The Development of Infant Education in Ireland, 1838-1948 Maura O'Connor, 2010 This is a historical analysis of the development of infant education in Ireland It spans the the period from the opening of the Model Infant School in Marlborough Street Dublin to the introduction of the child centred curriculum for infant classes in 1948

Ascendancy Women and Elementary Education in Ireland Eilís O'Sullivan, 2017-06-30 This book outlines the lives of six female members of the Irish Ascendancy and describes their involvement with educational provision for poor children in Ireland at the end of the long eighteenth century It argues that these women were moved by empathy and by a sense of duty and that they were motivated by political considerations pragmatism and especially religious belief The book highlights the women's agency and locates their contribution in international and literary contexts and by exploring sources and evidence not previously considered it generates an enhanced understanding of Ascendancy women's involvement with the provision of elementary education for poor Irish children This book will appeal to scholars and researchers in the fields of Education and History of Education It will also have broad appeal for those interested in Gender and Women's Studies in Georgian Ireland and in the history of Ascendancy families and estates

Imagining the Irish child Jarlath Killeen, 2023-02-07 This book examines the ways in which ideas about children childhood and Ireland changed together in Irish Protestant writing of the seventeenth and eighteenth centuries It focuses on different varieties of the child found in the work of a range of Irish Protestant writers theologians philosophers educationalists politicians and parents from the early seventeenth century up to the outbreak of the 1798 Rebellion The book is structured around a detailed examination of six versions of the child the evil child the vulnerable innocent child the political child the believing child the enlightened child and the freakish child It traces these versions across a wide range of

genres fiction sermons political pamphlets letters educational treatises histories catechisms and children s bibles showing how concepts of childhood related to debates about Irish nationality politics and history across these two centuries

Francis Ysidro Edgeworth Lluís Barba, 2010-01-01 This is a welcome biography of Edgeworth Peter Groenewegen Economic History Review Barba s book is bound to become the bibliographical reference on Edgeworth Alberto Baccini Storia del Pensiero Economico This biography is especially welcome in providing a considerable amount of fresh information about Edgeworth s life and background From the preface by John Creedy University of Melbourne Australia Lluís Barba has recreated the background and life of Francis Ysidro Edgeworth through a fascinating reconstruction that succeeds in shaping the first detailed biography ever published of this major economist and statistician Originating from previously unexplored letters and documents stored in archives and registers in Ireland England and Catalonia Edgeworth s relationships with his academic fellows including Sully Jevons Marshall Galton Pearson Walras Pantaleoni Fisher Pareto Keynes are meticulously depicted Stemming from undiscovered primary sources this book also reveals a detailed insight into the academic world of the period 1875 1925 in the fields of economics and statistics With a descriptive survey of Edgeworth s work this book will prove a captivating read for academics and postgraduate students in economic analysis the history of economic thought and the history of statistics Anyone with an interest in Francis Ysidro Edgeworth s life should also read this book **Mobilising**

Classics Fiona Dukelow, Orla O'Donovan, 2013-01-18 The terms patriarchy institutional racism sustainable development and alienation may be familiar but this familiarity is often removed from the analytical contexts in which these ideas emerged This book provides a series of rich reflections on the interaction between the radical ideas associated with these and other authors and political action in Ireland The classic texts that comprise the focal point for each chapter were selected by the contributors many of whom straddle the boundaries of academia and activism Each essay provides an account of the contributor s personal encounters with the text opens up the key mobilising ideas and considers how the text has the potential invigorate the political imagination of contemporary oppositional politics This book will be of interest to students in the social sciences especially sociology and Irish studies and will appeal to those interested or involved in political activism of any variety

