Go For The Magic:

Go Magic Yourself J.J. Russell, From vampire hunter to otherworldly officer of the peace Imagine realizing that weird has levels and your new town is on expert mode If you think dealing with vampires and werewolves is tough try adding disgruntled gnomes and moody fairies to the mix Now that I ve figured out how to use the powers of the Artemis Necklace I m supposed to bridge the gap between humans and things that go bump in the night But let s just say my ancestors had it easier they only had to hunt the monsters not make them all get along Now with a shadowy presence stalking me and my trusty sidekick Ramble spooked I m starting to question my career choices To make matters worse it turns out Artemis isn t exactly the most trustworthy of allies Ready for a supernatural showdown I m not In the 3rd book in this paranormal mystery series Vianne discovers that wielding the Artemis Necklace s powers is only part of the battle in a world where trust can be the deadliest spell

don't unless you're reading the e-book version in which case throw away. There will be times when you'll face uncomfortable truths about yourself. You might cry. You might laugh. You might do both at the same time and worry about your sanity. But here's the thing that's all part of the process: Growth isn't always comfortable, but it's always worth it. And I promise you the view from the other side is spectacular. My Promise to You: As we embark on this journey together, here's what I promise you: I will be honest with you, even when it's uncomfortable. I will challenge you, but I will never leave you hanging. I will share real practical strategies that you can apply in your everyday life. I will respect your intelligence and won't sugar-coat things. I will do my best to make this journey not just enlightening but also enjoyable. Prepare for dad jokes and pop culture references. Are You Ready? So dear reader, are you ready to embark on this adventure? Are you ready to laugh, to cry, to grow, and to discover a version of yourself that's freer and more authentically you than you ever thought possible? **Magic Words** Craig

The perfect gift for fans of Florence the Machine, with additional lyrics, poems, and a new chapter of sermons. Songs can be incredibly prophetic, like subconscious warnings or messages to myself, but I often don't know what I'm trying to say till years later. Or a prediction comes true and I couldn't do anything to stop it, so it seems like a kind of useless magic. Pop's high priestess bares her soul in this candid collection of poems and lyrics. *Observer*: A treasure beautiful, generous in its honesty, by the end you feel as though you have climbed into the colourful and sometimes tortured world of a passionate artist.
