Eight Presidents And Indochina:

Eight Presidents and Indochina Peter A. Poole, 1978 *Eight Presidents and Indochina* Peter A. Poole, 1988 **The United States and the Vietnam War, 1954-1975** Louis Peake, 2007-11-13

The United States in the Vietnam War 1954 1975 is an invaluable reference guide to the costly and controversial war the U S waged in Vietnam over the course of five presidential administrations Focusing not only on the conflict in Southeast Asia but also on the tumult the war inspired on the domestic front Louis Peake provides an authoritative guide to the wide range of media available on the U S involvement in Vietnam From collections of art work and poetry about the soldiering experience to journalistic accounts of battles and military training films the entries consistently provide clear and concise descriptions allowing the reader to easily identify the value of any particular resource With revised and updated annotations and over 150 new entries this second edition of The United States in the Vietnam War 1954 1975 is an invaluable reference tool for researchers and students of the Vietnam War Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian

The OSS and Ho Chi Minh Dixee R. Bartholomew-Feis, 2006 Some will be shocked to find out that the United States and Ho Chi Minh our nemesis for much of the Vietnam War were once allies Indeed during the last year of World War II American spies in Indochina found themselves working closely with Ho Chi Minh and other anti colonial factions compelled by circumstances to fight together against the Japanese Dixee Bartholomew Feis reveals how this relationship emerged and operated and how it impacted Vietnam s struggle for independence Although the OSS did not bring Ho Chi Minh to power Bartholomew Feis shows that its apparent support for the Viet Minh played a significant symbolic role in helping them fill the power vacuum left in the wake of Japan s surrender Her study also hints that had America continued to champion the anti colonials and their quest for independence rather than caving in to the French we might have been spared our long and very lethal war in Vietnam Based partly on interviews with surviving OSS agents who served in Vietnam Bartholomew Feis s engaging narrative and compelling insights speak to the yearnings of an oppressed people and remind us that history does indeed make strange bedfellows

Historical Dictionary of United States-Southeast Asia Relations Donald E. Weatherbee, 2008-04-23 Southeast Asia consists of the countries of Brunei Burma Cambodia East Timor Indonesia Laos Malaysia the Philippines Singapore Thailand and Vietnam Historically U S policy and diplomacy with Southeast Asia is defined by U S interests in the region whether it s maintaining free lanes of communication through the South China Sea gaining access to the resources and markets of Southeast Asia or containing the spread of Communism Since World War II the U S has constantly been involved in conflicts in the region providing material and

financial support for France during the First Indochina War direct involvement in the Vietnam War providing support to Thailand during the Third Indochina War and the declaration that Southeast Asia is the second front in the war on terror after September 11 The Historical Dictionary of United States Southeast Asia Relations identifies the key issues individuals and events in the history of U S Southeast Asia relations and places them in the context of the complex and dynamic regional strategic political and economic processes that have fashioned the American role in Southeast Asia This is done through a chronology a bibliography an introductory essay appendixes and several hundred cross referenced dictionary entries on key persons places events institutions and organizations

Shadow on the White House David L. Anderson, 1993 Harry Truman's administration began searching for an American response to the clash in Indochina between French colonialism and Vietminh communism in 1945 Thirty years and five administrations later Gerald Ford and his aides tried unsuccessfully to solicit additional aid for South Vietnam from a reluctant Congress For Truman Ford and every American leader in between the dilemma in Vietnam hung ominously over the presidency In *Shadow on the White House* seven prominent historians examine how the leadership of six presidents and an issue that grew into a difficult and often unpopular war shaped each other Focusing on the personalities politics priorities and actions of the presidents as they confronted Vietnam the authors consider the expansion of presidential power in foreign policy formulation since World War II In their analyses they chronicle the history of executive leadership as it related to Vietnam assess presidential prerogatives and motives on war and peace issues and clarify the interconnection between the modern presidency and the nation's frustrating tragic and humiliating failure in Southeast Asia Although other histories have been written about the Vietnam experience this book is the first systematic and comparative survey on presidential leadership as it relates to the war issue It is organized by presidential administrations giving a detailed examination of each president's decisions and policies Based on the most recently opened archival sources the essays provide a framework on which to hang the kaleidoscopic events of the war Amazon.com

