The Truth About Material Wealth: Is It God'S Blessing in Disguise? Revd Dr Gabriel J. Anan PhD,2015-11-23 The text of this book reveals the fact that because of poverty in our world theres a desire for every being to accumulate material possessions therefore the temptation to pursue this cause of action can never be underestimated regardless of our belief in the Lord God Regardless of the desire to be wealthy however many believers still ascertain the fact that poverty must be encouraged as part of our faith in Jesus Christ our Lord They support the argument from the biblical text thus For it is easier for a camel to go through the eye of a needle than for a rich person to enter the kingdom of God Luke 18 25 Conversely other believers assert that God does not refute richness and therefore also affirms their belief with the biblical verse that says in the Proverbs 22 7 that the rich rule over the poor and the borrower is servant to the lender In Ecclesiastes 5 19 we hear further thus When God gives any man a wealth and possessions and enables him to enjoy them to accept his lot and be happy in his workthis is a gift of God Furthermore we hear from 1 Samuel 2 7 that the Lord makes poor and makes rich he brings low and he exalts These biblical verses indicate the fact that God raises both the rich and the poor The Good News Bible in giant print expands this verse to mean the Lord makes some men poor and others rich He humbles some and makes others great 1 Sam 2 7 Deducing from these texts we can come to some kind of understanding that further reflection on both sides of the arguments is fundamentally in demand for an in depth illumination of how to live within the grace of the Living God
