

COLO

He trusted silver. It was all he could rely on. Except himself. And the Comstock Lode was one of the richest silver strikes the world had ever seen. So Edge was there. So was the Tabor gang—sadistic killers led by a renegade Quaker. The voluptuous Adele Firman, a band of brutal Shoshone Indians, and an African giant were there, too. Too bad. They learned that gold may be warm but silver is death. They didn't live to forget Edge.

EDGE

Don't lose your reading edge! If you haven't read the first four books in this series, you're missing excitement and adventure. Careful, now, you might not be able to take it. Are you sure you're up to Edge?

Edge Blood On Silver:

Edge 5 Blood on Silver G. C. Gilman, G. G. Gilman, 1978-08 **Blood and Silver** James Hilton, 2023-04-15 As an ex soldier and freelance fixer Danny Gunn is no stranger to violence Together with his older brother Clay the pair return to Miami after Danny s new girlfriend Chrissie Haims is found brutally murdered Her house is torn asunder but the house invasion gone wrong explanation doesn t sit well with Danny In clearing his name Danny Gunn puts himself on the radar of two Miami detectives Anderson and Brockovich The stakes have never been higher for the Gunn brothers as they face mortal danger from not one but two deadly gangs On one side the Southern Unification an ultra right brotherhood sworn to violent retribution On the other side a wild band of thrillseeking treasure hunters who care nothing for the law The Gunn brothers have faced death many times before as combat soldiers but this threat is much closer to home From the back streets of Miami to the wild and untamed Everglades the brothers tangle with their deadliest opponents yet **Silver's Edge** Anne Kelleher, 2009-10-01 Unwillingly Entwined There is more danger than usual in the Otherworld of the Sidhe and the mortal world of the Shadowlands An unlikely group of conspirators both mortal and Sidhe plot to overthrow both thrones They have stolen the silver caul that protected the borders between the realms and set into motion a most perilous war A Blacksmith s Daughter A Sidhe Lady A Mortal Queen Three women stand against the encroaching evil All they have is a girl s love for her father a lady s for her queen and a queen s for her country Nessa Delphinea and Cecily are each driven by a personal destiny yet share a fierce sense of love justice and determination to protect what is theirs Will the spirit and strenght of these women be enough to turn back the tide of the goblin hordes waiting to overrun the kingdoms Perhaps But the battle must still be fought *Edge Blood on Silver* George C. Gilman, 1972 **Blood and Silver** J.D. Golland, 2025-05-02 Avalon and Clariss leave their home of Haven to try the king s test to join the army Shortly after leaving home they realize the world isn t what they thought it was Accompanied by new friends they meet along the way they make it there to the king s citadel During their test they all exhibit magic abilities thought to be unheard of They were told that magic was sealed and only a rare few have even the slightest of abilities As they complete their dream of being in the king s army they are sent on odd task that have suspicious outcomes What happens when their dreams are really their nightmares What happens when they discover everything they have come to believe was pure lies The Curse of Silver Blood Joseph Barresi, 2010-10-08 This is the story of Sebastion The most mysterious and popular character from Trials of the Bloodstone is back in an epic tale about his very own past and how he became involved with clan Raven and Rose From his birth all the way up to Sebastion joining the clan this deep and moving story about a conflicted young Sebastion will shed light as to how he came to be one of the most influential and important individuals within the world of Arator Sebastion must come to terms with his birthright and as he struggles with his own inner demons he must also attempt to prevent a mad plot that would cause the most powerful God of Death from gaining a strangle hold on the continent of Anastone It is Sebastion against the most ultimate evil that the world

of Arator knows what will be his fate Excerpt Zevarik chuckled as he saw Sebastion s expressions change while he was putting it all together Zevarik was so arrogant that he began to confirm all of what the elf was thinking Yes Sebastion I am employed Madam Rose and Lord Raven but only because they are going to be the winning side They have Morith s direct blessing and as I began to see at how easily they were dispatching all the troops we were sending to attempt to secure the gem mines I knew who s side I had to be on Sebastion spat on the ground then said You re a traitor to your own people even dark elves do not betray their own Perhaps but as I am sitting atop my mountain of precious gems and counting my thousands of gold coins I will try my best to feel bad about it Zevarik said sarcastically Sebastion s anger and rage could hardly be contained any more He barked a command word and became fully visible again unsheathing his swords as he did Zevarik raised a brow as he saw Sebastion raise his blades Sebastion stared at Zevarik dangerously as he said Let s dance

