The Dreyfus Affair Piers Paul Read,2012-02-02 Intelligent ambitious and a rising star in the French artillery Captain Alfred Dreyfus appeared to have everything family money and the prospect of a post on the General Staff But his rapid rise had also made him enemies many of them aristocratic officers in the army s High Command who resented him because he was middle class meritocratic and a Jew In October 1894 the torn fragments of an unsigned memo containing military secrets were retrieved by a cleaning lady from the waste paper basket of Colonel Maximilien von Schwartzkoppen of the German embassy in Paris When French intelligence pieced the document back together to uncover proof of a spy in their midst Captain Dreyfus on slender evidence was charged with selling military secrets to the Germans found guilty of treason by unanimous verdict and sentenced to life imprisonment on the notorious Devil s Island The fight to free the wrongfully convicted Dreyfus over twelve long years through many trials is a story rife with heroes and villains courage and cowardice dissimulation and deceit One of the most infamous miscarriages of justice in history the Dreyfus affair divided France stunned the world and unleashed violent hatreds and anti Semitic passions which offered a foretaste of what was to play out in the long bloody twentieth century to come Today amid charged debates over national and religious identity across the globe its lessons throw into sharp relief the conflicts of the present In the hands of historian biographer and prize winning novelist Piers Paul Read this masterful epic of the struggle between a minority seeking justice and a military establishment determined to save face comes dramatically alive for a new generation

The Affair: The Case of Alfred Dreyfus Jean-Denis Bredin,2019-07-31 Co published by Plunkett Lake Press and George Braziller Inc On an autumn morning in 1894 Captain Dreyfus was summoned to appear for a routine inspection instead as he took down a letter dictated by a senior officer he was summarily accused of high treason So began a twelve year series of events that included his imprisonment on Devil s Island the publication of Emile Zola s passionate Accuse the Rennes retrial and the pardon and final rehabilitation of 1906 As the Dreyfus case turned into the Affair the history of a single military career came to display the conflicts that were tearing France apart military defeat anti Semitic furor and the place of traditional values in a country still reeling from the turbulence of the French Revolution Told with an historian s insight and a novelist s skill The Affair makes fascinating and informative reading about one of the most celebrated episodes in modern history There have been many books about the Dreyfus Affair but Jean Denis Bredin s book is one of the best of them lucid well organized informed by a fine sense of drama John Gross The New York Times a critically acclaimed study Michiko Kakutani The New York Times If one is limited to a single book about the Dreyfus case and its consequences this should be it Bredin has told this story with precision passion and a vivid sense of character The New York Review of Books A brilliant and fascinating book What is most remarkable about

The Affair is the skill and sensitivity with which the author places it in its essential historical setting It is also a gripping though terrible story superbly told The Atlantic This is the most judicious and absorbing account to date of the Dreyfus Case The Boston Globe This is certainly the best book on the Dreyfus case now available in the English language San Francisco Examiner Bredin is crystal clear in his gripping narrative of the complex case His tapestry glows with all the color of the Belle Epoque and its extravagances Chicago Sun Times There have been other books on the Affair but I can't imagine any of them coming even close to Bredin's work He is brilliant at placing the myriad elements of the Affair in context with verve and lucidity It should be a model for future historians San Francisco Chronicle *The Dreyfus Affair in French Society and Politics* Eric Cahm, 2014-07-15 The Dreyfus affair remains one of the most famous miscarriages of justice in modern times Eric Cahm's study does justice to the human drama whilst also throwing light on the wider society and politics of the Third Republic in the traumatic years after the Franco Prussian War This wide ranging survey the only short modern account in English anchors the Affair in its full social and political context Organised round a narrative of events it offers portraits of all the main characters substantial extracts from key sources in fresh translations a comprehensive bibliography and a detailed chronology *The Dreyfus Case* Émile Zola, 1898 **The Dreyfus Affair and the Rise of the French Public Intellectual** Tom Conner, 2014-05-08 While countless books have chronicled the wrongful conviction of French military officer Alfred Dreyfus his ensuing trials and his eventual exoneration this distinctive volume examines France's Dreyfus Affair 1894-1906 with a critical eye analyzing the actions of its main protagonists the rise of the public intellectual and the Affair's continued relevance After a brief overview of the events to establish the poisoned ideological climate of the day the work explores how intellectuals like Bernard Lazare Émile Zola and others contributed to the Affair defining both it and themselves in the process With mini portraits of the key players and a detailed chronology this telling book combines rigorous scholarship with cultural commentary to demonstrate the continued relevance of the example set by Dreyfus and his many supporters **The Dreyfus Affair** Martin P. Johnson, 1999-05-26 The Dreyfus Affair comprises attempted assassinations suicides perjury forgeries invective stunning reversals and abortive coups d'état involving the honour and destiny of an individual and of France It is also a mystery tale that reveals the preoccupations and divisions of France and Europe at the turn of the century At its centre is the unjust imprisonment upon Devil's Island of Captain Alfred Dreyfus a Jew convicted of a crime he did not commit who was in part the victim of an ancient prejudice As the gravest crisis of the Third Republic the Dreyfus Affair transformed French politics as a crucial episode in the history of racial nationalism it marked the transition from traditional to racial anti-Semitism and as an explosive struggle for human rights and judicial equity it for the first time engaged academics writers and artists as self-conscious intellectuals in French politics The Dreyfus Affair explores how the trial of one man became l'Affaire with all its consequences **The Dreyfus Case** Frederick Cornwallis Conybeare, 1898 *The Dreyfus Affair* Betty Schechter, 1965 A vivid account of the bitter conflict between justice and

prejudice sparked by the accusation and trial of Captain Dreyfus
