Foda, 2019-12-15 Although alcohol is generally forbidden in Muslim countries beer has been an important part of Egyptian identity for much of the last century Egypt's Stella beer which only coincidentally shares a name with the Belgian beer Stella Artois became a particularly meaningful symbol of the changes that occurred in Egypt after British Occupation Weaving cultural studies with business history Egypt's Beer traces Egyptian history from 1880 to 2003 through the study of social economic and technological changes that surrounded the production and consumption of Stella beer in Egypt providing an unparalleled case study of economic success during an era of seismic transformation Delving into archival troves including the papers of his grandfather who for twenty years was CEO of the company that produced Stella Omar D Foda explains how Stella Beer achieved a powerful presence in all popular forms of art and media including Arabic novels songs films and journalism As the company's success was built on a mix of innovation efficient use of local resources executive excellence and shifting cultural dynamics this is the story of the rise of a distinctly Egyptian modernity seen through the lens of a distinctly Egyptian brand **Egypt**, 2005 **We Visit Egypt** Kathleen Tracy, 2012-10-30 Imagine living in a country covered almost entirely by an ocean of desert much of it filled with sand dunes carved into artistic swirls and patterns by the desert winds with some dunes rising 400 feet high Most of Egypt is made up of the Sahara the world's largest hot desert If not for the Nile Egypt would not be habitable and its civilization one of the oldest on earth dating back more than 5 000 years would have never developed Best known for its ancient pyramids mummies and other archaeological treasures modern Egypt is one of the most popular tourist destinations on earth It is a modern country with strong cultural social and religious ties to its rich historic past In this book you will travel through time from the days of the pharaohs to present day and meet the people experience the places and learn the history of this unique country **Egypt** John Bond Parker, Shahla Shapouri, 1993 **U.S. Policy Toward Egypt** United States.
