Glossary of Terms Used in the Coal Trade of Northumberland and Durham George Clementson Greenwell,1970      Glossary  
of Terms G. C. Greenwell,2015-08-05 Excerpt from Glossary of Terms Used in the Coal Trade of Northumberland and  
Durham The first edition of the Glossary of Terms used in The Coal Trade of Northumberland and Durham was published  
anonymously in 1849 The number of copies printed was limited and was soon disposed of A second edition which was merely  
a reprint of the first followed shortly afterwards and it also soon became out of print The Authorship of the Glossary was  
acknowledged by the writer in his preface to the first edition of A Practical Treatise on Mine Engineering which was  
published in 1855 It had for some time been in the mind of the Author to publish a third edition of the Glossary The  
appearance recently of a book having exactly the same title has hastened the re publication particularly as it has without any  
acknowledgment and very largely indeed drawn verbatim from the pages of the original The present edition has been entirely  
re written The information contained in the first has been extended and added to the same style has been observed as it has  
been the wish of the Author to include in his book the records of how things were 50 years ago and much more About the  
Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)
