Edgecombe County Vol 2 Images Of America:

Edgecombe County Monika S. Fleming, 1997-08-01 Edgecombe County is a unique combination of beautiful pastoral scenery and strong interesting people Communities like Pinetops Whitakers Speed Leggett and Conetoe provide an excellent insight into the struggles and triumphs of traditional American small towns In this highly anticipated second volume you will explore the social identity of Edgecombe County by taking visual tours of several historic neighborhoods schools and churches As with any successful region Edgecombe Countys greatest resource is its people for the area has provided a wealth of talented citizens to the political arena military battlefronts the playing fields of professional sports and the artistic community This collection of images also honors the countless men and women who persevered through the countys periods of war depression and natural disaster and continued to support one another in times of need and adversity North

Forthcoming Books Rose Arny, 2003 **Gaston County, North Carolina, in the Civil War** Robert C. Carpenter, 2016-04-27 Civil War histories typically center on the deeds of generals and sweeping depictions of battle This unique study of one Southern county s war experience tells of ordinary soldiers and their wives mothers and children slaves farmers merchants Unionists and deserters through an examination of tax records The recently discovered 1863 Gaston County North Carolina tax list provides a detailed economic and social picture of a war weary community recording what taxpayers owned cataloging slaves by name age and monetary value and assessing luxury items Contemporary diaries letters and other previously unpublished documents complete the picture describing cotton mill operations the lives of slaves political disagreements rationales for soldiers enlistments and desertions and economic struggles on the home front **The Washingtons. Volume 5, Part 1** Justin Glenn, 2014-09-05 This is the fifth volume of Dr Justin Glenn s comprehensive history that traces the Presidential line of the Washingtons Volume One began with the immigrant John Washington who settled in Westmoreland Co Va in 1657 married Anne Pope and became the great grandfather of President George Washington It continued the record of their descendants for a total of seven generations Volume Two highlighted notable family members in the next eight generations of John and Anne Washington s descendants including such luminaries as General George S Patton the author Shelby Foote and the actor Lee Marvin Volume Three traced the ancestry of the early Virginia members of this Presidential Branch back in time to the aristocracy and nobility of England and continental Europe Volume Four resumed the family history where Volume One ended and it contained Generation Eight of the immigrant John Washington s descendants Volume Five now presents Generation Nine including more than 10 000 descendants Future volumes will trace generations ten through fifteen making a total of over 63 000 descendants Although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives These in

turn strive to convey the greatness of the family that produced not only The Father of His Country but many others great and humble who struggled to build that country ADVANCE PRAISE I am convinced that your work will be of wide interest to historians and academics as well as members of the Washington family itself Although the surname Washington is perhaps the best known in American history and much has been written about the Washington family for well over a century it is surprising that no comprehensive family history has been published Justin M Glenn s *The Washingtons A Family History* finally fills this void for the branch to which General and President George Washington belonged identifying some 63 000 descendants This is truly a family history not a mere tabulation of names and dates providing biographical accounts of many of the descendants of John Washington who settled in Westmoreland County Virginia in 1657 Each individual section is followed by extensive listings of published and manuscript sources supporting the information presented and errors of identification in previous publications are commented upon as appropriate John Frederick Dorman editor of *The Virginia Genealogist* 1957 2006 and author of *Adventurers of Purse and Person* Decades of reviewing Civil War books have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible Dr Glenn surely meets that standard with the meticulous research that unveils the Washington family in gratifying detail many of them Confederates of interest and importance Robert K Krick author of *The Smoothbore Volley that Doomed the Confederacy and Stonewall Jackson at Cedar Mountain* **Protection of Environment, Part 52, Vol. 2 of 2** U S Office of the Federal

time taking us inside Deering's glamorous Miami estate Vizcaya an Italianate mansion worthy of Gatsby himself Later we meet her other notable employers including Samuel Insull president of Chicago Edison New York banker S W Straus and real estate developer Fred F French Altemus was also a struggling single mother a fact she had to keep secret from her employers and she reveals the difficulties of being a working woman at the time through glimpses into women's apartments their friendships and the dangers sexual and otherwise that she and others faced Throughout Altemus entertains with a tart and self-aware voice that combines the knowledge of an insider with the wit and clarity of someone on the fringe Big Bosses stands as a real contribution to our understanding of the history of working women in Jazz Age America The Wall Street Journal Remarkable Altemus recounts the wildest indiscretions of her employers between 1918 and 1925 Booklist
