**The Visual Worlds of Life Writing** Kerstin Maria Pahl, 2025-01-04 An Open Access edition is available The Visual Worlds of Life Writing brings into conversation the two most popular genres in long eighteenth century England portraits and biographies As key instruments of social formation when Britain was forging the nation Linda Colley they were wielded alike by Whigs and Tories the aristocracy and the commercial middle classes high class artists and grub street writers They were most persuasive however when used jointly portrait prints ideally accompanied by Brief Lives sold by the thousands National histories were re issued to include pictures Portraitists were required to stage their sitters as though taken from real life situations Embedded into such interplay between texts and images was an aesthetic claim doing biography was a multimedia enterprise Far from being just words on a page eighteenth century life writing came with frontispiece portraits illustrations or elaborate title pages Biographers directed their readers to existing portraits of their subjects to enhance the reading experience Portraits made of calligraphic writing blurred the boundaries between text and image As a thorough reassessment of visual culture s role in producing biographies this book offers an in depth analysis of the rhetorics of portraiture and life writing an historical account of their sister arts tradition and an inquiry into the social function of profiling people

**Difference and Disease** Suman Seth, 2018-06-07 Before the nineteenth century travellers who left Britain for the Americas West Africa India and elsewhere encountered a medical conundrum why did they fall ill when they arrived and why if they recovered did they never become so ill again The widely accepted answer was that the newcomers needed to become seasoned to the climate Suman Seth explores forms of eighteenth century medical knowledge including conceptions of seasoning showing how geographical location was essential to this knowledge and helped to define relationships between Britain and her far flung colonies In this period debates raged between medical practitioners over whether diseases changed in different climes Different diseases were deemed characteristic of different races and genders and medical practitioners were thus deeply involved in contestations over race and the legitimacy of the abolitionist cause In this innovative and engaging history Seth offers dramatically new ways to understand the mutual shaping of medicine race and empire

*The Oxford History of Historical Writing* José Rabasa, Masayuki Sato, Edoardo Tortarolo, Daniel Woolf, 2012-03-29 Volume III of The Oxford History of Historical Writing contains essays by leading scholars on the writing of history globally during the early modern era from 1400 to 1800 The volume proceeds in geographic order from east to west beginning in Asia and ending in the Americas It aims at once to provide a selective but authoritative survey of the field and where opportunity allows to provoke cross cultural comparisons This is the third of five volumes in a series that explores representations of the past from the beginning of writing to the present day and from all over the world

readers of the philosophical medical and historical discourses that framed the project of enlightenment **Hungarian Dances and Musical Life in Eighteenth-Century Vienna** Catherine Mayes, 2025-06-30 *Hungarian Dances and Musical Life in Eighteenth Century Vienna* is a social history of a unique facet of the Habsburg capital's diversity illuminating how it shaped everyday experiences individual and collective identities and boundaries of belonging from approximately 1750 to 1810 Each chapter presents a case study of Hungarian dances and their music in a particular setting at court and in its theaters in public sites of sociability and in domestic contexts with close attention to the mediating and intersecting effects of gender and class on personal and communal cross cultural experiences **Poole's Index to Periodical Literature: 1897-1902** William Frederick Poole, 1903 **Health Care and Popular Medicine in Nineteenth Century England** John Woodward, David Richards, 2025-07-01 Originally published in 1977 this book presents a selection of work by historians and sociologists on medicine and society in the 19th century It concentrates on practitioners and patients quackery and folk medicine as elements in the social cultural political and economic structure of the community at large The relevance of social history in medicine to the analysis of the role of medicine in society is discussed as well as the knowledge of sex and sexuality and the professionalisation of medicine Women and Spirituality in the Writing of More, Wollstonecraft, Stanton, and Eddy A. Ingham, 2010-07-19 This comparative study graphs the feminist theological trajectory of the religious writings of four eclectic but similar women Hannah More Mary Wollstonecraft Elizabeth Cady Stanton and Mary Baker Eddy *Haydn* David Wyn Jones, 2017-07-05 This volume brings together a selection of the most stimulating and influential writing on Haydn and his music in the English language Written by a range of established and younger scholars it probes a variety of aesthetic biographical compositional performance and reception issues A specially written introduction summarizes the significance of each essay directs the reader to appropriate complementary material and seeks the common ground between the essays to assist with consistent referencing the individual essays retain their original pagination This representative compendium of Haydn research provides the opportunity to explore the intellectual diversity of recent scholarship and is an indispensable publication for students of Haydn whether new or old amateur or professional The Eighteenth-Century Novel and the Secularization of Ethics Carol Stewart, 2016-03-23 Linking the decline in Church authority in the late seventeenth and early eighteenth centuries with the increasing respectability of fiction Carol Stewart provides a new perspective on the rise of the novel The resulting readings of novels by authors such as Samuel Richardson Sarah Fielding Frances Sheridan Charlotte Lennox Tobias Smollett Laurence Sterne William Godwin and Jane Austen trace the translation of ethical debate into secular and gendered terms Stewart argues that the seventeenth century debate about ethics that divided Latitudinarians and Calvinists found its way into novels of the eighteenth century Her book explores the growing belief that novels could do the work of moral reform more effectively than the Anglican Church with attention to related developments including the promulgation of Anglican ethics in novels as a response to challenges to Anglican practice and authority An increasingly

