# Edgar Allan Poe A Study In Genius

**Albert Bushnell Hart**

## **Edgar Allan Poe A Study In Genius:**

**Edgar Allan Poe, a Study in Genius** Joseph Wood Krutch,1926      *Edgar Allan Poe* Joseph Wood Krutch,1926

**Edgar Allan Poe** Joseph Wood Krutch,1965      *Jacques Lacan and the Adventure of Insight* Shoshana Felman,1987

Felman analyzes Lacan's investigation of psychoanalysis not as dogma but as an ongoing self-critical process of discovery. By focusing on Lacan's singular way of making Freud's thought new again, Felman shows how this moment of illumination has become crucial to contemporary thinking and has redefined insight as such.      **Edgar Allen Poe** Joseph Wood Krutch,1926

**The Afterlife of Edgar Allan Poe** Scott Peeples,2007 Scott Peeples here examines the many controversies surrounding the work and life of Poe, shedding light on such issues as the relevance of literary criticism to teaching, the role of biography in literary study, and the importance of integrating various interpretations into one's own reading of literature.      *Theory into Practice: A Reader in Modern Literary Criticism* Ryan Johnson,1992-08-25

Students of literary theory have been well provided for by the publication of various Readers in literary theory. However, the relation between theory and critical practice still presents a problem to the general reader. This book brings together essays by major critics which apply theory to practice in an accessible way. This will help a general literary readership gain a better understanding of the various types of theoretical criticism, see theory being applied to practice powerfully and persuasively, and encourage students to use theory in their own critical writing.      **Study Guide to the Major Works by Edgar Allan Poe** Intelligent

Education,2020-06-28 A comprehensive study guide offering in-depth explanation, essay and test prep for selected works by Edgar Allan Poe, a key figure in Romanticism. Titles in this study guide include *The Raven*, *The Fall of the House of Usher*, and *The Cask of Amontillado*. As an author of the nineteenth century, he is credited with creating detective fiction. Moreover, he was well known for his dark and haunting imagery throughout his works. This Bright Notes Study Guide explores the context and history of Edgar Allan Poe's classic work, helping students to thoroughly explore the reasons they have stood the literary test of time. Each Bright Notes Study Guide contains Introductions to the Author and the Work, Character Summaries, Plot Guides, Section and Chapter Overviews, Test Essay and Study Q&A. As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers, as well as topics for further research.      *Essential Papers on Literature and Psychoanalysis* Emanuel Berman,1993

In a draft attached to a letter to his friend and confidante Wilhelm Fliess, May 31, 1897, Freud develops an idea: The mechanism of fiction is the same as that of hysterical fantasies. He supports this thought with a brief analysis of the biographical sources of Goethe's *Werther*. A few months later, on October 15, 1897, Freud mails Fliess a detailed account of remembered events from his childhood that Freud believed underlined the universality of Oedipus Rex and Hamlet. Freud's foray into literature initiated the beginning of a new critical approach. In *Essential Papers on Literature and Psychoanalysis*

Emanuel Berman presents classic and contemporary papers written at the intersection of literature and psychoanalysis. In bringing these essays together, Berman traces the development of a discipline that has often been plagued by a polarization between self-confident single-minded psychoanalysts reading literature as a series of case studies and literary loyalists who cling to manifest content or to the declared intentions of the authors, accepting them at face value and depriving the work of its emotional complexity. Berman covers the full range of old and new perspectives and presents selections from today's mature phase. This collection includes papers by Sigmund Freud, Steven Marcus, Patrick J. Mahoney, Donald Spence, Otto Rank, Ernest Jones, Ernst Kris, Phyllis Greenacre, Florence Bonime, and Maryanne Eckardt, David Werman, Ellen Handler Spitz, Jacques Lacan, Shoshana Felman, Norman N. Holland, Roy Schafer, Meredith Anne Skura, Gail S. Reed, Francis Baudry, Rivka R. Eifermann, and Bennett Simon. **Edgar A. Poe; a Study** John Wooster Robertson, 1921 Genius of Darkness Lenore A. Reiss, 1990 Poe, Queerness, and the End of Time Paul Christian Jones, 2022-05-16. This book builds upon recent theoretical approaches that define queerness as more of a temporal orientation than a sexual one to explore how Edgar Allan Poe's literary works were frequently invested in imagining lives that contemporary readers can understand as queer as they stray outside of or aggressively reject normative life paths including heterosexual romance, marriage, and reproduction, and emphasize individuals' present desires over future plans. The book's analysis of many of Poe's best-known works, including *The Raven*, *The Fall of the House of Usher*, *The Black Cat*, *The Masque of the Red Death*, and *The Murders in the Rue Morgue*, show that his attraction to the liberation of queerness is accompanied by demonstrations of extreme anxiety about the potentially terrifying consequences of non-normative choices. While Poe never resolved the conflicts in his thinking, this book argues that this compelling imaginative tension between queerness and temporal normativity is crucial to understanding his canon.

