Strong Prayer, Strong Man: The Transforming Power of Balanced Prayer Richard W,2006 **GOD** J Carl LANEY,

The Complete Works George MacDonald,2022-11-13 In The Complete Works George MacDonald offers an extensive collection of his literary masterpieces encompassing poetry novels and fairy tales that delve into themes of spirituality morality and the power of imagination MacDonald s writing is characterized by its lyrical prose and deep philosophical underpinnings often reflecting the influence of Romanticism and early Victorian beliefs His narratives frequently intertwine the fantastical with the moral inviting readers to traverse realms where the ethereal meets the tangible making this collection not just a showcase of his literary talent but a significant exploration of human experience and divine grace George MacDonald 1824 1905 was not only a novelist but also a fervent theologian whose religious convictions deeply informed his prose He is often regarded as a precursor to modern fantasy literature influencing prominent figures such as C S Lewis and J R R Tolkien MacDonald s experiences in the Scottish Highlands and his embrace of Christian Universalism shaped his narrative vision allowing him to portray both the struggles and redemptive arcs of his characters in profoundly relatable ways The Complete Works is highly recommended for both the casual reader and the scholarly enthusiast offering a rich tapestry that reflects the depth of human experience through the lens of divine love and wonder This collection serves as an essential entry point to understanding the evolution of fantasy literature and the theological paradigms that informed MacDonald s groundbreaking work **Knowing God to Make Him Known** Ed Scheuerman,2021-04-20 Christians are all too familiar with the dichotomy between being a Mary sitting at Jesus feet and being a Martha being active in ministry We have been told that before we can do we first need to be And this is well and good But it is insufficient Before we can be we first need to know We need to know who God is God s attributes so that we can then be who we are intended to be in Christ Only then should we seek to do what he has called and equipped us to do for his glory This book focuses on knowing God in his many attributes so that we can become conformed to his image in order to do what he s called us to do to bring the gospel to the world **A View Worth Teaching** Tim Tyler,2014-08-21 This commentary is not based on other commentaries It is an attempt to dare to see Jesus as he said he is Care has been taken to remain monotheistic Liberty has been taken to view women as equal to men something that hasnt been successfully done in any culture since Jesus walked the earth We have dared to look with fresh eyes at the Bible especially the gospel of John and assume nothing that is based solely on Christian tradition This is a viewthere are many views This one demands thinking and challenges the way we have been influenced to think about the Bible You may not agree with everything you read here but if you read the entire commentary you will never read the Bible the same again Interestingly the very first word Jesus said in his public ministry was the Greek word that means change your thinking DANIEL DEFOE Ultimate Collection: 50+ Adventure Classics, Pirate Tales & Historical Novels - Including Biographies, Historical Works, Travel Sketches, Poems & Essays (Illustrated)
