Edge Of God:

Just the Edge of God Ardith Arnette Price, 2015-05-05 Take the journey from knowing Almighty God to seeking a meaningful relationship with Jehovah The publication provides real life examples to ponder Scriptural verses to help bond a relationship with Jesus Christ More Scriptures and references for the curious individual The book inspires hesitant individuals who have yet to devote themselves to Christ and uncertainties still linger concerning his teachings to pursue a more elevated standard of truth seeking **EGO: "Exalt God Only or Edge God Out?"** J. Glenn Linthicum, 2024-07-18

Christian believers are called to exalt God in each decision they make and in the manner in which they safeguard their covenant relationships When His people are obedient to His Word local congregations and interpersonal relationships thrive However when His people intentionally disobey His Word they edge God out and relationships suffer and the witness is diminished Through real life stories and illustrations the author shares examples of the pleasing witness which stands in contrast to the witness that hinders the Gospel There are solutions to slow and even stop the decline and God's Word shows the way **God at Your Wits' End** Marilyn Meberg, 2007-05-13 The good news about being at our wits end is that God

meets us there To be human is to spend some time at our wits end in confusion desperation pain and fear In that difficult place we long for a tangible visible sign that God hears our cries and is actively working for good in our lives But all too often faulty thinking erodes our faith and alters our beliefs causing us to ask If He loves me so much why do I hurt so much Am I being punished I thought I was forgiven Why is faith so hard What if I don't have enough Why does God allow suffering In God at Your Wits End Marilyn Meberg helps us cut through the mental clutter and confusion that lead to faulty thinking and shaky faith She tenderly acknowledges our trials by revealing her own wits end experiences then she points the way to rescue and respite by sharing the scriptural truths of God's enduring love and sovereign power **Faith on the Edge** Paul

Tokunaga, Kevin Blue, Amy Brooke, Robbie Fox Castleman, Bobby Gross, Jon Tran, 2009-09-20 Do you want to live for Jesus but struggle with what that means day by day The deep desire of our hearts to be close to God is so easily sidetracked by daily realities This book is designed to cover the areas of faith and life that you most want to bring together under God's leadership decision making dating and relationships racial reconciliation suffering experiencing God loving your parents emotional healing time management everyday evangelism hope for times of failure Following Jesus is a wild and wonderful journey It is perhaps the riskiest choice you will ever make And the most rewarding Come and see **Secrets of the Most Holy Place, Vol. 2** Don Nori, 2011-07-28 Heaven is my destination but it is not my destiny Many will reach their destination but few will achieve their destiny Prophetic parable matures into prophetic reality as His presence draws us into the realm of all God Here what we believe becomes what we experience and what we know becomes flesh in mere mortal man When we leave Egypt we leave the bondage we hate but when we leave the wilderness we must leave the sin we crave But He will not condemn what He has redeemed His Blood covers us until His Power delivers us This book is not for the casual reader It is

for those who hunger not for education but for reality not for religion but for Him The world awaits the love of a people who know they are forgiven **"In the End, God"** John AT Robinson,2011-05-26 Death judgement heaven and hell these are the Four Last Things traditionally linked together under the heading of Eschatology In this book John Robinson examines them all with trenchancy and lucidity providing a new and vital understanding of how these themes relate to contemporary Christian life In the End God identifies a gap that exists in the treatment of eschatology within the Christian faith As Robinson points out eschatology had traditionally dealt with the last things in a way that is remote and removed from everyday life and Christianity and the goal of his book is to make eschatology fully relevant to the modern world Although it is commonly held that eschatology within modern Christianity is centred on the fact and moment of death Robinson shows that the true nature of eschatology is something quite different It is not about the last things after everything else but rather is about the relation of all things to the last things or as it were about the lastness of all things Revealing the foundation of biblical eschatology to be the experience of God by the community of faith Robinson calls readers to embrace the eschatological vision of the Bible but to do so in a way that is alert to its mythic character In the course of these explorations he also lays bare his own theology of universal salvation However contrary to what one may expect this universalism is one that seeks to take both human freedom and the reality of hell with the utmost seriousness This special edition of John A T Robinson s classic text also includes an extended introductory essay by Professor Trevor Hart of the University of St Andrews and an exchange between Robinson and Thomas F Torrance first published in 1949 in the Scottish Journal of Theology