*The Poe Encyclopedia* Frederick S. Frank, Tony Magistrale, 1997-03-25. Best known as the author of imaginative short fiction such as *The Fall of the House of Usher* and *The Cask of Amontillado*, and as the author of hauntingly sonorous poems such as *The Raven*, Edgar Allan Poe was a leading practitioner of the American Gothic and helped popularize the short story as a genre. This reference work assembles in dictionary format a complete and current body of information on Poe's life and work. More than 1900 entries cover all phases of Poe's art and literary criticism, his family relationships, his numerous travels and residences, and the abundance of critical responses to his works. Each entry provides bibliographical information, and the volume concludes with an extensive listing of works for further consideration. Best known for his mysterious and imaginative short fiction such as *The Fall of the House of Usher* and *The Cask of Amontillado*, as well as hauntingly sonorous poems such as *The Raven*, Edgar Allan Poe has secured a lasting place in the American literary canon. He was one of the first American authors to be given serious attention in Europe, and his works popularized the Gothic, the short story, and detective fiction in America. Poe's works are frequently studied in schools and colleges, but he also retains his appeal as one of America's most demanding popular authors. His works reflect his vast and sometimes arcane erudition, his probing insights into the workings

of the mind his theories of literature and aesthetics and his interest in science and the supernatural Through more than 1900 alphabetically arranged entries this reference book provides complete and current coverage of Poe s life and work Some entries treat Poe s known reading and his responses to literary contemporaries and international literary figures Others comment on the impact of various writers and literary traditions on Poe s imagination Still others address Poe s views on subjects ranging from Shakespeare to mesmerism to phrenology Each entry is supplemented by a bibliographical note which gives the basis for the entry and suggests sources for further investigation Each entry for Poe s fiction and poetry contains a critical synopsis and an extensive bibliography at the end of the volume lists the most important critical and biographical studies of Poe

**A History of American Biography, 1800-1935** Edward H. O'Neill, 2015-09-30 A survey and evaluation of the whole range of American biography from the earliest important lives to book of the present day

**The American Year Book** Albert Bushnell Hart, 1927

*Hitchcock and Poe* Dennis R. Perry, 2003-10-22 This study explores the aesthetic of Poe and Hitchcock in terms of a set of common obsessions techniques and genres The structure of the study revolves around Eureka Poe s explicit and allegorical treatise on the development of the universe Each chapter explores the similarities and differences between Poe s and Hitchcock s treatment of such issues as doubles the perverse voyeurism and romantic obsession While Hitchcock s films consistently mirror plots imagery and relationships within Poe s tales Perry also shows how Hitchcock s resistance to the traditional trappings of gothic tales sets his films apart from the works of Poe and gives them a unique touch

**Home study circle library ... the Minneapolis journal ed ,1900**

**The Literary Digest International Book Review** Clifford Smyth, 1923

Anthology of Magazine Verse William Stanley Braithwaite, 1915 Vol for 1958 includes Anthology of poems from the seventeen previously published Braithwaite anthologies

The Figures of Edgar Allan Poe Gero Guttzeit, 2017-05-08 The Figures of Edgar Allan Poe is the first study to address the rhetorical dimensions of Poe s textual and discursive practices It argues that Poe is a figure and figurer of the emergence of the modern understanding of literature in the early nineteenth century that resulted from the birth of the romantic author and the so called death of rhetoric Building on accounts of Poe as a skilled navigator of American antebellum print culture Gero Guttzeit reinterprets Poe as representative of the vital role that transatlantic rhetoric played in antebellum literature He investigates rhetorical figures of the author in Poe s critical writings tales poems and lectures to give a new account of Poe s significance for antebellum literary culture In so doing he also proposes a general rhetorical theory of theoretical poetical and performative figures of the author Beyond Poe studies the book intervenes in current debates on the romantic origins of the modern author and demonstrates that rhetorical theory offers new ways of exploring authorship beyond the nineteenth century
