosmopolitans at all why do we owe some concept of justice to those who are suffering some form of injustice around the world The book then moves beyond normative debates using empirical studies on practical concerns to explore the ways in which we can break with traditional structures practices and power inequalities that have been based on disregard and subordination Extending the scope of cosmopolitanism to incorporate issues such as gender asylum and identity to draw on non Western as well as Western influences the book re conceptualizes terms like democracy refuge and representation in order to develop more inclusive and cosmopolitan understandings of them

Between Cosmopolitan Ideals and State Sovereignty R. Tinnevelt, G. Verschraegen, 2006-10-26 Between Cosmopolitan Ideals and State Sovereignty explores how philosophers and political theorists have recast principles of justice and human rights in the light of challenges posed by globalization It discusses ethical issues that arise at a global level and considers whether human rights and sovereignty can ever be reconciled

Global Justice and International Economic Law Chi Carmody, Frank J. Garcia, John Linarelli, 2012-01-09 Since the beginnings of the GATT and the Bretton Woods institutions and on to the creation of the WTO states have continued to develop institutions and legal infrastructure to promote global interdependence International lawyers are experts in understanding how these institutions operate in practice but they tend to uncritically accept comparative advantage as the principal normative criterion to justify these institutions In contrast moral and political philosophers have developed accounts of global justice but these accounts have had relatively little influence on international legal scholarship and on institutional design This volume reflects the results of a symposium held at Tillar House the American Society of International Law headquarters in Washington DC in November 2008 which brought together philosophers legal scholars and economists to discuss the problems of understanding international economic law from the standpoints of rights and justice in particular from the standpoint of distributive justice

Reconsidering C.B. MacPherson Phillip Hansen, 2016-01-28 C B Macpherson occupies an ambiguous place in contemporary political thought Though his work is well known it remains on the margins of current democratic theory That marginalization Phillip Hansen argues comes from our failure to appreciate the underlying philosophical dimension of Macpherson s work Identifying and exploring Macpherson s systematic critique of the liberal claim that the individual is the proprietor of his own person or capacities owing nothing to society for them Reconsidering C B Macpherson highlights his affinities to Herbert Marcuse Max Horkheimer and the Frankfurt School This stimulating reappraisal illustrates the importance of Macpherson s classic books including The Political Theory of Possessive Individualism and Democratic Theory and demonstrates how much his work has to offer to the future of political and social thought

Contemporary Debates in Political Philosophy Thomas Christiano, John Christman, 2009-03-30 This collection of 24 essays written by eminent philosophers and political theorists brings together fresh debates on some of the most fundamental questions in contemporary political philosophy including human rights equality constitutionalism the value of democracy identity and political neutrality Presents fresh debates on six of the fundamental questions in

contemporary political philosophy Each question is treated by a pair of opposing essays written by eminent scholars Lively debate format sharply defines the issues invites the reader to participate in the exchange of arguments and paves the way for further discussion Will serve as an accessible introduction to the major topics in political philosophy whilst also capturing the imagination of professional philosophers Offers the unique opportunity to observe leading philosophers engaging in head to head debate

Divided Sovereignty Carmen E. Pavel, 2015 An exploration of new institutional solutions to the old question of how to constrain states when they commit severe abuses against their own citizens The book argues that coercive international institutions can stop these abuses and act as an insurance scheme against the possibility of states failing to fulfill their most basic sovereign responsibilities

Politics and Cosmopolitanism in a Global Age Sonika Gupta, Sudarsan Padmanabhan, 2017-09-19 This book offers a unique reconceptualization of cosmopolitanism It examines several themes that inform politics in a globalized era including global governance international law citizenship constitutionalism community domesticity territory sovereignty and nationalism The volume explores the specific philosophical and institutional challenges in constructing a cosmopolitan political community beyond the nation state It reorients and decolonizes the boundaries of cosmopolitanism and questions the contemporary discourse to posit inclusive alternatives Presenting rich and diverse perspectives from across the world the volume will interest scholars and students of politics and international relations political theory public policy ethics and philosophy

