Andrew Yost, 2022-08-24 The world is disenchanted Rationalization intellectualization and scientism rule the day We used to see the world as a magical place but now it s just a material space How did we get here The shift comes in part from the rise of a certain kind of secularism one that reduces human experiences to whatever is explainable through observation Love It s just a biological

drive Joy a rush of adrenaline Beauty an influx of dopamine If you can't test it it isn't true or so the thinking goes The Romantic Life draws upon eighteenth and nineteenth century Romanticism to provide five strategies to re-enchant the world five ways to imbue the world with meaning truth and beauty According to the Romantics far from being useless encounters with impractical things like the imagination nature symbolism sincerity and the sublime give our lives a richness and depth that cannot be attained on a purely material account of the world By learning from their example we can come to see into the life of things as William Wordsworth called it We can be re-enchanted

Accomplish the Impossible Steffan Soule, 2011-01-07 Through the power of the symbol known as the Enneagram Steffan Soule unlocks a system for a new way of thinking that shows how to successfully master every important process Based on the author's thirty years as a professional magician and student of hidden knowledge he reveals without smoke and mirrors a clear pathway into the nature of sustainability and transformation Accomplish the Impossible is the first book to give readers a practical way to use the sacred geometry of the enneagram the Nine Term Symbol for process improvement Combining critical thinking with intuitive understanding Soule's approach levels the playing field by simplifying the laws of continuous improvement With the Nine Term Symbol the Enneagram you will find A clear way to harness the power of sustainability and transformation How to use attention and intention to gain new creativity and increase your core competencies Exact qualities within every process that guide efficiency effectiveness and mastery How to simultaneously connect with Left and Right Brain thinking for harmonious success The Roles we need to play at every step of a process and the Types of people best suited for those roles Accomplish the Impossible reveals that the enneagram is a remarkable symbol based on the mathematics of efficiency and sustainability It has the power to show all aspects of an important process passion or expertise Once readers know how to look at their work using this symbol and use it to solve one problem they can instantly apply it to all other solutions and use it to share information across disciplines

The Secret Recipe of Ella Dove Karen Hawkins, 2024-08-20 Ella Dove is an acclaimed baker whose desserts spark cherished memories and she is finally coming home to Dove Pond Years ago her mentor Angela Stewart Harrington falsely accused Ella of stealing her recipe book Now Ella believes it's time for them to reconcile Angela has her own amends to make Her estranged daughter Jules has never forgiven her for divorcing Jules's father But just as they begin to fix their tattered relationship a miscommunication turns into a lie that threatens to destroy everything Meanwhile Jules's son Gray is shocked to learn that Ella his first love is back in town Even though he knows she will soon leave he starts hoping she'll give him a second chance

An Introduction to Torrance Theology Gerrit Scott Dawson, 2007-09-01 For more than six decades the brothers Torrance Thomas James and David have had a tremendous influence on the theological world They and particularly TF Torrance have a devoted following world wide and particularly in the US Their high view of the fully human fully divine Jesus is built upon the foundation of the Patristic writers and the great Reformers from Calvin to Barth Working in both pastoral and academic settings the Torrances have stressed the profound

implications of Christology for the mission of their Church and the daily life of Christians Today a generation of their students around the world find themselves in positions of pastoral and theological leadership The focus of this book is the person of Christ christology a subject central to the Torrance theological vision and one which has had great influence on the presbyterian church The contributors explore the contemporary relevance of Torrance Christology in such areas as the nature of Christ the atonement the ministry of the Church epistemology and inclusion in Christ The result is a book that offers both a fresh introduction to the Torrance tradition even as it advances the Torrance thought along fresh avenues of theological exploration

The Sufi Message Volume 2 Hazrat Inayat Khan, 2009-01-01 The *Mysticism of Music Sound and Word* presents an essential part of the highly practical philosophy of Hazrat Inayat Khan Born a musician music and sound were for him the essence of life Even when later he had to give up his practice of what in Indian philosophy is called struck music the unstruck music remained with him and increasingly so Not only did he enjoy it in his meditations and all through life whether in silent nature or in the roaring streets of Manhattan In its fullness it came out in his discourses and other presentations he made to the amazed and yet not fully understanding public of the West in the twenties His realization of sound and music transformed his words into living beings attuning the atmosphere bringing inspiration to the public This volume presents various aspects of his music It contains four parts In the *Mysticism of Sound* the basic philosophy is given in a wide context Both the abstract and some very practical aspects are covered Music presents the mystic aspects of music besides relating its philosophy to the practical side again It presents a beautiful early view of Indian music and it relates music and colour Moreover the psychic and healing powers are discussed The *Power of the Word and Cosmic Language* elaborates these influences both philosophically and practically The book really may be called *mysticism in daily life*
