Edgar Cayce And The Urantia:

Edgar Cayce and the Urantia Book John Bunker, Karen Pressler, 2012-06 Updated with new information A thorough examination of the evidence of a link between the sleeping prophet Edgar Cayce and The Urantia Book For fifty years the channel for the Urantia Papers has remained a complete mystery Speculation has suggested Wilfred Kellogg as a likely candidate but evidence has never supported this theory See the research and decide for yourself *The Holy and the Hereafter or is it Hooey?* J L Miller, 2013-10 The original purpose of this book was to explore various religious ideas and beliefs relating to the hereafter The title was to be The Hereafter Maybe On completion of the first few chapters the author concluded that every major religion s philosophy theology had included much nonsense at least if viewed solely from common sense Thus this text took on an increased scope It has a wealth of imagination on holy belief and the possibilities of an afterlife Most nonfiction writers on the subject of religion generally endorse a preconditioned accepted view as truth and even the only truth This book s author believes all truth is partial and that any human belief about God from any religion is at best partial Both the expert and the layman will find food for thought regarding the reality of their own religious philosophy

Edgar Cayce: The "Sleeping" Medium & Spiritual Discernment John Weldon, 2013-02-09 Edgar Cayce 1877 1945 was one of the most famous trance mediums in the world and the best known psychic in America's history Not commonly placed under those occult classifications he is commonly referred to in a more soothing category as the sleeping prophet Through entering a self induced hypnotic trance he produced over 14300 health and spiritual Readings one of the largest psychic libraries in history allegedly from his unconscious mind and or the supposed akashic records Uniquely he may be considered the spiritual father of both the modern New Age movement and contemporary holistic medicine His influence has extended to millions of people This book takes a critical look at the life readings and health spiritual impact of Edgar Cayce It illustrates the timely warning of the old adage that the road to hell may be paved with perfectly good intentions and how benevolent concepts such as improved health and spirituality may indeed become the devil's playground Ironically this is the very thing Cayce himself had worried about in reference to the Readings

Larson's Book of Spiritual Warfare Bob Larson, 1999-04-05 Larson's Book of

Spiritual Warfare is a window into a world many Christians have no idea exists An expert on the occult cults and supernatural phenomena Bob Larson provides a comprehensive guide to the motivating factors of much of the deviant behavior occurring in society today Truths about Evil, Sin, and the Demonic Byron Belitsos,2023-04-18 The Problem of Evil and the Predicament of Theodicy As Christians or theists we are moved to share the truth of God s love for humankind But how can we speak of such providential care in a world rife with crime war racism genocide and even ecocide In response to this predicament a theodicy proposes a rational defense of God s goodness that offers consolation to victims and hope to all believers Truths about Evil Sin and the Demonic provides a sweeping history of the discipline of theodicy that focuses on its strategic turning points and its possible future Belitsos argues that because of the atrocities of the last century and the threat of horrendous evils in the coming century we need to marshal the most explanatory elements of all previous theodicies and then drive toward an integrative model based on a creative synthesis The author also turns to a modern revelatory source that supports his argument for such a meta theodicy He concludes by critically engaging with this source and the entire tradition in his call for an apophatically informed integral theodicy A Historical Introduction to the Study of New Religious Movements W. Michael Ashcraft,2018-02-02 The American public s perception of New Religious Movements NRMs as fundamentally harmful cults stems from the anticult movement of the 1970s which gave a sometimes hysterical and often distorted image of NRMs to the media At the same time academics pioneered a new field studying these same NRMs from sociological and historical perspectives They offered an interpretation that ran counter to that of the anticult movement For these scholars in the new field of NRM studies NRMs were legitimate religions deserving of those freedoms granted to established religions Those scholars in NRM studies continued to evolve methods and theories to study NRMs This book tells their story Each chapter begins with a biography of a key person involved in studying NRMs The narrative unfolds chronologically beginning with late nineteenth and early twentieth century perceptions of religions alternative to the mainstream Then the focus shifts to those early efforts in the 1960s and 1970s to comprehend the growing phenomena of cults or NRMs using the tools of academic disciplines The book s midpoint is a chapter that looks closely at the scholarship of the anticult movement and from there moves forward in time to the present highlighting themes in the study of NRMs like violence gender and reflexive ethnography No other book has used the scholars of NRMs as the focus for a study in this way The material in this volume is therefore a fascinating viewpoint from which to explore the origins of this vibrant academic community as well as analyse the practice of Religious Studies more generally Your Evolving Soul Byron Belitsos,2017-05-25 The Urantia Book offers a complex revelation about the human soul that stands alone in its coherence and richness of detail Your Evolving Soul is the first book to explain this advanced teaching for the ordinary reader while also comparing Urantia teachings on soul evolution to other accounts of the soul in philosophy and the wisdom traditions utilizing as an analytical tool the integral theories of philosopher Ken Wilber Belitsos depicts the human soul as a species of the

