Edgar Cayce On Reincarnation:

Reincarnation & Karma Edgar Cayce, 2006-07-11 Of the thousands of discourses Cayce gave these on reincarnation how and why it occurs with hundreds of examples and karma the nature of karmic reactions and how to resolve them in your life are the most popular and insightful Publisher's description **Edgar Cayce on Reincarnation** Noel Langley, 1969

Edgar Cayce on Reincarnation Noel Langley, Doris Agee, Edgar Cayce, W. H. McGary, Association for Research and Enlightenment, Inc. Staff, Harmon H. Bro, Hugh Lynn Cayce, 1989-06 This collection of case studies taken from the files of the late clairvoyant Edgar Cayce explores the concept of reincarnation in terms of the beliefs of Christianity Edgar Cayce on Reincarnation and Family Karma Kevin J. Todeschi, 2011-01-14 Life is a completely lawful experience because of the universal laws of reincarnation and karma that draw individuals together Rather than being some type of unavoidable destiny or a fate about which we can do very little the Edgar Cayce material instead sees karma as essentially an unconscious reservoir of information stored within the soul's memory Although this memory may draw certain events and individuals to one another personal free will and the way in which an individual responds to that memory determines her or his actual life experiences Drawing upon contemporary family relationships as well as family relationships for individuals who received guidance from Edgar Cayce this insightful volume examines the activities of reincarnation and karma especially as they play out in the dynamics of family relationships All individuals are brought together within their respective families as a means of learning specific lessons and having opportunities for personal soul growth In addition to examining the universal laws of reincarnation and karma this book illustrates the lawfulness of life the exacting nature of individual responsibility and the ever present hopefulness of personal free will In the end Edgar Cayce on Reincarnation and Family Karma makes an enormous contribution to demonstrating that life is a completely lawful experience that individuals can overcome whatever karmic lessons they seem to be faced with that free will is completely free and that God is truly as fair and as loving as we have always wished for our Creator to be **Edgar Cayce on the Reincarnation of Biblical People** Kevin J. Todeschi, 1999-11-01 Using quotes from the Cayce readings this book provides a thumbnail sketch of each biblical personality and presents an overview of that soul's past life experiences up until the time of the reading It also provides an understanding of how reincarnation works over time by detailing the similarities and parallels between incarnations

Edgar Cayce on Reincarnation and Family Karma Kevin Todeschi, 2021-10-15 Drawing upon contemporary family relationships as well as family relationships for individuals who received guidance from Edgar Cayce this insightful volume examines the activities of reincarnation and karma especially as they play out in the dynamics of family relationships All individuals are brought together within their respective families as a means of learning specific lessons and having opportunities for personal soul growth In addition to examining the universal laws of reincarnation and karma this book

illustrates the lawfulness of life the exacting nature of individual responsibility and the ever present hopefulness of personal free will In the end Edgar Cayce on Reincarnation and Family Karma makes an enormous contribution to demonstrating that life is a completely lawful experience that individuals can overcome whatever karmic lessons they seem to be faced with that free will is completely free and that God is truly as fair and as loving as we have always wished for our Creator to be