legitimate genre she argues offered a forum both for investigating the situation of women and challenging patriarchal authority and for challenging the dominant political ideology Backgrounds to Restoration and Eighteenth-Century English Literature ,1989-02-21 In this time of proliferating scholarship one of the most welcome publications is this intelligently selected and annotated bibliography of secondary material Understanding the value of selectivity Spector has limited his entries to books and significant articles Perhaps because of his avowed interest in redefining the period he has been careful to include articles on historiography and critical method which apply to the eighteenth century He has not however slighted the older works of twentieth century scholarship A valuable resource not only to students of literature and related fields but to anyone interested in learning about the eighteenth century Analytical philosophy science aesthetics education and language in addition to literary criticism The author begins with a thoughtful examination of the history of Restoration eighteenth century scholarship Divided into 22 subject categories the bibliography presents annotated listings of existing bibliographic sources and noteworthy books and articles published since the late 1920s This authoritative new work allows the reader to explore the cultural climate that influenced the activity of writing and to understand the complex forces that shaped the period and its literature The bibliography is an appropriate choice for literary reference collections in academic and public libraries Metals and Monies in an Emerging Global Economy Arturo Giráldez,2022-03-01 The literature on early modern monetary history is vast and rich yet overly Eurocentric This book takes a global approach It calls attention to the fact that for example Japan and South America were dominant in silver production while China was the principal end market key areas for transshipment included Europe and Africa India and the Middle East Europeans were often just middlemen Other monetized substances gold copper and cowries must also be viewed globally The interrelated trades in metals and monies are what first linked worldwide markets and disequilibrium within the silver market in the 16th and 17th centuries was an active cause of this global trade **The Haydn Economy** Nicholas Mathew,2022-08-30 Introduction Ringing coins Haydn and the city Media motion connection Commerce interest objects work value Commerce Importation of Haydn Warehouse aesthetics Mobility and credit A resonant world New addresses Music before the click Interest Taking note s Psychic investments Disinterest and boredom Making musical interest The fate of interest Objects Little boxes Pursuit of objects Objects animals people Haydn s musical objects Surface fantasies Work Chapel master chapel servant Liberty work stress The work of comedy Work property works The creation concept The industry concept Working concepts Epilogue Value 1808 Of time and fashion Romantic infrastructures Haydn recalled Gold is a mighty thing Readers' Guide to Periodical Literature ,1919 After the Reformation Jack H. Hexter,1980 Academy, with which are Incorporated Literature and the English Review ,1884 **Missionary Enchantment in South Asia, 16th-18th Centuries** Ines G. Zupanov,2025-10-01 Max Weber s classical notion of enchantment serves in this book to highlight the clash and rewiring of ethical and cosmological codes in European and Indian early modern cultural encounters from the 16th century onward

Since Portuguese imperialism was unable to justify itself without invoking otherworldly intervention Catholic missionaries provided the vocabulary and narrative of global salvation Each chapter in this volume explores a range of enchantment techniques used by missionaries encompassing historical prose poetry images and translations woven through with emotions and wrapped in illocutionary force Catholic missionaries in India wrote from and about the soft belly of tropical colonialism with certainty about the triumph of Christianity Understanding the subterranean bond between history and fiction is at the heart of this book
