**Strange and Dangerous Dreams** Geoff Powter,2006-08-01 Explores the darker psychological drama behind the exploits of eleven adventurers famous and lesser known Written by a practicing clinical psychologist Accounts include heretofore unpublished information provided by archival witnesses friends and family Every culture in every era has its adventure myths The golden hero willing to walk through fire elevates us all beyond our fears and limits But more often than readily seen there are darker reasons for dangerous pursuits Where falls the line between adventure and madness Geoff Powter a practicing clinical psychologist looks into the stories of eleven troubled adventurers divided into three categories The Burdened The Bent and The Lost Polar explorer Robert Falcon Scott has been called a willing martyr ready to die for the mystical deliverance of adventure Meriwether Lewis convinced that he had failed to achieve the objectives set by mentor and father figure Thomas Jefferson died by his own hand Maurice Wilson s plan for climbing Everest included deliberately crashing his plane as high as possible on the mountain Jean Batten was a remarkably driven early aviator whose clothes and make up were always more perfect than her flying technique Polar balloonist Solomon Andr e was certain that his rigorous understanding of scientific principles would overcome any challenge posed by nature or equipment failure Aleister Crowley a brilliant mountaineer who founded the Golden Dawn cult was labeled pathologically and even fatally arrogant In each of these stories darkness of some kind ambition ego a thirst for redemption the need to please others carried these characters in a perilous direction In the end understanding these difficult but utterly human stories helps us comprehend the deepest purpose and allure of adventure and ultimately to more honestly measure ourselves **Land of Adventures** Pasquale De Marco,2025-07-11 Embark on a literary adventure that will transport you to faraway lands introduce you to unforgettable characters and impart valuable life lessons Land of Adventures is a captivating collection of stories that will ignite your imagination and inspire you to live your life to the fullest Whether you re an avid reader or a casual adventurer you re sure to find something to love in these pages Within these pages you ll discover The qualities that make a hero and how to cultivate them in yourself The importance of facing your fears and embracing your dreams How to overcome adversity and achieve your goals The power of perseverance and never giving up on what you believe in These stories are more than just tales of

adventure they are parables that teach us about the human condition and the importance of living a meaningful life They will make you laugh cry and think and they will stay with you long after you finish reading them So sit back relax and prepare to be transported to a world of wonder and possibility Let Land of Adventures be your guide on a journey of self discovery and personal growth With its timeless wisdom and heartwarming stories Land of Adventures is a book that will be cherished by readers of all ages It is a book that will inspire you motivate you and help you live your best life If you like this book write a review

**Dangerous Edges of Graham Greene** Dermot Gilvary, Darren J. N. Middleton, 2011-11-17 Informative broad ranging this title sheds new light on the life and literary art of one of the last century's most celebrated authors The first volume to be authorized by the Graham Greene Birthplace Trust Dangerous Edges of Graham Greene brings together writers journalists and scholars to investigate as well as to assess Greene's prolific oeuvre and intense personal interests Here the reader may explore everything from Greene's Vienna at the time of the filming of *The Third Man* to his sometimes fraught relationship with Evelyn Waugh from Greene's unconventional fictional treatment of women to his believing skepticism While Greene often informed friends that a ruling passion gives to a shelf of novels the unity of a system critics of his literary art have found it extraordinarily difficult to define the content of this ruling passion Perhaps this is because Greene's own character seems so paradoxical ironic even Moreover in believing that sin contains within itself the seeds of saintliness he consistently loiters on what Robert Browning calls the dangerous edge of things In exploring this dangerous edge this book covers the full breadth of Greene's life and literary career
