Editors Of Writers Digest Books,2008-07-01 2009 Poet s Market will give you all the information necessary to research markets and submit your poetry for publication In addition to market listings you ll find guidance for preparing and submitting manuscripts identifying markets relating to editors and more Plus the book includes additional listings for conferences workshops organizations for poets print and online resources and the latest trends in poetry writing and publishing **Common Precedents** Ayelet Ben-Yishai,2015 Reading major novels by George Eliot Anthony Trollope and Wilkie Collins Common Precedents shows that precedential reasoning enjoyed widespread cultural significance in the nineteenth century as a means of preserving a sense of common history values and interests in the face of a new heterogeneous society Enabling the recognition of the new and its assimilation as part of a continuous past Ayelet Ben Yishai argues that the binding force of precedent also functions as the binding element of an always shifting commonality pulling it together in the face of rupture and dispersion By appearing to bring the past seamlessly into the present the form of legal precedent became vital to the preservation of a sense of commonality and continuity crucial to the common law and Victorian legal culture But the impact of precedent extended beyond legal practices and institutions to the culture at large and especially to its fiction Ben Yishai argues that understanding the structure of precedent also explains fictional form how fictionality works its epistemology and the ways in which its commonalities are socially constructed maintained and reified

The United States Catalog ,1904 Thematic Guide to Biblical Literature Nancy M. Tischler,2007-04-30 The Bible has had a tremendous influence on world history and culture but it is largely unfamiliar to many students This book relates the Bible to a wide range of literary works commonly read by students and thus helps students understand these texts as well as the cultural and historical contexts surrounding them Included are chapters on 20 themes such as creation family and friends love and marriage the hero war and death and the afterlife Each chapter discusses the biblical significance of the theme provides scriptural quotations and citations and explores the biblical presence of the theme in literary works often read by students Each chapter cites works for further reading and the volume closes with a selected general bibliography **The Works of Jack London: Novels, Short Stories, Poems, Plays, Memoirs & Essays** Jack London,2023-11-26 In The Works of Jack London Novels Short Stories Poems Plays Memoirs Essays readers are invited to explore the multifaceted literary corpus of one of America s most influential writers This comprehensive compilation reflects London s mastery of narrative structure and vivid prose encapsulating themes of adventure survival and the human condition The collection spans diverse genres showcasing London s ability to intertwine rugged naturalism with deep psychological insights often set against the backdrop of the Alaskan wilderness and industrialized society His diction is rich and his urgency palpable offering a poignant critique of capitalism and an exploration of unvarnished human instincts Jack London born in 1876 was a trailblazer of the proletarian literature movement and a prominent figure in American literary history His experiences working in various labor

roles combined with his adventurous spirit and love for nature profoundly influenced his writing. Additionally, London's commitment to social change and dedication to portraying the plight of the working class adds depth and authenticity to his narratives, revealing his belief in the power of literature to inspire action. This compelling anthology is a must read for those seeking to understand the breadth of London's ambition and the historical context that shaped his worldview. Whether you are a seasoned admirer or new to his work, this collection offers invaluable insights into the complexities of human life and the struggles of existence in a rapidly industrializing world.
