God and Caesar on the Potomac Robert F. Drinan, 1985-01-01 God and Caesar on the Potomac Robert F. Drinan, 1985 *How the Republicans Stole Religion* Bill Press, 2010-02-17 For decades Press argues conservatives have defined religion so narrowly that Democrats and liberals have been pushed outside the fold According to their narrow gospel God put George W Bush in the White House to deal with gays guns and abortion and those who don t agree are on the sure road to hell How the Republicans Stole Religion is Press s fervent call for the left to reclaim religion and return it to its basic principles of social justice charity and tolerance **The Death Penalty** James J. Megivern, 1997 A comprehensive history of the death penalty in the West that provides more material on capital punishment in Western Christian history than is available in any other work in English *How the Republicans Stole Christmas* Bill Press, 2005-10-11 In the wake of an election seen by many as a triumphant victory for moral values political commentator and one time seminarian Bill Press launches a counteroffensive against the so called religious right For decades Press argues conservative preachers such as Jerry Falwell Pat Robertson and James Dobson joined by most Catholic bishops have defined religion so narrowly that Democrats and liberals have been pushed outside the fold According to their narrow gospel God put George Bush in the White House to deal with gays guns and abortion and those who don t agree are on the sure road to hell Bill Press says it s time to take religion back Who gave this gang the inside track on religion anyway The way I read the Gospels Jesus was as liberal as Paul Wellstone He sure as hell wouldn t have been a registered Republican One other thing s for sure if Jesus ever came back to earth there s one gang he wouldn t hang out with and that s this phony bunch of pious puffed up preachers who wear religion on their sleeves How the Republicans Stole Christmas is also Press s fervent call to Democrats and liberals to reclaim religion and return it to its basic principles of social justice charity and tolerance Press argues that the Right didn t just steal religion the Left let them have it offering no resistance as conservatives dictated what s right and what s wrong But on today s social issues according to Press religious conservatives have gotten it all wrong They have turned Jesus from a loving Messiah who championed the poor and dispossessed into a cold blooded advocate for the rich and powerful Press does not confine his criticisms to so called Christian leaders he uncovers the same wrong headed tendencies in other faiths and among nonbelievers who even today cling to the Old Testament as an appropriate code of behavior Centuries of Heritage Thomas Michael Scott, A family history book of Robert Scott and Eileen McGovern Covering the families of Scott Fremont Bruneau Gregory Flanagan McGovern and Kelly Also includes photos and maps The Age of Impeachment David E. Kyvig, 2008 A Bancroft Prize winning historian chronicles the modern history of impeachment and the shift in American politics and constitutional culture revealed by its evolving interpretation and use **Presidents and Presidencies in American History** Jolyon P. Girard, 2019-10-07 This innovative encyclopedia explores the life and times of America s forty five presidents from the first

administration to that of Donald Trump Forty five men have served as President of the United States since George Washington swore the oath of office in 1789 in New York City Some have proved exceptional leaders and others have not Some have faced serious crises both foreign and domestic Franklin Roosevelt was elected to four terms leading the country through a major economic depression and a world war while one held the office for only a single month Each however played a key role in the evolution of United States history Each of their histories therefore remains a critical civics lesson to consider This four volume encyclopedia provides an expansive analysis of the life and times of each United States president in chronological order from George Washington to Donald Trump Each chapter includes a timeline a biographical sketch a historical overview and an analytical essay concerning the president and his presidency Each also includes a substantial selection of related primary documents presenting important presidential speeches and correspondence A suggested reading list for further study of each president rounds out each entry

Bob Drinan Raymond A. Schroth, 2010-12-01 Raymond Schroth's Bob Drinan The Controversial Life of the First Catholic Priest Elected to Congress shows that the contentious mixture of religion and politics in this country is nothing new Four decades ago Father Robert Drinan the fiery Jesuit priest from Massachusetts not only demonstrated against the Vietnam War he ran for Congress as an antiwar candidate and won going on to serve for 10 years Schroth has delved through magazine and newspaper articles and various archives including Drinan's congressional records at Boston College where he taught and also served as dean of the law school and has interviewed dozens of those who knew Drinan to bring us a life sized portrait The result is a humanistic profile of an intensely private man and a glimpse into the life of a priest politician who saw advocacy of human rights as his call Drinan defined himself as a moral architect and was quick to act on his convictions whether from the bully pulpit of the halls of Congress or from his position in the Church as a priest to him they were as intricately woven as the clerical garb he continued to wear unapologetically throughout his elected tenure Drinan's opposition to the Vietnam War and its extension into Cambodia his call for the impeachment of President Richard Nixon he served on the House Judiciary Committee which initiated the charges his pro choice stance on abortion legally not morally his passion for civil rights and his devotion to Jewish people and the well being of Israel made him one of the most liberal members of Congress and a force to be reckoned with But his loyalty to the Church was never in question and when Pope John Paul II demanded that he step down from office he did so unquestioningly Afterward he continued to champion the ideals he thought would make the world a better place He didn't think of it in terms of left and right as moral architect he saw it in terms of right and wrong This important book doesn't resolve debate about issues of church and state but it does help us understand how one side can inform the other if we are listening It has much to say that is worth hearing
