Empowering Subaltern Voices Through Education Urmee Chakma,2023-02-28 Based on a four year long empirical study this book employs contemporary theories from the Global South to investigate the role of education in the experience of migration and settlement of the Chakma people of Bangladesh in the city of Melbourne Australia Exploring the migration opportunities taken up by the Chakma and their efforts to retain promote and enrich their ethnic identity in Australia the book critically examines the importance of education for ethnic linguistic and religious minorities and the extent to which education helped the diasporic community in achieving a better and more secure life It also positions education as a tool to help revive maintain and enrich the importance of culture and tradition both in the home country and in the place of settlement and offers a theorisation of how the self directed pursuit of education can create opportunities for minority peoples to advocate human rights Indigenous recognition and criticise a state s failure to provide safety and security This book will be of interest to academics and postgraduate students researching in the fields of education diaspora studies Indigenous studies and migration studies **The Catholic Charities Review** ,1921 Includes book reviews **The Project Share Collection, 1976-1979** Project Share,1979 **Drama Education and Dramatherapy** Clive Holmwood,2014-06-05

Dramatherapy is increasingly being used in schools and educational establishments as a way of supporting young people s emotional needs This book examines the space between drama education and Dramatherapy exploring the questions Does a therapist teach When does the role of the drama teacher border on that of therapist How do these two professions see and understand each other and the roles they play In Drama Education and Dramatherapy Clive Holmwood draws on his experience as a Dramatherapist and examines the history of drama education and Dramatherapy exploring the social political

therapeutic and artistic influences that have impacted these two professions over the last century He also discusses how these fields are intrinsically linked and examines the liminal qualities betwixt and between them The book considers two specific case studies from the therapist s and teacher s perspectives discussing what happens in the drama class and therapy space including how the dramatic form is understood explored and expressed both educationally and therapeutically The them and us mentality which often exists in two different professions that share a common origin is also explored The book contemplates how teachers and Dramatherapists can work collaboratively in the future bringing down barriers that exist between them and beginning a working dialogue that will ultimately and holistically support the children and young people they all work with This book will be of interest to those involved in using drama in an educational or therapeutic context including drama teachers arts therapists teachers of arts therapy and researchers within wider arts applied arts and educational faculties within colleges and universities
