## **Go Forth And Do Good Memorable Notre Dame Commencement Addresses:**

Go Forth and Do Good Wilson D. Miscamble, 2003 Although the first proper Notre Dame commencement conferring degrees on two candidates took place in 1849 General William Tecumseh Sherman was Notre Dame's first graduation speaker with a truly national reputation He attended Notre Dame's ceremony in 1865 just months after accepting the surrender of General Joseph E Johnston's Confederate army Sherman whose sons had been students at Notre Dame came less to give an address than to utter words of thanks for the kindness shown to his family who had found refuge in the area during the war When prevailed upon to speak he offered some extemporaneous remarks calling on Notre Dame graduates and students to be ready at all times to perform bravely the battle of life **The Most Controversial Decision** Wilson D. Miscamble, 2011-04-11 This book explores the American use of atomic bombs and the role these weapons played in the defeat of the Japanese Empire in World War II It focuses on President Harry S Truman's decision making regarding this most controversial of all his decisions The book relies on notable archival research and the best and most recent scholarship on the subject to fashion an incisive overview that is fair and forceful in its judgments This study addresses a subject that has been much debated among historians and it confronts head on the highly disputed claim that the Truman administration practised atomic diplomacy The book goes beyond its central historical analysis to ask whether it was morally right for the United States to use these terrible weapons against Hiroshima and Nagasaki It also provides a balanced evaluation of the relationship between atomic weapons and the origins of the Cold War American Priest Wilson D. Miscamble, C.S.C., 2019-03-12 A provocative new biography probes deeply into the storied life of Father Ted Hesburgh the well loved but often controversial president of Notre Dame University Considered for many decades to be the most influential priest in America Rev Theodore M Hesburgh played what many consider pivotal roles in higher education the Catholic Church and national and international affairs American Priest examines his life and his many and varied engagements from the university he led for thirty five years to his associations with the Vatican and the White House and evaluates the extent and importance of his legacy Author and Notre Dame priest professor Wilson D Miscamble tracks how Hesburgh transformed Catholic higher education in the postwar era and explores how he became a much celebrated voice in America at large Yet beyond the hagiography that often surrounds Hesburgh's legacy lies another more complex and challenging story What exactly were his contributions to higher learning what was his involvement in the civil rights movement and what was the nature of his role as advisor to popes and presidents Understanding Hesburgh's life and work illuminates the journey that the Catholic Church traversed over the second half of the twentieth century Exploring and evaluating Hesburgh's importance then contributes not only to the colorful history of Notre Dame but also to comprehending the American Catholic experience Praise for American Priest An excellent engaging biography Miscamble deftly captures the whole Hesburgh in a fair and thorough portrait Catholic Philly Excellent the story that Father Miscamble tells is an all American story the rise of a Catholic of relatively

modest background close to his immigrant roots to a place of prominence among the nation's elite Public Discourse

**Ethical Communication** Clifford G. Christians, John C. Merrill, 2013-02-15 Proponents of professional ethics recognize the importance of theory but also know that the field of ethics is best understood through real world applications This book introduces students and practitioners to important ethical concepts through the lives of major thinkers ranging from Aristotle to Ayn Rand John Stuart Mill to the Dalai Lama Some two dozen contributors approach media ethics from five perspectives altruistic egoistic autonomous legalist and communitarian and use real people as examples to convey ethical concepts as something more than mere abstractions Readers see how Confucius represents group loyalty Gandhi nonviolent action Mother Teresa the spirit of sacrifice Each profile provides biographical material the individual's basic ethical position and contribution and insight into how his or her moral teachings can help the modern communicator The roster of thinkers is gender inclusive ethnically diverse and spans a broad range of time and geography to challenge the misperception that moral theory is dominated by Western males These profiles challenge us not to give up on moral thinking in our day but to take seriously the abundance of good ideas in ethics that the human race provides They speak to real life struggles by applying to such trials the lasting quality of foundational thought Many of the root values to which they appeal are cross cultural even universal Exemplifying these five ethical perspectives through more than two dozen mentors provides today's communicators with a solid grounding of key ideas for improving discussion and attaining social progress in their lives and work These profiles convey the diversity of means to personal and social betterment through worthwhile ideas that truly make ethics come alive

*Between Science and Religion* Phillip M. Thompson, 2009-01-01 This book explores the Catholic Church's engagement with science and technology in the twentieth century by focusing on the important role of four prominent Catholic intellectuals representing the diverse intellectual currents of their generation The book unpacks both the challenges and rewards of pursuing such efforts between the Modernist crisis and the Second Vatican Council This study of these intellectuals suggests how the Church moved from conflict to dialogue in its relationship with science and technology

**African American Women's Rhetoric** Deborah F. Atwater, 2009-01-01 African American Women's Rhetoric is a comprehensive study of the ways in which African American women in politics education business and other social contexts have tried to persuade their audiences to value what they say and who they are Through detailed examinations of the rhetoric of a variety of women in important periods in American history Deborah Atwater reveals that African American women today who engage in speech in the public sphere such as Condoleezza Rice Barbara Jordan and others stem from an important lineage of active outspoken women
