**The God-Man** J.D. Williams, 2019-01-29 For those who truly desire a comprehensive understanding of the exigency of the incarnation centrality of the cross and the sine qua non of the resurrection This is a must read Dr Williams brilliantly weaves together orthodox theology with practical application resulting in a work meaty enough for the scholar yet digestible and building for the everyday church goer Bishop Donald Clay Petra International Ministries Pittsburg PA This book is an important contribution to the 21st century Christian community It presents a strong unapologetic biblical methodical argument of The God Man Jesus based on Scripture with strong visual illustrations As such ministers and lay persons would greatly appreciate and benefit biblically and theologically in regards to the natures and function of The God Man Therefore I strongly encourage and recommend everyone to read this book which presents a clear succinct understanding of The God Man De Lafayette Awkward Princeton Theological Seminary M Div Th M Hebrew University of Jerusalem ABD Pastor of New Lots Community Church Reformed Church in America In 451 the Council of Chalcedon meet and confirmed that Christ had two natures one divine and the other human Over the centuries the concept of the God Man has confused intrigued and escaped the logic of theologians preachers and students In his book *The God Man* Elder J D Williams seeks to explain his concept through comprehensive exploration and exposition Elder Williams has provided an excellent text that includes research sermons and illustrations that are designed to enlighten the mind while providing further dialogue among those who wish to gain a deeper understanding of the term the God Man Rev Dr Carl L Washington Jr Pastor New Mount Zion Baptist Church Former Moderator United Missionary Baptist Association President Empire Baptist Missionary Convention Dr J D Williams is a profound pedagogue who s deep and contemplative studies are captured within these pages His insightful perspective regarding the revelation of the mystery between God and Christ is a must read for all in search of a more weighty theological enlightenment Bishop Eric R Figueroa Sr Presiding Prelate New Life Covenant Fellowship Senior Pastor New Life Tabernacle *God, Man, and Mortality* Hasan Horkuc, 2015-04-07 *God Man Mortality* is a collection of essays written both by seasoned and by up and coming scholars working the field known as Nursi studies The aim of these essays is to hold a mirror up to Nursi s teachings on a number of issues just as Nursi held a mirror up to the teachings of the Qur an The scope is broad covering subjects such as Divine immanence and transcendence human spirituality and man s role as Divine vicegerent Divine determining and free will and human conscience as evidence of the existence of God The topics presented by the authors are unashamedly theocentric in nature discussions on politics and legal theory are conspicuous by their absence We benefit from the depth of awareness that the contributors clearly have of Nursi s teachings and his place in

the Muslim academe as well as from their lucid expository styles and strong authorial voices

**The Image of God in Man** David Cairns,1953

*The God/Man/World Triangle* R. Crawford,1997-10-06 Why is there a world Does it reflect the presence of God in any way Did the world spontaneously come into existence or is there a creator How will it end Does God Exist Do religions give a coherent view of His existence and nature Can we enter into relation with Him Robert Crawford tries to answer these and other questions by arguing that religion and science complement one another and while they use different sources and methods insights can be gleaned from both concerning our nature the world and God Major attention is given to Christianity because modern science arose in that context but the discussion includes the teachings of five other religions in the hope that we can also learn from them
