

# Educational Purposes

The purpose of education, it might be said, is to increase the number of literate, knowledgeable citizens, or to produce sufficient numbers of doctors, lawyers, civil servants, engineers and the like.

Here the reference is to valuable ends which lies outside the actual practice of education, social, political or economic ends.

To ask the purpose or purposes of education is to think of it as a device designed to bring about external goods, skilled workers, executive, and professionals.
