The Seeress of Prevorst John DeSalvo, 2008-11-25 Prophecies of a 19th century German mystic who spent seven years suspended between life and death Focuses on the mysterious language of the spirits that the seeress spoke and wrote Contains a biography of the Seeress of Prevorst's life and illustrations of all known examples of her spiritual script and diagrams Known as the Seeress of Prevorst Frederika Hauffe 1801-1829 was a German mystic and clairvoyant who was subject to convulsions and trances that caused her to remain bedridden from 1822 until her death seven years later While in this state suspended between life and death she received revelations from the spirit world about the triune doctrine of body soul and spirit and she drew precise geometrical diagrams often in complete darkness and with astonishing speed The spirits of the dead were said to be in constant attendance on her and were even occasionally seen by others Her most remarkable gift however was the ability to write and speak in what she called the language of the spirits a unique coded alphabet that incorporated numbers and primitive ideographs Using his scientific expertise to decode her secret language and diagrams John DeSalvo examines the life and revelations of the Seeress of Prevorst and her importance in light of spiritual development over the nearly two centuries since her death Preceding the rise of Spiritualism by two generations the seeress's prophecies and teachings threw open the door to the spirit world With one foot in each world her life and work offer a portal into mystical realms as fascinating today as in her own time

dimension Immaculate conception Spirit possession during sex Astral body dangers for celibates Creative power of celibates and how not to misuse it Signs showing that you should become celibate What Jesus really says about celibacy What happens to the energy body during celibacy What happens to the energy body during sex Hidden teachings on celibacy and sex in books such as the Bible and A Course in Miracles How luciferian forces operate in the human body and why How luciferian forces penetrated the human body The real function of the astral body and astral realms Sex and attempt to escape from the background of pain What you should know about masturbation An easy yogic method to maintain celibacy My diary entries concerning sex and celibacy Conquering the serpent of lust Two alternative roads for those who find celibacy too difficult Misunderstood unconditional love And so much more I sincerely believe that this ebook contains all you need to know about celibacy It explains what dangers you need to be aware of on this road what kind of blessings you ll experience if you follow this road correctly how to practice celibacy in the right way as well as who should practice celibacy and who isn t yet ready What s more not only will this ebook fully inform you about this unusual yet bliss filled lifestyle but it will also open your eyes to the true nature of sex
