Go Ahead Jump The Life Story Of Billy Schneider:

Go Ahead, Jump! Joanne Schneider, 1997 At the end of his rope after years of drug abuse and arrests Billy Schneider made national news when he climbed to the top of the George Washington Bridge 450 feet above the Hudson River Thus began a journey that would lead Billy on a quest that ended in a saving faith Now the impact of Billy s stunning presentations in high schools across the nation must be seen to be believed Here is his miraculous story recorded even as Billy struggles with cancer and AIDS consequences of his checkered past *The George Washington Bridge* Michael Aaron Rockland, 2020-01-17 Since opening in 1931 the George Washington Bridge linking New York and New Jersey has become the busiest bridge in the world with 103 million vehicles crossing it in 2016 Many people also consider it the most beautiful bridge in the world yet remarkably little has been written about this majestic structure Intimate and engaging this revised and expanded edition of Michael Rockland s rich narrative presents perspectives on the GWB as it is often called that span history architecture engineering transportation design the arts politics and even post 9 11 mentalities This new edition brings new insight since its initial publication in 2008 including a new chapter on the infamous Bridgegate Chris Christie era scandal of 2013 when members of the governor s administration shut down access to the bridge causing a major traffic jam and scandal and subsequently helping undermine Christie s candidacy for the US presidency Stunning photos from when the bridge was built in the late 1920s through the present are a powerful complement to the bridge s history Rockland covers the competition between the GWB and the Brooklyn Bridge that parallels the rivalry between New Jersey and New York City Readers will learn about the Swiss immigrant Othmar Ammann an unsung hero who designed and built the GWB and how a lack of funding during the Depression dictated the iconic uncovered steel beams of its towers which we admire today There are chapters discussing accidents on the bridge such as an airplane crash landing in the westbound lanes and the sad story of suicides off its span the appearance of the bridge in media and the arts and Rockland s personal adventures on the bridge including scaling its massive towers on a cable Movies television shows songs novels countless images and even PlayStation 2 games have aided the GWB in becoming a part of the global popular culture This tribute will captivate residents living in the shadow of the GWB the millions who walk jog bike skate or drive across it as well as tourists and those who will visit it someday *Charisma and Christian Life* ,1999 *Forthcoming Books* Rose Arny, 1998-04 *NRB* ,1998 **Billboard** ,1944-03-18 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Hollywood Reporter** ,2006 New York Magazine ,1987-01-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission
