Glubbs Legion:

Glubb's Legion Godfrey Lias,1956 The Glubb Reports: Glubb Pasha and Britain's Empire Project in the Middle East 1920-1956 Tancred Bradshaw,2016-01-26 The Glubb Reports studies papers written by General Sir John Glubb the long serving British commander of the Jordanian Arab Legion It covers issues such as the role of tribes and desert control the impact of Palestine the Arab Legion s role in the first Arab Israeli war the expansion of the Arab Legion and Glubb s dismissal in 1956 **The Road to Jerusalem** Benny Morris,2002-05-24 General Sir John Glubb the last British pro Consul in the region could be seen as midwife to the birth of the modern Middle East a birth as painful and tortuous as its subsequent history Glubb Pasha was the British commander of the Arab Legion during those crucial years between 1936 and 1956 which were to witness the collapse of Palestine and the final foundation and establishment of the State of Israel As well as analysing Glubb s personal vision of the Middle East and its peoples a surprisingly racial vision that would condition his politics this book examines his reactions to the Arab Revolt in Palestine and the periodic plans to partition Palestine into an Arab and a Jewish state It offers the first in depth account of his thinking and actions during 1948 as he led his small army into Palestine and war against Israel His aims and actions which lie at the very heart of the controversy between Old and New historians of the Arab Israeli conflict are carefully detailed using for the first time contemporary British Arab and Israeli intelligence sources This masterful account of Glubb the soldier strategist and pro Arab mouth piece based on hitherto unseen classified documents will become a vital addition to the literature on this defining period in Middle Eastern history It is required reading for students academics and anyone interested in the impasse which has dominated Middle Eastern affairs for over half a century an intriguing and valuable contribution to the history of the 1948 conflict Times Literary Supplement This masterful account will become a vital addition to the literature on this defining period in the Middle Eastern history Fred Rhodes Middle East Journal **Middle East Conflicts from Ancient Egypt to the 21st Century** Spencer C. Tucker,2019-08-27 With more than 1 100 cross referenced entries covering every aspect of conflict in the Middle East this definitive scholarly reference provides readers with a substantial foundation for understanding contemporary history in the most volatile region in the world This authoritative and comprehensive encyclopedia covers all the key wars insurgencies and battles that have occurred in the Middle East roughly between 3100 BCE and the early decades of the twenty first century It also discusses the evolution of military technology and the development and transformation of military tactics and strategy from the ancient world to the present In addition to the hundreds of entries on major conflicts military engagements and diplomatic developments the book also features entries on key military political and religious leaders Essays on the major empires and nations of the region are included as are overview essays on the major periods under consideration The book additionally covers such non military subjects as diplomacy national and international politics religion and sectarian conflict cultural phenomena genocide international peacekeeping missions social movements and the rise to prominence of

international terrorism The reference entries are augmented by a carefully curated documents volume that offers primary sources on such diverse topics as the Greco Persian Wars the Crusades and the Arab Israeli Wars

The Encyclopedia of the Arab-Israeli Conflict Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon

From Abdullah to Hussein Robert Barry Satloff, 1994 More than forty years on the throne have given King Hussein and the Hashemite Kingdom an aura of security stability and permanence In the face of numerous enemies and adversaries Hussein's resilience has remained constant From Abdullah to Hussein examines the most turbulent period in the history of Jordan's ruling house the six years following the assassination of the kingdom's founder Abdullah in 1951 Those years witnessed the country's lone episode of weak monarchy when the king the novice Hussein or his ill starred father Talal was not the preeminent political actor in the land Rather it was during that time that the regime was left in the hands of a mix of Palestinian Transjordanian and Circassian royalists who had never before wielded executive authority inside the kingdom Based on exclusive interviews including two sessions with King Hussein and newly released archival resources from the United States Britain Israel and Jordan the book traces the only two royal successions in Jordanian history the eleven month reign of the little known Talal and the early years of King Hussein Throughout it chronicles the relationship between King and King's men that saw Jordan pull itself back from the brink of political disaster and permitted young Hussein to restore a ruling coalition of King Government and Army that has remained the foundation of the regime ever since The first scholarly examination of the transition from Abdullah to Talal to King Hussein this book takes an in depth look at domestic politics inside Jordan including the kingdom's early efforts at multi party elections It will be of great interest to historians scholars and students of the modern Arab world

The Baghdad Pact Behcet Kemal Yesilbursa, 2005-07-08 This book explores the formation of the Baghdad Pact and Anglo American defence policies in the Middle East 1950 1959 It determines the aims with which the pact was established the failings of the pact and the struggle that was undertaken against it by hostile countries It examines the events surrounding the formation

development and collapse of the pact and Anglo American attempts to contain the Soviet Union in the Middle East It also deals with British and American policies towards the pact and Middle Eastern defence It seeks to examine British and American post war defence policies in the Middle East and their collective defence projects in the region such as the Middle East Command and Northern Tier leading to the Baghdad Pact It does not attempt to offer a comprehensive history of British and American policies in the Middle East and particularly aims to explore those policies with regard to the problems of Middle East defence In addition it explores the policies of the local members of the pact and examines the pact s internal structure It poses the questions of how the members of the pact and the United States perceived the question of Middle East defence what their basic aims were and what problems they faced while trying to achieve these aims and implementing their chosen solutions

