Guide to the Antique Shops of Britain, 2001/2002 Carol Adams, 2000-12-07 This is a useful guide for all antique dealers and
collectors Around 7000 detailed entries are arranged by area and information about each shop contains the address

Shurtleff, Akiko Aoyagi, 2012 **Rebellion, Rascals, and Revenue** Michael Keen, Joel Slemrod, 2022-05-17 An engaging and
enlightening account of taxation told through lively dramatic and sometimes ludicrous stories drawn from around the world
and across the ages Governments have always struggled to tax in ways that are effective and tolerably fair Sometimes they
fail grotesquely as when in 1898 the British ignited a rebellion in Sierra Leone by imposing a tax on huts and in repressing it
ended up burning the very huts they intended to tax Sometimes they succeed astonishingly as when in eighteenth century
Britain a cut in the tax on tea massively increased revenue In this entertaining book two leading authorities on taxation
Michael Keen and Joel Slemrod provide a fascinating and informative tour through these and many other episodes in tax
history both preposterous and dramatic from the plundering described by Herodotus and an Incan tax payable in lice to the
misremembered Boston Tea Party and the scandals of the Panama Papers Along the way readers meet a colorful cast of tax
rascals and even a few tax heroes While it is hard to fathom the inspiration behind such taxes as one on ships that tended to
make them sink Keen and Slemrod show that yesterday's tax systems have more in common with ours than we may think
Georgian England's window tax now seems quaint but was an ingenious way of judging wealth unobtrusively And Tsar Peter
the Great's tax on beards aimed to induce the nobility to shave much like today's carbon taxes aim to slow global warming
Rebellion Rascals and Revenue is a surprising and one of a kind account of how history illuminates the perennial challenges
and timeless principles of taxation and how the past holds clues to solving the tax problems of today *Library Catalog of*