The American Presidency Fenton S. Martin, Robert Goehlert, 1987 Parameters, 1979 **Weekly Compilation of Presidential Documents**, 1972 **Foreign Relations of the United States, 1952-1954: Indochina** United States. Department of State, 1982 **JFK in the Senate: Pathway to the Presidency** John Shaw, 2013-10-15 Based on newly opened archives congressional historian and political insider John T Shaw sheds new light on JFK's term in the Senate

U.S. Presidents For Dummies Marcus A. Stadelmann, 2011-05-12 Forty three Americans have held the job of President of the United States Each has a story be it one of vision accomplishment conflict scandal triumph or tragedy And each story is at the center of the national story a part of what we all experience History buffs find endless fascination and a greater understanding of America today in the colorful personalities and momentous events that surround the Oval Office If you want the complete take on U S presidents from George Washington to George W Bush you'll appreciate *U S Presidents for Dummies* Written in a lively style by a history professor at the University of Texas this fun guidebook of chief executives is

packed with information factoids and memorable quotes Inside you ll find out which president Promised to only serve one term and kept his word Was a great person but a rotten president Campaigned on nothing but image in the nineteenth century May be the most underrated president in history Had his own distributor bringing liquor to the White House during Prohibition Appointed the first female cabinet member Pushed through the first civil rights legislation after the end of the Civil War Said of himself I am a man of limited talents from a small town I don t seem to grasp that I am president U S Presidents for Dummies offers a wealth of knowledge on what it takes to be the leader of the free world and who has stepped up to the challenge Dividing the ranks of presidents into chronological groups for a broader historical understanding of the office this book discusses The birth and evolution of the presidency Ineffective presidents Forgettable presidents Working up to the Civil War Reconstruction presidents Becoming a force in the world Instituting the Imperial Presidency Today s changing dynamics and the Presidency A treasury of information this book features an easy to comprehend style and sharp historical analysis Sidebars photos timelines and best and worst lists make U S Presidents for Dummies a historical blast to read and a must have for understanding the state of both yesterday s and today s union

How Presidents Test Reality John P. Burke, Fred L. Greenstein, 1989-09-19 Just as famines and plagues can provide opportunities for medical research the unhappy course of United States relations with Vietnam is a prime source of evidence for students of American political institutions How Presidents Test Reality draws on the record of American decision making about Vietnam to explore the capacity of top government executives and their advisers to engage in effective reality testing Authors Burke and Greenstein compare the Vietnam decisions of two presidents whose leadership styles and advisory systems diverged as sharply as any in the modern presidency Faced with a common challenge an incipient Communist take over of Vietnam presidents Eisenhower and Johnson engaged in intense debates with their aides and associates some of whom favored intervention and some of whom opposed it In the Dien Bien Phu Crisis of 1954 Eisenhower decided not to enter the conflict in 1965 when it became evident that the regime in South Vietnam could not hold out much longer Johnson intervened How Presidents Test Reality uses declassified records and interviews with participants to assess the adequacy of each president s use of advice and information This important book advances our historical understanding of the American involvement in Vietnam and illuminates the preconditions of effective presidential leadership in the modern world An exceptionally thoughtful exercise in what contemporary history ought to be Illuminates the past in a way that suggests how we might deal with the present and the future John Lewis Gaddis Burke and Greenstein have written what amounts to an owner s manual for operating the National Security Council This is a book Reagan s people could have used and George Bush ought to read Bob Schieffer The Washington Monthly

The Wars in Vietnam, Cambodia, and Laos, 1945-1982 Richard Dean Burns, Milton Leitenberg, 1984 Lists sources which discuss the history and causes of war in Indochina