The Power of God , Reformed Theology in America David F. Wells, 1985 Modern Reformed Theology In America Has shown astonishing variety in its expression Grouped under the name Reformed are in fact five diverse traditions the Princeton theology Westminster Calvinism the Dutch schools Southern Reformed thought and Neoorthodoxy This book provides penetrating analysis of these five traditions and the two leading theologians of each The result is an important advance in our understanding of what being Reformed has meant and what it should now mean in the late twentieth century Publisher **The Character of God** Thomas E. Jenkins, 1997-12-04 Educated people have become bereft of sophisticated ways to develop their religious inclinations A major reason for this is that theology has become vague and dull In The Character of God author Thomas E Jenkins maintains that Protestant theology became boring by the late nineteenth century because the depictions of God as a character in theology became boring He shows how in the early nineteenth century American Protestant theologians downplayed biblical depictions of God's emotional complexity and refashioned his character according to their own notions stressing emotional singularity These notions came from many sources but the major influences were the neoclassical and sentimental literary styles of characterization dominant at the time The serene benevolence of neoclassicism and the tender sympathy of sentimentalism may have made God appealing in the mid 1800s but by the end of the century these styles had lost much of their cultural power and increasingly came to seem flat and vague Despite this both liberal and conservative theologians clung to these characterizations of God throughout the twentieth century Jenkins argues that a way out of this impasse can be found in romanticism the literary style of characterization that

supplanted neoclassicism and sentimentalism and dominated American literary culture throughout the twentieth century. Romanticism emphasized emotional complexity and resonated with biblical depictions of God. A few maverick religious writers such as Harriet Beecher Stowe, W. G. T. Shedd, and Horace Bushnell did devise emotionally complex characterizations of God, and in some cases drew directly from romanticism. But their strange and sometimes shocking depictions of God were largely forgotten in the twentieth century. s use theological as a pejorative term implying that an argument is needlessly. Jenkins urges a reassessment of their work and a greater understanding of the relationship between theology and literature. Recovering the lost literary power of American Protestantism, he claims, will make the character of God more compelling and help modern readers appreciate the peculiar power of the biblical characterization of God.

Thoughts on Death and Immortality Ludwig Feuerbach, 2023-07-28. Never translated before. *Thoughts on Death and Immortality* was the first published work of Ludwig Feuerbach (1804-1872). The scandal created by portrayal of Christianity as an egoistic and inhumane religion cost the young Hegelian his job, and to some extent his career. Joining philosophical argument to epigram, lyric, and satire, the work has three central arguments: first, a straightforward denial of the Christian belief in personal immortality; second, a plea for recognition of the inexhaustible quality of the only life we have; and third, a derisive assault on the posturings and hypocrisies of the professional theologians of nineteenth-century Germany. Never translated before. *Thoughts on Death and Immortality* was the first published work of Ludwig Feuerbach (1804-1872). The scandal created by portrayal of Christianity as an egoistic and inhumane religion cost the young Hegelian his job, and to some extent his career.

Grace, Predestination, and the Permission of Sin Taylor O'Neill, 2019. *Grace, Predestination, and the Permission of Sin* seeks to analyze a revisionist movement within Thomism in the 20th century, over and against the traditional or classical Thomistic commentatorial treatment of physical premotion, grace, and the permission of sin, especially as these relate to the mysteries of predestination and reprobation. The overarching critique leveled by the revisionists against the classic treatment is that Bañezian scholasticism had disregarded the dissymmetry between the line of good God's causation of salutary acts and the line of evil God's permission of defect and sin. The teaching of St. Thomas is explored via intimate consideration of his texts. The thought of St. Thomas is then compared with the work of Domingo Báñez and the foremost Bañezian of the 20th century, Reginald Garrigou Lagrange. The work then shifts to a consideration of the major players of the revisionist treatment, including Francisco Marín Sola, Jacques Maritain, and Bernard Lonergan. Jean Herve Nicolas is also taken up as one who had held both accounts during his lifetime. The work analyzes and critiques the revisionist theories according to the fundamental tenets of the classical account. Upon final analysis, it seeks to show that the classical account sufficiently distances God's causal role in regard to free salutary acts and His non-causal role in regard to free sinful acts. Moreover, the revisionist account presents significant metaphysical problems and challenges major tenets of classical theism, such as the divine omnipotence, simplicity, and the exhaustive nature of divine providence. Finally, the implications of the traditional view are

considered in light of the spiritual life It is argued that the classical account is the only one which provides an adequate theological foundation for the Church's robust mystical and spiritual tradition and in particular the abandonment to divine providence
