Chicago,1909 **The Dial** Francis Fisher Browne,1914 **The Open Court** Paul Carus,1911 **The Evolution of the Idea of God: An Inquiry Into the Origins of Religions** Grant Allen,2019-11-21 Grant Allen s groundbreaking work The Evolution of the Idea of God An Inquiry Into the Origins of Religions explores the development of religious beliefs from a historical and anthropological perspective With meticulous research and engaging prose Allen delves into the origins of different religions and their evolution over time Drawing on a wide range of sources he examines the ways in which human societies have conceptualized the divine shedding light on the complex interplay between culture psychology and spirituality This book is a must read for anyone interested in the history of religion and the evolution of human thought Allen s clear and insightful analysis makes this a valuable contribution to the field of religious studies By tracing the evolution of the idea of God Allen offers readers a deeper understanding of the beliefs that shape our worldviews and societies The Evolution of the Idea of God is a thought provoking and enlightening read that will challenge and inspire readers to think critically about the forces that have shaped religious beliefs throughout history [The Evolution of the Idea of God: an Inquiry Into the Origins of Religion](#) Grant Allen,1908 **Petre Tutea** Alexandru Popescu,2018-01-16 Petre Tutea 1902 91 was one of the outstanding Christian dissident intellectuals of the Communist era in Eastern Europe Revered as a saint by some he spent thirteen years as a prisoner of conscience and twenty eight years under house arrest at the hands of the Securitate This book explores his unique response to the horrors of torture and re education and reveals the experience of a whole generation detained in the political prisons Tutea s understanding of human needs and how they can be fulfilled even amidst extreme adversity not only reflects huge learning and great brilliance of mind but also offers a spiritual vision grounded in personal experience of the Romanian Gulag Following the fall of the Ceausescus he has begun to emerge as a significant contributor to ecumenical Christian discourse and to understanding of wider issues of truth and reconciliation in the contemporary world As Tutea s pupil and scribe for twelve years as a psychiatrist and as a theologian Alexandru Popescu is uniquely placed to present the

work of this twentieth century Confessor of the faith Drawing on bibliographical sources which include unpublished or censored manuscripts and personal conversations with Tutea and with other prisoners of conscience in Romania Popescu presents extensive translations of Tutea which make his thought accessible to the English speaking reader for the first time Through his stature as a human being and his authority as a thinker Petre Tutea challenges us to question many of our assumptions The choice he presents between sacrifice and moral suicide focuses us on the very essence of religion and human personhood Resisting any ultimate separation of theology and spirituality his work affirms hope and love as the sole ground upon which truth can be based At the same time hope and love are not mere ideal emotions but are known and lived in engagement with the real world in politics economics science ecol

"Fundamentalism" and the Word of God J. I. Packer, 1958-12 Fundamentalism is just a twentieth century name for historic Evangelicalism says Packer In this constructive restatement of evangelical principles he shows what Fundamentalism is and goes on to discuss the basic question dividing Fundamentalists and their critics the authority of Scripture

Man's Fate and God's Choice Bhimeswara Challa, 2021-06-29 Stagnate as a creepy caterpillar or transform into a beautiful butterfly this path breaking book of a rare genre suggests is the seminal choice before mankind and every one of us In this setting the book raises some fundamental questions What is man's rightful place in the cosmos and his manifest destiny on earth Why are we so self-righteously self-destructive Are we a doomed species Or divine beings struggling to overcome the hubris of the human intellect Is God getting weary of mankind How should we synergize human effort and Divine Grace The book posits that any betterment in human behavior needs a cathartic change at the deepest levels That requires diluting the dominance of the mind and reawakening the long dormant intelligence of the human heart To meet that challenge we need minimum numbers a critical mass to create self-sustained momentum for transformation through consciousness change And every single human of this generation should behave in such a way that he or she is that single person whose transformation could make the decisive species-scale difference The book offers a menu of ideas and an agenda of action This book could be itself become an input to mobilize that very critical mass it advocates for human transformation Well planned and cohesively written the book is noteworthy for its delightful blend of information and arguments and reveals the depth of the author's understanding of the human predicament This is a closely argued and thought-provoking book

The Hindu 13 Sept 2011 This book is a gripping exposition on human nature and self-transformation

without preference to religion Challa has critically provided a foundational argument for a deeper discussion of philosophical and practical ideals concerning self transformation harmonizing the head and the heart is the way for humans to function as spiritual beings Recommended by the USR The US Review of Books The author reflects upon the crisis of contemporary civilizations and outlines a blueprint for a new world order based on progressive spiritual values and change of human consciousness The strength of this treatise is the sweep of Challa s reach and his treatment of a vastly complex set of issues that bedevil humankind today India International Center Quarterly Summer 2012 As a thinker and erudite scholar the author has made a profound study of the world situation and the moral decadence of man This book deserves to be on the shelves of university college and public libraries Triveni Magazine July Sept 2011 It is difficult to pigeon hole this book as a prophetic discourse a journey into the human mind a guide for human survival a spiritual treatise It is an amalgam of all these and more the volume reaches out to those who are already uneasy about the way we on this earth are progressing The Book Review India June 2013 **The Knowledge of God, Subjectively Considered** Robert Jefferson Breckinridge,1859 Islam in Retrospect Maher S. Mahmassani,2014-07-27 RENEWING OUR UNDERSTANDING OF ISLAM IN TODAY S WORLD Islam in many of its current guises no longer resembles its original Message In a world of intractable conflicts plagued by political Islam and Islamophobia and where other forms of fundamentalism within the major religious creeds are on the rise as well this book serves as a reminder It aims to recover and reaffirm Islam s underlying and guiding principles Setting out to distinguish the divine from the human in order to elucidate the pristine nature of the divine Message Mahmassani reasserts Islam s universal secular and progressive character In Part One of this comprehensive and meticulously researched volume the author places the Message of Islam within its historic geographic and cultural contexts Focusing on the primacy of the Holy Qur an among the sources of Islam he examines the controversies which have surrounded the Prophetic Tradition Sunna and Hadith as a source of Islam demonstrating the full scope of Islam s universality In Part Two he goes on to clarify Islam s secular nature by reconsidering inherited beliefs about the relationship between Islam and the state and Islam and Sharia a law revealing Islam s inherent humanism This leads in Part Three to reflections on the progressive nature of Islam and on the importance of the role of the mind in understanding and taking full benefit of religion as an engine of progress In particular the author focuses on human rights including issues of human dignity freedom of faith and gender equality Islam in Retrospect Recovering the Message is a rich contribution to continuing efforts to reform perceptions of Islam Scholars and students in the fields of Islamic studies religion and the humanities teachers policy makers and general readers will find this carefully constructed sourcebook invaluable for its fresh outlook and approach to understanding Islam and Muslim Scriptures in the light of today s world As Mahmassani affirms Islam as a divine message has been and continuously remains perfect
