Rod and Gun in Canada ,1915 *The Toyminator* Robert Rankin,2011-06-02 Somewhere over the rainbow and just off the Yellow Brick Road stands Toy City formerly known as Toy Town And things are not going well for the city s inhabitants There have been outbreaks of STC Spontaneous Toy Combustion and there are strange signs and portents in the Heavens Preachers of Toy City s many religions are predicting that the End Times are approaching and that a Toy City Apocalypse will soon come to pass But can this possibly be true or is there a simple explanation an alien invasion for instance With the body count rising and the forces of law and order baffled it is the time for a hero to step forward and attempt to save the day Well two heroes actually Eddie Bear Toy City Private Eye and his loyal sidekick Jack our courageous twosome are about to face their biggest challenge yet to save not only toykind but the world of mankind too Which should keep them out of the pub for a while **Skinfolk: A Memoir** Matthew Pratt Guterl,2023-03-28 A haunting poignant story of growing up in a mixed race family in 1970s New Jersey in the tradition of *The Color of Water* Race is made not born It can materialize with a thunderous suddenness It can happen to you in moments that will be cauterized into memory as if into flesh Could a picturesque white house with a picket fence save the world What if it was filled with children drawn together from around the globe And what if within the yard the lines of kin and skin of family and race were deliberately knotted and twisted In 1970 a wild eyed dreamer Bob Guterl believed it could Bob was determined to solve in one stroke the problems of overpopulation and racism The charming larger than life lawyer and his brilliant wife Sheryl a former homecoming queen launched a radical experiment to raise their two biological sons alongside four children adopted from Korea Vietnam and the South Bronx the so called war

zones of the American century They moved to rural New Jersey with dreams of creating what Bob described as a new Noah's ark filled with two of every race While the venture made for a great photograph with the proverbial casseroles and potato chips out for everyone the Brady Bunch facade began to crack once reality seeped into the yard adding undue complexity to the ordinary drama of a big family Neighbors began to stare Vacations went wrong Joy and laughter commingled with discomfort and alienation Familial bonds inevitably buckled In the end this picture perfect family was no longer and memories of the idyllic undertaking were marred by tragedy In lyrical yet wrenching prose Matthew Pratt Guterl one of the children narrates a family saga of astonishing originality in which even the best intentions would prove woefully inadequate He takes us inside the clapboard house where Bob and Sheryl raised their makeshift brood in a nation riven then as now by virulent racism and xenophobia Chronicling both the humor and pathos of this experiment he opens a door to our dreams of what the idea of family might make possible In the tradition of James McBride's *The Color of Water* Skinfolk exposes the joys and constraints of love blood and belonging and the persistent river of racial violence in America past and present *Queen City Mafia* Quail Lowery, 2025-06-30 Bear Tyson is transferred to a North Carolina prison after being convicted of arson He was sentenced to seven years for the crime he committed While serving his sentence he met Bobby Johnson from New York City Bobby was serving a bid for arm robbery While incarcerated they form a group called The Queen City Mafia and plan to take over the city of Charlotte upon their release Jim Sr is the sheriff of the city of Charlotte and also an elite member of the KKK organization His son Jim Jr is completely opposite from his father Although his son's views are different when it comes to racism he still wants to recruit him to join the Klan Before Jr can be inducted there are several rituals he must perform A war takes place right before the ritual ceremony between the Queen City Mafia and the Klan Does peace pollute the city Or does the Mafia get what they want from going to war with the Klan **Bears Thematic Unit** Sarah Clark, 2002-02 This series explores the wide variety of the world of bears Each book discusses a different species taking a close look at the characteristics habits and environments of each Correlated to State Standards **Modern Business** Joseph French Johnson, 1911 **Teaching English Creatively** Teresa Cremin, 2022-11-30 What does it mean to teach English creatively to primary school children Teaching English Creatively encourages and enables teachers to adopt a more creative approach to the teaching of English in the primary school Fully updated to reflect the changing UK curricula the third edition of this popular text explores research informed practice and offers new ideas to imaginatively engage readers writers speakers and listeners Underpinned by up to date theory and research and illustrated throughout with more examples of children's work it examines the core elements of creative practice and how to explore powerful literary non-fiction visual and digital texts creatively Key themes addressed include Developing creativity in and through talk and drama Creatively engaging readers and writers Teaching grammar and comprehension imaginatively and in context Profiling meaning and purpose autonomy collaboration and play Planning reviewing and celebrating literacy learning Ensuring the creative involvement of the teacher
