

# THE BEST ARGUMENT FOR GOD

PATRICK FLYNN

# God And Argument

**John Hick, Arthur C. McGill**

## God And Argument:

*The God Argument* A. C. Grayling, 2013-03-14 There has been a bad tempered quarrel between defenders and critics of religion in recent years Both sides have expressed themselves acerbically because there is a very great deal at stake in the debate This book thoroughly and calmly examines all the arguments and associated considerations offered in support of religious belief and does so in full consciousness of the reasons people have for subscribing to religion and the needs they seek to satisfy by doing so And because it takes account of all the issues its solutions carry great weight The God Argument is the definitive examination of the issue and a statement of the humanist outlook that recommends itself as the ethics of the genuinely reflective person Why There Is No God Armin Navabi, 2014-10-06 Science can't explain the complexity and order of life God must have designed it to be this way God's existence is proven by scripture There's no evidence that God doesn't exist God has helped me so much How could none of it be true Atheism has killed more people than religion so it must be wrong How many times have you heard arguments like these for why God exists Why There Is No God Simple Responses to 20 Common Arguments for the Existence of God provides simple easy to understand counterpoints to the most popular arguments made for the existence of God Each chapter presents a concise explanation of the argument followed by a response illustrating the problems and fallacies inherent in it Whether you're an atheist a believer or undecided this book offers a solid foundation for building your own inquiry about the concept of God

**Does God Exist?** W. David Beck, 2021-03-09 Does God exist In one incisive volume philosopher W David Beck offers a narrative of pre Christian Jewish Buddhist Christian and Islamic arguments for God's existence In this history of answers to an essential question readers will encounter both classical and contemporary arguments including cosmological teleological moral and ontological arguments

*The Existence of God* Richard Swinburne, 2004-03-25 Richard Swinburne presents a substantially rewritten and updated edition of his most celebrated book No other work has made a more powerful case for the probability of the existence of God Swinburne gives a rigorous and penetrating analysis of the most important arguments for theism the cosmological argument arguments from the existence of laws of nature and the fine tuning of the universe from the occurrence of consciousness and moral awareness and from miracles and religious experience He claims that while none of these arguments are deductively valid they do give inductive support to theism and that even when the argument from evil is weighed against them taken together they offer good grounds to support the probability that there is a God The overall structure of the discussion and its conclusion have been retained for this new edition but much has been changed in order to strengthen the argumentation and to take account of Swinburne's subsequent work on the nature of consciousness and the problem of evil and of the latest philosophical and scientific writing especially in respect of the laws of nature and the argument from fine tuning This is now the definitive version of a classic in the philosophy of religion The Existence of God. An Argument in Favor Cole

Lindsay, 2016 Polemic Paper from the year 2016 in the subject Theology Miscellaneous grade 12 language English abstract

There are hundreds of arguments for and against the case of the existence of God. This topic is very touchy for many scientists as they might believe that the existence of God would threaten the concrete truths of science but this is not the case. The existence of God is not only allowed within the realm of science but it logically fits in to the laws of science that we already have. For these reasons it is important to conduct research and show the evidence for the argument of the existence of God.

Arguments for the Existence of God John Hick, 1971

Arguing about Gods Graham Oppy, 2006-09-04

In this book Graham Oppy examines arguments for and against the existence of God. He shows that none of these arguments is powerful enough to change the minds of reasonable participants in debates on the question of the existence of God. His conclusion is supported by detailed analyses of the arguments as well as by the development of a theory about the purpose of arguments and the criteria that should be used in judging whether or not arguments are successful. Oppy discusses the work of a wide array of philosophers including Anselm, Aquinas, Descartes, Locke, Leibniz, Kant, Hume and more recently Plantinga, Dembski, White, Dawkins, Bergman, Gale and Pruss.

The Apologetics of Joy Joe Puckett Jr., 2012-10-26

Among all the arguments for the existence of God there may be none more personal and intimate than C. S. Lewis's Argument from Desire. This book attempts to explain what the Argument from Desire is and why we believe that the argument is an inductively strong one. In the spirit of C. S. Lewis, Augustine and Pascal, this book invites both the head and the heart of the reader to consider the case for God's existence. While many arguments look out to the external world for evidence of God's existence, this book calls the reader to look inward to the human heart. While learning from classical thinkers, particularly C. S. Lewis, the Argument from Desire will bring both intuition and experience together to demonstrate the truth of divine presence in the world. The reader will walk away with either a newfound faith or a reinforced conviction that has a strong intellectual and experiential dimension.

