Egypt And The Sudan:

Egypt and the Sudan Gabriel R Warburg, 2018-10-24 This title makes an important contribution to our understanding of British rule in the Nile Valley with special relevance to the important role of the Sudan in Anglo Egyptian relations until 1956 It examines British policy in Egypt in some detail and compares the relative importance of the Middle East and North Africa in shaping Egypt's regional policy since the advent of Muhammad Ali **England, Egypt, and the Sudan** Henry Duff

Traill, 1900 **Egypt and the Sudan** Karl Baedeker (Firm), 1908 **Egypt and the Struggle for Power in Sudan** Rami Ginat, 2017-08-24 For decades the doctrine of the Unity of the Nile Valley united Egyptians of a variety of political and nationalist backgrounds Many Egyptians regarded Sudan as an integral part of their homeland and therefore battled to rid the entire Nile Valley of British imperialism and unite its inhabitants under the Egyptian crown Here Rami Ginat provides a vital and important revised account of the history of Egypt's colonialist struggle and their efforts to prove categorically that the Nile Valley constituted a single territorial unit These were clustered around several dominant theoretical layers history geography economy culture and ethnography This book for both Middle Eastern and African historians uses a mixture of Arabic and English sources to critically examine the central stages in the historical development of Egypt's doctrine concentrating on the defining decade 1943-1953 that first witnessed both the pinnacle of the doctrine's struggle and the subsequent shattering of a consensual nationalist dream **The Juristic Status of Egypt and the Sudan** Vernon Alfred

Egypt and the Hinterland to the Re-opening of the Sudan Frederic Walter Fuller, 1903 **England, Egypt, and the Sudan (Classic Reprint)** Henry Duff Traill, 2015-09-27 Excerpt from England Egypt and the Sudan The land of Egypt has been from time immemorial the temptation and the spoil of the conqueror Its singular fertility its defenceless position and the weakness of a native race of inhabitants whom it has never been possible until quite recent years to organise for the purposes of self protection have attracted by turn every powerful military people in its neighbourhood whether European Asiatic or African The long history of its Ancient and Middle and New Empires is the history of successive conquests and dominations now by African potentates and communities dwelling to the South and now by subjugated races who rose against their conquerors Asia and afterwards Europe have subjected her to the same experience When Persia was a power overshadowing Eastern Europe Egypt fell under her yoke and when after two hundred years of Persian rule the third Darius came into collision with the all conquering king of Macedon Egypt passed from Asiatic into European hands The ascent of Home to the lordship of the Western World was the signal for another change in her rulers and four centuries of Ptolemies

Jankowski, 2002 During the crucial decade of the 1950s in Egypt both Gamal Abdel Nasser and the idea of Arab nationalism were assuming more and more influence in Egypt and the greater Arab world Exploring this phenomenon James Jankowski also offers important insights into the political context in which Nasser maneuvered Jankowski focuses on the period from the 1952 Revolution in Egypt to the dissolution of the short lived union of Egypt and Syria in 1961 and on the outlook and actions of Nasser the dominant figure in Egypt's new revolutionary regime Concisely and convincingly he identifies the unique blend of ideological and practical considerations that led Egypt to a progressively deeper involvement in Arab nationalism He draws on newly available materials from the U S and British archives and on the memoir literature now available in Arabic to present a detailed reconstruction of this formative period in Egyptian political history Jankowski traces Egypt's and Nasser's movement from a peripheral to a central position in Arab nationalist politics *The Lands of Sunshine*, 1908 **Egypt in the Sudan, 1820-1881** Richard Hill, 1959