Israel at Sixty Efraim Karsh,Rory Miller,2013-10-23 Sixty years after the birth of Israel this fascinating and original book of essays brings together a number of the leading experts on Zionism and Israel to examine the domestic and international context of Israel s transition from community to state in 1948 With contributions on a wide range of historically important topics that are no less relevant now than they were six decades ago the book examines how countries as diverse as France the United States Turkey Britain and Ireland viewed the partition of Palestine in 1947 and the subsequent establishment of Israel in 1948 It also looks at the involvement of the UN Zionist and Arab leaders in the events immediately preceding Israel s birth While controversial issues such as the role of the Holocaust in the creation of Israel and the attitude of the Zionist movement to Palestinian Arabs from its onset to the 1948 war are examined in order to set the record straight after decades of mistaken and misleading research This book was previously published as a special issue of Israel Affairs

Glubb's Legion ... Foreword by ... Sir John Bagot Glubb. [On the Arab Legion. With Plates, Including Portraits.] Godfrey Lias,Sir John Bagot Glubb,1956

Palestine 1948, 2nd Edition Yoav Gelber,2006-01-26 Since the 1970s the Latin Based on new or newly interpreted Israeli British and Arab documents this book attempts to integrate present controversies concerning the development of the Jewish Palestinian war from December 1947 to mid May 1948 and the consecutive Israeli Arab war It follows the organization of both sides at the beginning of the war and the shaping of their respective war policies Further it describes the creation of the invading coalition and its disintegration in the wake of the Arab armies military failure The book stresses mainly the processes that led Palestinian society to its collapse and mass flight and the Israeli reactions and policies that turned this temporary escape into a long

lasting refugee problem Emphasizing the different historical and cultural perspectives of the adversaries and the context of the war s development it criticises the approach of the Israeli New Historians who tend to isolate the refugee problem from the broader issues of the war and treat it separately Includes a glossary of Arab Israeli wartime operations *If My Table Could Talk* Michael Wynne-Parker,2011-03-30 For hundreds of years the table has taken central place from cottage to palace drawing around it families and friends to enjoy sustenance and conversation Only in the present day has its dominance of the domestic scene declined due to the intrusion of television and the break up of traditional family life Michael Wynne Parkers life is full of interesting people some of whom are the main characters in this fascinating book And they have a just one thing in common they all sat at least once round his table including such diverse personalities as Victor 6th Marquess of Bristol Hammond Innes Brian Rix Margaret Thatcher Princess Katarina of Yugoslavia Dai Llewellyn and Jim Davidson Famous names mingle with lesser known but by no means less interesting friends each with a story or more to tell Actors soldiers priests poets artists politicians join with singers writers sportsmen beautiful women and royalty Some are witty some amusing some profound all with their own story to tell Their stories offer a glimpse into worlds of wealth glamour power and creativity Throughout however a slowly emerging question arises Is there a significance in events *Foreign Relations of the United States* United States. Tucker,2016-09-06 With more than 1 700 cross referenced entries covering every aspect of World War II the events and developments of the era and myriad related subjects as well as a documents volume this is the most comprehensive reference work available on the war This encyclopedia represents a single source of authoritative information on World War II that provides accessible coverage of the causes course and

consequences of the war Its introductory overview essays and cross referenced A Z entries explain how various sources of friction culminated in a second worldwide conflict document the events of the war and why individual battles were won and lost and identify numerous ways the war has permanently changed the world The coverage addresses the individuals campaigns battles key weapons systems strategic decisions and technological developments of the conflict as well as the diplomatic economic and cultural aspects of World War II The five volume set provides comprehensive information that gives readers insight into the reasons for the war s direction and outcome Readers will understand the motivations behind Japan s decision to attack the United States appreciate how the concentration of German military resources on the Eastern Front affected the war s outcome understand the major strategic decisions of the war and the factors behind them grasp how the Second Sino Japanese War contributed to the start of World War II and see the direct impact of new military technology on the outcomes of the battles during the conflict The lengthy documents volume represents a valuable repository of additional information for student research Asian and African Studies meisai.org.il, Colonial Effects Joseph Andoni Massad,2001 This text analyses how modern Jordanian identity was created and defined The author studies two key institutions the law and the military and uses them to create an analysis of the making of modern Jordanian identity *Britain and Jordan* Tancred Bradshaw,2012-03-30 In the wake of the establishment of the State of Israel in 1948 it has often been alleged King Abdullah I of Jordan and the Zionist movements colluded to partition Mandate Palestine between them while Great Britain the retreating imperial power gave them tacit approval to do so Here Tancred Bradshaw challenges these allegations looking at the complex and often strained relations between the emerging states of Jordan Israel and the at first hegemonic and then crumbling British Empire Using a wide range of primary sources which have previously been largely ignored Britain and Jordan offers an essential re examination of the relationships which were to shape the Middle East as it is today It thus contains vital analysis for anyone involved in the study of the Middle East its politics and history as well as the demise of Britain s empire in the region **The Prophets of Doom** Neema Parvini,2023-07-27 Linear and progressive views of history have dominated the popular imagination for the past seventy years in a worldview wedded to the inexorable rise of globalisation and GDP growth at any cost However the end of the Cold War failed to produce the end of history as hoped a fact brought home to many by Russia s invasion of Ukraine in 2022 Material wealth and Progress in the name of social justice have not made people happier or more united but quite the opposite Anxiety depression fearfulness sadness loneliness and anger have all massively increased since 1970 with the male suicide rate at an all time high Western society seems to be divided against itself across every line conceivable left versus right women versus men non whites versus whites globalists versus populists the elites versus the people people who think that men can be women and vice versa versus those who insist that they cannot and so on Seventy three percent of Americans believe their country is on the wrong track with similar views reflected in Britain and across Europe The Prophets of Doom explores eleven thinkers who not only dared to contradict the

dominant linear and progressive view of history but also predicted many of the political and social maladies through which we are living

Glubbs Legion: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Glubbs Legion : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
