**The Hills** P.A. Nelson, 2013-05-02. *The Hills* is a true story experienced and told to me over the years by my mother, Beth. This story about my mother's childhood began in Lepanto, Arkansas, and ended in Concrete, Washington. There was a lot of pathos, happiness, and learning about life that we don't see in our families today. Mother's first seven years were spent in a little 2-bedroom house in Arkansas where she learned family values. The second part of her journey in growing up was three weeks spent in a Model A crossing the United States in a move to improve the quality of their lives. Upon arrival in Concrete, Washington, her family settled into a situation where they had a much nicer lifestyle for a time. It is a true story of how families were making it in the Big Depression.