**If God Exists** M. E. Stearn, 2017-05-11

When I was seven years old the nun teaching my Catechism class told us that Mary immaculately conceived Jesus. My mother immediately disabused me of this idea, stating unequivocally that Mary was just another fourteen-year-old who got pregnant, arguably and ironically planting the seed for this book. The theist belief that God exists as a conscious entity in some form other than that of matter or energy denies by definition the actual existence of God. Atheism denies the belief in God existing as a conscious entity. Neither theists nor atheists rely upon evidence to support their belief. This thesis proposes that God either exists or doesn't exist and belief does not change the ultimate fact. Syllogistically, if God exists, God exists as some form of matter or energy and God is infinite by definition and since matter and energy can be neither created nor destroyed according to the Law of Conservation, God and matter and energy are identical and everything that exists in the cosmos is God. Omnideism proposes a logical explanation for the actual existence of God consistent with the laws of physics and theistic purpose for human existence if God exists.

**On God's Existence** John J. Pasquini, 2016-05-02

Philosophy and the advances in cosmology, neurology, molecular biology and the social sciences have made the convincing and converging arguments for God's existence more probable than ever in history.

On God's Existence is concise summary of these arguments as well as new arguments inspired by the advances of the sciences

**12 Arguments for the Existence of God** Caner Taslaman, 2020-10-04 Judgment on whether God exists or not has a profound impact on our perception of ourselves our beloved ones the earth and the entire universe Why do I exist Where did it all come from Why are we here What will happen to us after we die These and all similar ontological and existential questions have answers linked to this judgment The existence of God also brings about the important implications such as conscious creation of mankind and all beings meaning and purposefulness of existence and possibility of life after death if God wishes While reading this book always keep in mind that our main concern is this critical subject of the existence of God as the basis of all ontological and existential queries

**ARGUMENTS FROM THE UNIVERSE**

- 1 The Kalam Cosmological Argument
- 2 Argument from the Existence of Natural Laws
- 3 Argument from the Discoverability of the Universe
- 4 Argument from the Potentiality of the Universe
- 5 Argument from the Fine Tuning of the Physical Laws and Constants
- 6 Argument from the Fine Tuning of Physical Phenomena
- 7 Argument from Life's Design

**ARGUMENTS FROM HUMAN NATURE**

- 1 Argument from Natural Desires
- 2 Argument from Innate Morality
- 3 Argument from Reason
- 4 Argument from Will
- 5 Argument from Consciousness and Self

*36 Arguments for the Existence of God* Rebecca Goldstein, 2010-01-12 From the author of *The Mind Body Problem* a witty and intoxicating novel of ideas that plunges into the great debate between faith and reason At the center is Cass Seltzer a professor of psychology whose book *The Varieties of Religious Illusion* has become a surprise best seller Dubbed the atheist with a soul he wins over the stunning Lucinda Mandelbaum the goddess of game theory But he is haunted by reminders of two people who ignited his passion to understand religion his teacher Jonas Elijah Klapper a renowned literary scholar with a suspicious obsession with messianism and an angelic six year old mathematical genius heir to the leadership of an exotic Hasidic sect Hilarious heartbreaking and intellectually captivating *36 Arguments* explores the rapture and torments of religious experience in all its variety

**The God Argument** A. C. Grayling, 2013-03-26 A powerful argument for humanism as an alternative to organized religion by New York Times bestselling author A C Grayling one of the world's leading public intellectuals What are the arguments for and against religion and religious belief all of them right across the range of reasons and motives that people have for being religious and do they stand up to scrutiny Can there be a clear full statement of these arguments that once and for all will show what is at stake in this debate Equally important what is the alternative to religion as a view of the world and a foundation for morality Is there a worldview and a code of life for thoughtful people those who wish to live with intellectual integrity based on reason evidence and a desire to do and be good that does not interfere with people's right to their own beliefs and freedom of expression In *The Case Against Religion* Anthony Grayling offers a definitive examination of these questions and an in depth exploration of the humanist outlook that recommends itself as the ethics of the genuinely reflective person