SOCRATES Puja Chakrabarty, 000000, Reza Heidarizadi, Meenakshi Gogoi, Dr. Eleni Xilakis, Shreyasi Ghosh, Dr. Priti Pohekar, Aynul Haque, Dr. Naveeda Seher, Priyadarshini Sen, Sanjeev Lalhotra, Prof. B.C Sharma, Ms. Ramandeep Kour, Md. Ruhul Amin, Mohammed Mahin Uddin, Indal Kumar, Atalay Mesfin Aneteneh, 2014-06-30 SOCRATES is an international multi lingual multi disciplinary refereed and indexed scholarly journal produced as par of the Harvard Dataverse Network This journal appears quarterly in English Hindi Persian in 22 disciplines About the Issue This Issue of Socrates contains selected scholarly articles from various scholarly disciplines The entire issue has been divided into five sections The first Section of the edition Language and Literature contains scholarly Research Papers from English language and Literature Hindi literature and Persian literature The first research paper of this section and the edition deals with Feminism and endeavours to investigate the origin and development of this movement and also pays tribute to the inextinguishable and daredevil spirit of innumerable women who tirelessly contributed in making the new woman a reality The Second paper which belongs to the scholarly discipline of Hindi Literature is a comparative analysis of two spiritual ideologies that prevails in India and different parts of the world This sort of comparative study is rarely found in and which makes it an asset for the research literature The second section of this issue Swedish History contains a paper that presents Sweden s most dignified and faithful Queen Dowager Catherine Stenbock The third section of this issue Politics Law and Governance contains various research articles on various scholarly themes The first research paper of this section attempts to analyse Carl Schmitt s and Agamben s theories through this

interesting tripartite relation among the political sovereignty and exception which gives an interesting account to reconfigure sovereignty and its effects felt on Indian emergency of 1975-77 and anti terror laws in recent times Also in what ways it appears as a challenge to the centrality of law in a democracy The second research paper of this section examines the Scottish enlightenment and involvement in this debate through James Mackintosh's response to Burke this encounter of British and French enlightenment will illuminate our modern vision of human rights theories The third research paper of this section is a research study in context of global security under the impact of globalization The fourth research paper of this section deals with a universal problem popularly known as Corruption This paper investigates the remedies of corruption as suggested by the great philosopher and teacher Kautilya in his masterpiece Arthashastra The fifth research paper of this section deals with one of vibrant issues of free world Human rights The fourth section of this issue contains some of the best research papers from the scholarly disciplines of Commerce Management and Economics These research papers are based on the original research carried out by author's The first paper of this section studies the relationship between BPR and Organizational Structure with special reference to State Bank of India The second paper of this section raises evacuation issues The third paper of this section studies the dimensions of customer service in supply chain management SCM of small and medium enterprises of Jammu region The fourth paper of this section investigates the Effectiveness of Public Distribution System in Jammu Kashmir The fifth paper of this section paper examines the role of cooperative societies in economic development of Bangladesh The sixth paper of this section studies green marketing and reveals its challenges and opportunities in rural India The fifth section of this issue represents the scholarly disciplines of Education It contains a research paper which is based on an action research project to find out ways to improve student's participation in the class

Illusion of Consent Daniel I. O'Neill, 2010-11 A collection of essays that discuss the writings of Carole Pateman with emphasis on her theories of democracy and feminism Provided by publisher [Legal Republicanism](#) Samantha Besson, José Luis Martí, 2009-03-26 Interest in republicanism as a political theory has burgeoned in recent years but its implications for the understanding of law have remained largely unexplored Legal Republicanism is the first book to offer a comprehensive critical survey of the potential for creating republican accounts of fundamental issues in law and legal theory Bringing together contributors with backgrounds in political and legal philosophy the essays in the volume assess republicanism's historical traditions conceptual coherence and normative proposals The collection offers a valuable insight into new debates taking place in republican political and legal theory It also analyses potential republican approaches to concrete issues arising in areas of law such as criminal constitutional and international law Finally the book includes comparisons between republican legal traditions and how they react to contemporary challenges The book will be of value to political and democratic theorists to legal philosophers and constitutional theorists and all those interested in the legitimacy of decision making in national and international settings [Handbook of Children's Rights](#) Martin D. Ruck, Michele