higher mind that is quintessentially evolutionary and experiential a sacred vehicle of personal identity and immortality that contributes something crucial to cosmic evolution Through his interpretation of the Urantia material the author offers a model of the human soul to be tested examined and compared not as a finished truth to be accepted as doctrine

Copyrighting God Andrew Ventimiglia, 2019 By using copyright in sacred texts American religious organizations help to create manage and control emerging spiritual communities The Story of Jesus William H. Kautz, 2012-04-10 THE STORY OF JESUS AN INTUITIVE ANTHOLOGY Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition This book offers a narrative account of Jesus life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level They are therefore able to bring forth new and detailed information not ordinarily accessible by historical or literary means Some of them had demonstrated their unusual skill by probing deeply into the personal lives and minds of historical individuals other than Jesus while some had provided important and detailed technical information which was then verified scientifically They apply their intuitive skills here to uncover fresh information about the man Jesus his contemporaries and his extensive teachings which never found their way into the New Testament Gospels and related historical documents These new findings offer a much richer view of the man himself than that available from traditional Christian sources They also provide illuminating insights and a deep spiritual understanding of Jesus original and hidden teachings The Story of Jesus is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history *John E. Fetzer and the Quest for the New Age* Brian C. Wilson, 2018-08-06 John E Fetzer and the Quest for the New Age is the remarkable story of the spiritual search of one of Michigan s most successful entrepreneurs a search that culminated in the Fetzer Institute whose ambitious mission is nothing less than the spiritual transformation of the world John E Fetzer and the Quest for the New Age follows the spiritual sojourn of John E Fetzer a Michigan business tycoon Born in 1901 and living most of his life in Kalamazoo Fetzer parlayed his first radio station into extensive holdings in broadcasting and other enterprises leading to his sole ownership of the Detroit Tigers in 1961 By the time he died in 1991 Fetzer had been listed in Forbes magazine as one of the four hundred wealthiest people in America And yet business success was never enough for Fetzer his deep spiritual yearnings led him from the Christianity of his youth to a restless exploration of metaphysical religions and movements ranging from Spiritualism Theosophy Freemasonry UFOology and parapsychology all the way to the New Age as it blossomed in the 1980s Author Brian C Wilson demonstrates how Fetzer s quest mirrored those of thousands of Americans who sought new ways of thinking and being in the ever changing spiritual movements of the twentieth century Over his lifetime Fetzer s worldview continuously evolved combining and recombining elements from dozens of traditions in a process he called freedom of the spirit Unlike most others who engaged in a similar process Fetzer s synthesis can be documented step by step using extensive archival materials providing readers with a

remarkably rich and detailed roadmap through metaphysical America The book also documents how Fetzer s wealth allowed him to institutionalize his spiritual vision into a thriving foundation the Fetzer Institute which was designed to carry his insights into the future in hopes that it would help catalyze a global spiritual transformation John E Fetzer and the Quest for the New Age offers a window into the rich and complex history of metaphysical religions in the Midwest and the United States at large It will be read with interest by those wishing to learn more about this enigmatic Michigan figure as well as those looking for an engaging introduction into America s rapidly shifting spiritual landscape The Ascension Names and Terms Glossary Joshua David Stone,Sarayon Michael White,2001-06-12 The Ascension Names and Terms Glossary is the only comprehensive Ascension Glossary that has been written at this time on the planet The Ascension Movement and Ascended Masters Teachings are one of the biggest and fastest Spiritual Movements on this planet The challenge is that for new intermediate and even adveanced Masters and students there are an enormous number of terms and Masters to be defined and understood For the first time in this easy to understand book this has been done This is one of the few Glossaries on this planet that you can just pick up and read any place in the book and it will accelerate your Initiation and Ascension path enormously This book is literally must reading for all people on a Spiritual Path or Path of Initiation and Ascension