A Dictionary of Educational Biography Charles William Bardeen, 1901 *The Prime of Life* Steven Mintz, 2015-04-07 By drawing on 400 years of social and economic history the book presents a thoughtful and thorough guide through the life stages Library Journal Adulthood today is undergoing profound transformations Men and women wait until their thirties to marry have children and establish full time careers occupying a prolonged period in which they are no longer adolescents but still lack the traditional emblems of adult identity People at midlife struggle to sustain relationships with friends and partners to achieve fulfilling careers to raise their children successfully and to age gracefully The Prime of Life puts today s challenges into new perspective by exploring how past generations navigated the passage to maturity Whereas adulthood once meant culturally prescribed roles and relationships the social and economic convulsions of the last sixty years

have transformed it fundamentally tearing up these shared scripts and leaving adults to fashion meaning and coherence in an increasingly individualistic culture Emphasizing adulthood s joys and fulfillments as well as its frustrations and regrets Mintz shows how cultural and historical circumstances have consistently reshaped what it means to be a grown up in contemporary society A triumph of historical writing The Spectator Mintz s message that there are many ways to wear the mantle of responsible adulthood and that the 1950s model is a mere blip on history s radar is deeply necessary and long overdue New York Times Book Review Describing the cultural economic and social changes from the Colonial era to today s world Mintz argues that neither religious nor secular middle class values are adequate responses to the new generation s problems Choice A thoughtful and strangely encouraging tour of an often difficult life stage Kirkus Reviews Dictionary of National Biography Sir Leslie Stephen, Sir Sidney Lee, 1903 **The History of Sandford and Merton** Thomas Day, 2009-11-13 Among the earliest novels written about children for children The History of Sandford and Merton was enormously popular for a century and a half after its first publication in 1783 9 The novel is Enlightenment for beginners offering a course of education in class race and gender to its six year old protagonists the robust farm boy Harry Sandford and Tommy Merton the spoiled boy from the big house Sandford and Merton offers entertaining and practical lessons in manners masculinity and class politics This Broadview Edition includes the original illustrations along with contemporary reviews and other material on childhood by John Locke Thomas Day Jean Jacques Rousseau and others The British National Bibliography Arthur James Wells, 2005 The Tulira Trilogy of Edward Martyn, 1859-1923, Irish Symbolist Dramatist Jerry Nolan, 2003 The Tulira Trilogy was the creation of the dreaming landlord of Tulira Castle County Galway Edward Martyn It explores the Irish national dream in a tragic mode which no other Irish dramatist of the period attempted After a century of neglect the plays are examined afresh in this new edition with a scholarly introduction which proposes a fundamental revaluation of Edward Martyn as an Irish symbolist dramatist **Dictionary of National Biography: Index and Epitome**, 1903 *The Oxford Companion to Children's Literature* Daniel Hahn, Michael Morpurgo, 2015 The last thirty years have witnessed one of the most fertile periods in the history of children s books A fascinating reference guide to the world of children s literature this volume covers every genre from fairy tales to chapbooks school stories to science fiction comics to children s hymns The Encyclopaedia Britannica Thomas Spencer Baynes, William Robertson Smith, 1890 **Bibliographic Guide to Education** 2003 GK Hall, 2004-10 The Bibliographic Guide to Education lists recent publications cataloged during the past year by Teachers College Columbia University supplemented by publications in the field of education cataloged by The Research Libraries of The New York Public Library selected on the basis of subject headings Non book materials including theses are included in this Guide with the exception of serials All aspects and levels of education are represented in this Guide including such areas as American elementary and secondary education higher and adult education early childhood education history and philosophy of education applied pedagogy international and comparative education educational administration education

of the culturally disadvantaged and physically handicapped nursing education and education of minorities and women Also well covered are the administrative reports of departments of education for various countries and for U S states and large cities The Teachers College collection covers over 200 distinct educational systems Works in all languages are included The Bibliographic Guide to Education serves in part as an annual supplement to the Dictionary Catalog of the Teachers College Library Columbia University G K Hall Second Supplement 1973 Third Supplement 1977 *The Eighteenth Century* Kevin L.
