Go Home! Rowan Hisayo Buchanan, 2018-02-19 An anthology of Asian diasporic writers musing on the notion of home Bold and devastating the very definition of reclamation The International Examiner Asian diasporic writers imagine home in the twenty first century through an array of fiction memoir and poetry Both urgent and meditative this anthology moves beyond the model minority myth and showcases the singular intimacies of individuals figuring out what it means to belong The notion of home has always been elusive But as evidenced in these stories poems and testaments perhaps home is not so much a place but a feeling one embodies I read this book and see my people see us and feel in our collective outsiderhood at home Ocean Vuong New York Times bestselling author of *On Earth We're Briefly Gorgeous* To be from nowhere is the state of Asian diaspora but there is also a wild humor and imagination that comes from being underestimated rarely counted hardly seen Here we begin to draw the hopeful outlines of a collective history for those so disparate yet often lumped together Jenny Zhang author of *My Baby First Birthday* Language allows for many homes and perhaps the writers and readers of the anthology too will succeed in returning home or finding a home through these words NPR.org Effectively dismantling all sorts of stereotypes Buchanan's anthology gives voice to notions of identity belonging and displacement that are much more vast complex and textually rich than mere geography Shelf Awareness Revolutionary for all the iterations of home it shows through fiction poetry and memoir sure to provoke a full range of emotions to swoon and clutch in my chest Literary Hub

faith and how gathering around the dinner table every evening can help keep these principles intact **You Can Go Home Again** Patricia Claggett French, 2011-02-24 This book is a compilation of stories and lifetime experiences over a seventy one year period in the author's life From World War II through the Space Age from childhood innocence through the adventures of adulthood All of this motivated by her desire for her children grandchildren and subsequent generations to see what she has seen and know her as a person I've always wished I had asked my grandmothers more questions about their lives I don't think I'm unique in that respect she says Its filled with humor history and simply the joy of living while striving to become the person you think you were meant to be **You Can Go Home Again** Charles Hays, 2012-09 This book is a work of fiction about a terrible coal mining accident that happened in Hazard Kentucky during the early 1980's The date of the accident was about 1982 plus or minus maybe three years It's hard to pin it down any better than that But I can tell you this much it occurred back when Catherine Bach was playing the role of Daisy Duke on a TV show called The Dukes of Hazzard What a beautiful woman she was when she walked across my TV screen Everything about her body was absolutely adorable and at the time she just took my breath away My protagonist in this particular tale is a man by the name of Caleb Baker He is a Houston widower who has nothing to do since the passing of his wife His lifelong friend is the Mayor of Hazard Honorable Herbert Ray Henry who wants him to return to the mountains where he was born and reared Henry wants it so bad that he has thrown in analytical laboratory and a staff of two talented people Baker's first case involves a coal mine explosion So you can go home again **You Can Go Home Again** Fred "Max" Roberts, 2008-03-28 You Can Go Home Again opens with a story of growing up black in the hostile and segregated South where even at nine years old Dave already realizes a striking difference between how black and white people are treated Daves parents are law abiding citizens and God fearing Christians but this is still the era of segregation with its rampant racism and a time when a black boy faces a dismal future Determined to beat the odds Dave holds tight to his dreams even while chafing against his loving but strict upbringing As soon as hes old enough he joins the Marines and begins to discover the world Upon his return from Japan he moves to Philadelphia and begins to discover life and learns the hard way that dreams dont always come true You Can Go Home Again Freds second book is the prequel to his first book The Delivery Man Go Big or Go Home Scotty McCreery, Travis Thrasher, 2016-05-03 Platinum award winning country music star Scotty McCreery shares his journey from North Carolina to American Idol and the top of the country music charts American Idol was just a simple singing competition that seemed fun to audition for Who knew what kind of doors it might open for a sixteen year old from Garner North Carolina Go Big or Go Home is the story of a kid with country songs in his soul Daring to enter the limelight at a young age Scotty found himself embraced by the nation and even overseas as he competed on season 10 of American Idol In Go Big or Go Home Scotty shares his journey from his North Carolina roots to winning America's most popular singing competition and launching the musical career he had always dreamed of Along the way Scotty teaches us What it means to have an uncompromising faith

The power of dreaming big The importance of embracing your God given talents Join Scotty as he shares a glimpse of where he came from and the impact his faith family and friends have had on a humble guy who keeps asking Why me Praise for Go Big or Go Home Revealing touching and often humorous Go Big or Go Home takes fans behind the scenes of Scotty McCreery's journey so far and pulls back the curtain on American Idol and the music industry while McCreery navigates the tricky waters of instant fame with grace insight and above all gratitude for the gifts he has been given Melinda Newman music journalist Being an artist takes you out of your comfort zone and thrusts you into the world Some of what you experience you are prepared for and some of it you aren't To quote the country music prophet Aaron Tippin You've got to stand for something or you'll fall for anything Scotty McCreery stands for something You hear it in his voice You see it in his actions And you feel it in his songs This book outlines the wild ride he's been on being thrust into the world Josh Turner Grammy nominated and multiplatinum selling MCA recording artist and bestselling author **You Can't Go Home Again** Thomas Wolfe, 2011-10-11

Now available from Thomas Wolfe's original publisher the final novel by the literary legend that will stand apart from everything else that he wrote The New York Times Book Review first published in 1940 and long considered a classic of twentieth century literature A twentieth century classic Thomas Wolfe's magnificent novel is both the story of a young writer longing to make his mark upon the world and a sweeping portrait of America and Europe from the Great Depression through the years leading up to World War II Driven by dreams of literary success George Webber has left his provincial hometown to make his name as a writer in New York City When his first novel is published it brings him the fame he has sought but it also brings the censure of his neighbors back home who are outraged by his depiction of them Unsettled by their reaction and unsure of himself and his future Webber begins a search for a greater understanding of his artistic identity that takes him deep into New York's hectic social whirl to London with an uninhibited group of expatriates and to Berlin lying cold and sinister under Hitler's shadow He discovers a world plagued by political uncertainty and on the brink of transformation yet he finds within himself the capacity to meet it with optimism and a renewed love for his birthplace He is a changed man yet a hopeful one awake to the knowledge that one can never fully go back home to your family back home to your childhood away from all the strife and conflict of the world back home to the old forms and systems of things which once seemed everlasting but which are changing all the time **Get Right Church & Let's Go Home** Cassandra J. Snyder, 2008-05-23

Get Right Church and Let's Go Home is a book birthed from the spirit of God Just imagine sitting at the foot of the throne with pen and paper and God telling you why He is concerned for the body of Christ Just imagine God allowing you to feel His emotions for His people If you can just picture the cross and the price that was paid and how the price has become so insignificant to the Church then you can understand what this book is designed to accomplish The things written in this book come straight from the word of God The only way to dispute it is to dispute the word the truth I often tell my children that the truth is the truth whether you choose to accept it or not You can analyze it You can show what you think is a better way You can even convince

a nation that what you say is true but when Jesus Christ returns and declares the truth that will be it All issues will be settled all arguments will cease all those who are going to heaven will go and all those who are not will go to hell No it is not a damnation and hellfire book It is a book written out of love If God did not love us He would not bother to reach us He could just allow us to continue in this world s deception and end up where many of us are now separated from Him The words get right let us know that it is not too late This book is just a warning to let the Church and the world know that time is not on our side Time is insignificant to God but it means everything to us When time ends it ends Everyone will go to heaven once some to be judged and some to be welcomed home This book is designed to help you get home You Go Home Make More Money and Come Back Edwin M.
