Sir Bruce Stirling INGRAM,1954 An Eightieth Year Tribute to Winston Churchill ,1954 **An Eightieth Year Tribute to Winston Churchill** Bruce Stirling Ingram,1954 An Eightieth Year Tribute to Winston Churchill, Statesman, Historian, Sportman, Soldier Illustrated London news,Bruce Stirling Ingram,1954 Annotated Bibliography of Works About Sir Winston S. Churchill Curt Zoller,Richard M. Langworth,2015-06-01 This unique resource will be an enormous aid and impetus to Churchill studies It lists over 600 works with annotations and includes sections listing an additional 5 900 entries covering book reviews significant articles and chapters from books Separate author and title indexes will allow the user to locate specific entries The book s aim is to direct students researchers and bibliophiles to the entire corpus of works about Churchill **Winston Churchill Soldier** Douglas S. Russell,2012-11-19 As a young man Winston Churchill set out to become a hero to make a name for himself in the public eye as a soldier and so make possible a life of politics and statesmanship There were many chances to fail and many close calls in the face of sword spear and bullet along the way Yet Churchill survived and succeeded an early measure of his courage and stubborn will that the world would come to know so well in the Second World War This is the first full length fully researched biography of Churchill s colourful military career Using an unrivalled range of sources and with previously unpublished photographs and detailed maps by Sir Martin Gilbert it brings to life Churchill s motives abilities experiences successes and failures and his unswerving sense of destiny as an officer in the British Army The result is a story to echo the man himself rich in action courage charismatic self belief patriotism and humour Making extensive use of the contemporary accounts of Churchill and his fellow soldiers and archival documents from three continents illustrated with many maps and previously unpublished photographs Douglas S Russell vividly brings to life the military career of the vigorous young officer of hussars who later became the greatest Briton of the twentieth century From Sandhurst to the mountainous North West Frontier of India to the charge of the 21st Lancers at Omdurman from the South African veldt to the deadly trench warfare of the Great War the author whom Sir Martin Gilbert calls a keen portraitist tells the gripping story of Churchill s army life with careful attention to historical detail and all the drama that the real life adventures of his subject deserve A Harmony of Interests Manfred Weidhorn,1992 Manfred Weidhorn explores this emerging conservatism through consideration of different Churchillian interests such as domestic issues and the concept of imperial mission The most complex aspect of Churchill s conservatism is his ambivalence to war A closer reading of his utterances and of the observations of those about him suggests a definite and idiosyncratic love of war Clear too says Weidhorn is that violence was a means not an end for Churchill A man of peace Churchill s extremity in posing issues sometimes made peace elusive But in the crunch of 1940 his eccentricity or obsession became Western Civilization s salvation During his years in the wilderness Churchill wrote a huge biography of his ancestor the Duke of Marlborough

Besides presenting the Duke a brilliant general much maligned for avarice and warmongering in a favorable way his work sheds an interesting light on the imminent World War II An Eightieth Year Tribute to Winston Churchill, Statesman, Historian, Sportman, Soldier and Orator Illustrated London News,1954 **Churchill** Sebastian Haffner,2019-08-10 Written in the tradition of Stefan Zweig s biographical studies Haffner s Churchill is a concise effective warts and all analysis of one of the giants of the twentieth century Beginning with a brief history of the Churchill family Haffner examines the future Prime Minister s childhood his early failures in school and in politics his indomitable energy and drive how he managed to become an inspirational figure to anti Nazis all over the world and how he managed to seize success from the jaws of defeat over and over again Compact elegant and incisive this is the one book about Churchill that is a must read One of the most brilliant things of any length written about Churchill The Times Literary Supplement Fast moving and perceptive The London Times A wonderful portrait of Churchill Die Zeit A ravishing biography Der Spiegel A fascinating psychological study of Britain s greatest war leader a pleasure to put on your bookshelf Tribune His Meaning of Hitler published in 1978 remains a masterpiece of historiography His Churchill biography gives the first indication of his great talent for brief wonderfully graphic insights Sddeutsche Zeitung Of all Haffner s books this is the one that stays in my memory Marcel Reich Ranicki Haffner was an admirer of great men and among all the biographies of Winston Churchill his brief sketch of the man who risked Britain in order to defeat Hitler is a model of historically empathetic veneration Joachim Fest Astute short analytical like all Haffner s work Cuts away anything that is not bare essential what remains stays with you for a lifetime J AB Sennet Quora What distinguishes this brilliant biography is its partisanship It does not list facts in order and evaluate them Every sentence is witness to the fact that the biographer loves this man with all his failings Wolfgang Franssen Belletristik Couch A jewel Haffner lived through the decisive years in Britain and gives a convincing description the fragile atmosphere in which Churchill fought his battles Tarzan von Aquin Haffner was one of the great historians and journalists of the last century Andrew Roberts **Winston Churchill** John B.
