*Globalizing Electronic Commerce* Carol Ann Charles, Christopher P. Foss, Shamita Rao Dewan, 1996      **Psychological Impact of COVID-19 on individuals: Through Active Choices and Passive Adaption** Jianchun Fang, Chi Lau, Cheng Yan, 2024-02-14      *The Human Right to Development in a Globalized World* Daniel Aguirre, 2021-12-16 Offering a comprehensive analysis of the human right to development and its realistic application in an era of economic globalization Daniel Aguirre provides a multidisciplinary overview of economic globalization and examines its challenges to the realization of human development He takes this further by engaging with these challenges and highlighting the human rights opportunities presented by economic globalization and the international investment system The volume proposes a triadic system of responsibility for human rights in development to include mapping the overlapping human rights responsibilities of corporations at the micro level of states at the macro level and of the international community at the meso level The scope of the book is broad and the approach to the subject is new It will generate interest across many disciplines including political science international law and economics Activists academics and development practitioners in many fields should also read this book      **Misery beneath the Miracle in East Asia** Arvid J. Lukauskas, Yumiko Shimabukuro, 2024-12-15 Misery beneath the Miracle in East Asia challenges prevailing views of the East Asian economic miracle Existing scholarship has overlooked the severity persistence and harmful consequences of the social welfare crises affecting the region Arvid J. Lukauskas and Yumiko Shimabukuro fill this gap and put a major asterisk on East Asia's economic record Combining big picture analysis abundant data a dynamic interdisciplinary framework and powerful human stories they shed light on the social ills that governments have failed to address adequately including low wages child abuse elderly poverty and substandard housing One of the major forces behind the multidimensional welfare crises is the region's productivist welfare strategy which prioritizes economic growth while abandoning a robust social safety net leaving the most vulnerable segments of society largely unprotected Misery beneath the Miracle in East Asia brings the region into debates over the dangers of seeking growth at all costs that are currently embroiling the United States and other advanced industrialized countries      *Regulating Platforms* Terry Flew, 2021-11-30 We once thought of cyberspace as a borderless world As the internet has become increasingly platformized with a small number of technology giants that dominate the global digital economy concerns about information monopolies hateful online content and the impact on media content creators and creative industries have become more marked Consequently governments politicians and civil society are questioning how digital platforms can or should be regulated In this up to the minute study Terry Flew engages with important questions surrounding platform regulation Starting from the premise that governance is an inherent feature of digital platforms he argues that the challenge is to develop the best frameworks for balancing external regulatory oversight with the internal

governance practices of platform companies The intersection of media policy information policy and economic policy is an important element of policy frameworks as national authorities increasingly seek to engage with the power of global digital platforms Lively and accessible Regulating Platforms is a go to text for students and scholars of media and communication

Our Social World Jeanne H. Ballantine, Kathleen Odell Korgen, 2022-09-30 The Eighth Edition of Our Social World Introduction to Sociology inspires students to develop their sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day to day basis The text is organized around the Social World model a conceptual framework that demonstrates the relationships among individuals the micro level organizations institutions and subcultures the meso level and societies and global structures the macro level The consistent application of the Social World Model across chapters represented in a visual diagram in the chapter openers helps students develop the practice of using three levels of analysis and to view sociology as an integrated whole rather than a set of disparate subjects This title is accompanied by a complete teaching and learning package in SAGE Vantage an intuitive learning platform that integrates quality SAGE textbook content with assignable multimedia activities and auto graded assessments to drive student engagement and ensure accountability Unparalleled in its ease of use and built for dynamic teaching and learning Vantage offers customizable LMS integration and best in class support □□□□ □□□, 2024-10-02