Presidential Decisions for War Gary R. Hess, 2009-03-01 Following World War II Americans expected that the United States would wage another major war

against a superpower Instead the nation has fought limited wars against much weaker states such as North Korea North Vietnam and Iraq This revised and updated edition of *Presidential Decisions for War* analyzes the means by which four presidents have taken the nation to war and assesses the effectiveness of each president's leadership during those conflicts Gary Hess recreates the unfolding crises in Korea Vietnam and Iraq to probe the reasons why Presidents Truman Johnson George H W Bush and George W Bush and their advisors decided in favor of war He compares the performance of the commanders in chief and evaluates how effectively each understood U S interests explored alternatives to war adhered to constitutional processes and built congressional popular and international support A new conclusion points out that unlike the administrations of Truman Johnson and the elder Bush George W Bush's White House actively sought to change the international order through preemptive war and aggressive democracy building Fully revised and featuring an examination of how each of the presidents learned from history and juggled the demands on diplomacy this comparative study of presidential war making elucidates how effective executive leadership or its absence directly affects the outcome of wars

Mansfield and Vietnam Gregory A. Olson, 2012-01-01 *Mansfield and Vietnam A Study in Rhetorical Adaptation* is the first major work to examine the role played by Senate Majority Leader Mike Mansfield Democrat from Montana in the formulation and execution of U S Vietnam policy Drawing upon material from the Mansfield Papers personal interviews public speeches and recently declassified documents Olson traces Mansfield's journey from ardent supporter of Diem in the late 1950s to quiet critic of LBJ in the mid 1960s and finally to outspoken opponent of the Vietnam War in the late 1960s and early 1970s Olson focuses his attention on Mansfield's speaking ability and his use of the written word analyzing the ways in which they proved crucial in shaping the policies of the Eisenhower Kennedy Johnson Nixon and Ford presidential administrations He also examines the way personal and political situations converged to force Mansfield into the center of the stormy Vietnam controversy and eventually into a position of leadership in the campaign to end America's military presence in Southeast Asia To date little has been done to evaluate the roles played by key congressional figures in the Vietnam War debate thus *Mansfield and Vietnam* is bound to become a significant contribution not only to rhetorical studies but also to twentieth century diplomatic history and to the study of congressional presidential relations **Presidential Power** John P.

Burke, 2016-03-29 Presidential power is perhaps one of the most central issues in the study of the American presidency Since Richard E Neustadt's classic study first published in 1960 there has not been a book that thoroughly examines the issue of presidential power *Presidential Power Theories and Dilemmas* by noted scholar John P Burke provides an updated and comprehensive look at the issues constraints and exercise of presidential power This book considers the enduring question of how presidents can effectively exercise power within our system of shared powers by examining major tools and theories of presidential power including Neustadt's theory of persuasion and bargaining as power constitutional and inherent powers Samuel Kernell's theory of going public models of historical time and the notion of internal time Using illustrative examples

from historical and contemporary presidencies Burke helps students and scholars better understand how presidents can manage the public's expectations, navigate presidential-congressional relations and exercise influence in order to achieve their policy goals. *The United States and the Vietnam War: Leadership and diplomacy in the Vietnam War* Walter L. Hixson, 2000. These six volumes focus on the history and legacies of the Vietnam War on the basis of the best scholarly articles. The six volumes analyze respectively the origins of the Indochina wars, military strategy, the role of prominent individuals, the antiwar movement, the lessons of Vietnam and representations of the war in popular culture. A brief introduction accompanies each volume. V 1 Series Introduction. Committee Prints United States. Congress. House. Committee on Foreign Affairs, 1972. *Hearings, Reports and Prints of the House Committee on Foreign Affairs* United States. Congress. House. Committee on Foreign Affairs (1789-1975),

Eight Presidents And Indochina Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Eight Presidents And Indochina free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Eight Presidents And Indochina free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that

offer free PDF downloads on a specific topic. While downloading Eight Presidents And Indochina free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Eight Presidents And Indochina. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Eight Presidents And Indochina any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Eight Presidents And Indochina Books

1. Where can I buy Eight Presidents And Indochina books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Eight Presidents And Indochina book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