**Contemporary Arguments in Natural Theology** Colin Ruloff, Peter Horban, 2023-01-26 Revisiting the classical arguments for the existence of God Further

directions in natural theology      **The Hiddenness Argument** J. L. Schellenberg, 2015 1 Some Basic Tools 2 A Conceptual Map 3 Why So Late to the Show 4 The Main Premise 5 Add Insight and Stir 6 Nonresistant Nonbelief 7 Must a God Be Loving 8 The Challenge Coda After Personal Gods      **The Many-Faced Argument** John Hick, Arthur C. McGill, 2009-04-24 The Many Faced Argument presents a compilation of essays on the ontological argument for the existence of God covering responses to Anselm's position in the first half and in the second half covering developments of the argument in the context of modern philosophy Along with contributions by editors Hick and McGill other writers include Karl Barth Andre Hayden Anselm Stolz Bertrand Russell Jerome Shaffer Gilbert Ryle Aime Forest Norman Malcolm and Charles Hartshorne While interest in the the ontological argument has arisen from various disciplines historical theological and philosophical the purpose of this book is to bring these varied writings together so that scholars and students within each discipline may have contributions from other fields readily available      **The Best Argument against God** G. Oppy, 2013-07-23 compares two theories Naturalism and Theism on a wide range of relevant data It concludes that Naturalism should be preferred to Theism on that data The central idea behind the argument is that while Naturalism is simpler than Theism there is no relevant data that Naturalism fails to explain at least as well as Theism does      Dieu Et L'argumentation Philosophique William Sweet, 1999 Given the challenge of anti realism anti foundationalism and post modernism is rational argument concerning religious belief still possible This collection provides a broad range of perspective on the contemporary discussion of the place of argument in philosophical discussion on God and more generally on religious belief Bilingual edition      **The Many-Faced Argument** John Hick, Arthur C. McGill, 2009-04-24 The Many Faced Argument presents a compilation of essays on the ontological argument for the existence of God covering responses to Anselm's position in the first half and in the second half covering developments of the argument in the context of modern philosophy Along with contributions by editors Hick and McGill other writers include Karl Barth Andre Hayden Anselm Stolz Bertrand Russell Jerome Shaffer Gilbert Ryle Aime Forest Norman Malcolm and Charles Hartshorne While interest in the the ontological argument has arisen from various disciplines historical theological and philosophical the purpose of this book is to bring these varied writings together so that scholars and students within each discipline may have contributions from other fields readily available      *Irreligion* John Allen Paulos, 2007-12-26 A lifelong unbeliever finds no reason to change his mind A good natured primer for infidels from the bestselling author of Innumeracy Kirkus Reviews Are there any logical reasons to believe in God Mathematician and bestselling author John Allen Paulos thinks not In Irreligion he presents the case for his own worldview organizing his book into twelve chapters that refute the twelve arguments most often put forward for believing in God's existence The latter arguments Paulos relates in his characteristically lighthearted style range from what might be called golden oldies to those with a more contemporary beat On the playlist are the first cause argument the argument from design the ontological argument arguments from faith and biblical codes the argument from the anthropic principle the moral universality

argument and others Interspersed among his twelve counterarguments are remarks on a variety of irreligious themes ranging from the nature of miracles and creationist probability to cognitive illusions and prudential wagers Special attention is paid to topics arguments and questions that spring from his incredulity not only about religion but also about others credulity Despite the strong influence of his day job Paulos says there isn't a single mathematical formula in the book He's done it again John Allen Paulos has written a charming book that takes you on a sojourn of flawless logic with simple and clear examples drawn from math science and pop culture At journey's end Paulos has left you with plenty to think about whether you are religious irreligious or anything in between Neil deGrasse Tyson

## **God And Argument Introduction**

In the digital age, access to information has become easier than ever before. The ability to download God And Argument has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download God And Argument has opened up a world of possibilities. Downloading God And Argument provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading God And Argument has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download God And Argument. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading God And Argument. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading God And Argument, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download God And Argument has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About God And Argument Books

1. Where can I buy God And Argument books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a God And Argument book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of God And Argument books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are God And Argument audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read God And Argument books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