Peterson-Badali, Michael Freeman, 2016-12-08 While the notion of young people as individuals worthy or capable of having rights is of relatively recent origin over the past several decades there has been a substantial increase in both social and political commitment to children's rights as well as a tendency to grant young people some of the rights that were typically accorded only to adults In addition there has been a noticeable shift in orientation from a focus on children's protection and provision to an emphasis on children's participation and self determination With contributions from a wide range of international scholars the Handbook of Children's Rights brings together research theory and practice from diverse perspectives on children's rights This volume constitutes a comprehensive treatment of critical perspectives concerning children's rights in their various forms Its contributions address some of the major scholarly tensions and policy debates comprising the current discourse on children's rights including the best interests of the child evolving capacities of the child states rights versus children's rights rights of children versus parental or family rights children as citizens children's rights versus children's responsibilities and balancing protection and participation In addition to its multidisciplinary focus the handbook includes perspectives from social science domains in which children's rights scholarship has evolved largely independently due to distinct and seemingly competing assumptions and disciplinary approaches e g childhood studies developmental psychology sociology of childhood anthropology and political science The handbook also brings together diverse methodological approaches to the study of children's rights including both quantitative and qualitative perspectives and policy analysis This comprehensive cosmopolitan and timely volume serves as an important reference for both scholarly and policy driven interest in the voices and perspectives of children and youth [The Legitimacy of International Trade Courts and Tribunals](#) Robert Howse, Hélène Ruiz-Fabri, Geir Ulfstein, Michelle Q. Zang, 2018-04-12 The recent rise of international trade courts and tribunals deserves systemic study and in depth analysis This volume gathers contributions from experts specialised in different regional adjudicators of trade disputes and scrutinises their operations in the light of the often debated legitimacy issues It not only looks into prominent adjudicators that have played a significant role for global and regional integration it also encloses the newly established and or less known judicial actors Critical topics covered range from procedures and legal techniques during the adjudication process to the pre and post adjudication matters in relation to forum selection and decision implementation The volume features cross cutting interdisciplinary discussions among academics and practitioners lawyers philosophers and political scientists In addition to fulfilling the research vacuum it aims to address the challenges and opportunities faced in international trade adjudication [Routledge Handbook of Ethics and International Relations](#) Brent J. Steele, Eric Heinze, 2018-06-14 Ethics and International Relations IR once considered along the margins of the IR field has emerged as one of the most eclectic and interdisciplinary research areas today Yet the same diversity that enriches this field also makes it a difficult one to characterize Is it or should it only be the social scientific pursuit of explaining and understanding how ethics influences the behaviours of actors in international relations Or should it

be a field characterized by what the world should be like based on philosophical normative and policy based arguments This Handbook suggests that it can actually be both as the contributions contained therein demonstrate how those two conceptions of Ethics and International Relations are inherently linked Seeking to both provide an overview of the field and to drive debates forward this Handbook is framed by an opening chapter providing a concise and accessible overview of the complex history of the field of Ethics and IR and a conclusion that discusses how the field may progress in the future and what subjects are likely to rise to prominence Within are 44 distinct and original contributions from scholars teaching and researching in the field which are structured around 8 key thematic sections Philosophical Resources International Relations Theory Religious Traditions International Security and Just War Justice Rights and Global Governance International Intervention Global Economics Environment Health and Migration Drawing together a diverse range of scholars the Routledge Handbook of Ethics and International Relations provides a cutting edge overview of the field by bringing together these eclectic albeit dynamic themes and topics It will be an essential resource for students and scholars alike

Globalizing Democracy And Human Rights Introduction

In the digital age, access to information has become easier than ever before. The ability to download Globalizing Democracy And Human Rights has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Globalizing Democracy And Human Rights has opened up a world of possibilities. Downloading Globalizing Democracy And Human Rights provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Globalizing Democracy And Human Rights has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Globalizing Democracy And Human Rights. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Globalizing Democracy And Human Rights. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Globalizing Democracy And Human Rights, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Globalizing Democracy And Human Rights has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Globalizing Democracy And Human Rights Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Globalizing Democracy And Human Rights is one of the best book in our library for free trial. We provide copy of Globalizing Democracy And Human Rights in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Globalizing Democracy And Human Rights. Where to download Globalizing Democracy And Human Rights online for free? Are you looking for Globalizing Democracy And Human Rights PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Globalizing Democracy And Human Rights. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Globalizing Democracy And Human Rights are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Globalizing Democracy And Human Rights. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook

without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Globalizing Democracy And Human Rights To get started finding Globalizing Democracy And Human Rights, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Globalizing Democracy And Human Rights So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Globalizing Democracy And Human Rights. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Globalizing Democracy And Human Rights, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Globalizing Democracy And Human Rights is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Globalizing Democracy And Human Rights is universally compatible with any devices to read.