Silver Birch, Blood Moon Ellen Datlow, Terri Windling, 2014-09-30 Winner of the World Fantasy Award New twists on classic fairy tales from Neil Gaiman Patricia Briggs Robin McKinley Caitl n R Kiernan and more Long ago when we were children our dreams were inspired by the fairy tales we heard at our mothers and grandmothers knees stories of princesses and princes and witches and wondrous enchantments by the Brothers Grimm and Hans Christian Andersen and from the pages of 1001 Arabian Nights But as World Fantasy Award winning editors Ellen Datlow and Terri Windling remind us these stories were often tamed and sanitized versions The originals were frequently darker and in Silver Birch Blood Moon they turn darker still Twenty one modern Grimms and Andersens masterful storytellers including Neil Gaiman Nancy Kress and Tanith Lee now reinvent beloved bedtime stories for our time The Sea Witch gets her say relating the story of The Little Mermaid from her own point of view Thumbelina becomes a tale of creeping horror while a delightfully naughty spin is put on The Emperor s New Clothes Author Caitl n R Kiernan transports Snow White to a dark gritty industrial urban setting and Patricia Briggs details The Price of dealing with a royal and unrepentantly evil Rumpelstiltskin Rich provocative and unabashedly adult each of these tales is a modern treasure reminding us that wishes have consequences and not all genies have our best interests at heart

Silver in the Blood Jessica Day George, 2015-07-07 Two girls struggle with their dark family heritage in this lush historical fantasy perfect for fans of Cassandra Clare and Kendare Blake As debutantes in 1890s New York City cousins Dacia and Lou knew little about their mysterious Romanian relatives the Florescus Now upon turning seventeen the girls must journey to Romania a journey that seems to be both reward and punishment to meet their cousins and their tyrant of a grandmother and to learn the secrets of their family Secrets spoken of in whispers Dangerous secrets known as the Claw the Wing and the Smoke But as dangerous as those family secrets might be even more dangerous is the centuries old bond between the Florescus and the royal Dracula family and it seems that it s time for Dacia and Lou to give up their life in New York society and take their place among the servants of the Draculas When the devilish heir Mihai Dracula sets his sights on Dacia as part of his evil power hungry plan the girls must accept or fight against this cruel

inheritance Do they have the courage to break the shackles of their upbringing and set the course of their own destiny

The Bloody Silver Lining Joe Lanzerotti,2013 **Of Blood and Silver Runes** Christine N. Kirby,2022-11-22 Magic returns to Myrefall on the brink of Everlasting darkness Magic hasn't appeared on Myrefall in generations but that hasn't lessened the tensions between elves and mortals Raena lives a simple life hidden away as the only elf in the mortal town of Moonbridge An accidental burst of magic chases her from the snowy sanctuary forcing her to navigate the perils of Myrefall Alone Pursued by the Elven Queen's Hunters Raena stumbles not only into the capital city of the Mortal Kingdom but into the king's court Approached by the mysterious red priestess who claims that Raena is the answer to the city's prayers the Everlasting promised to protect them from the coming darkness Heles the Demon King threatens to claim her realm but He requires Raena to open the portal Raena works with the red priestess using her magic to bestow divine blessings to help the lowliest among them to protect them from the darkness But Raena must balance her life as Everlasting and disguised as a mortal courtier The imminent visit of an elven delegation has her taking matters into her own hands jeopardizing her role as Everlasting If the Demon King escapes the shadow realm any blood spilled will be on Raena's hands How many secrets can she divulge to protect those she cares for while keeping herself out of Heles grasp and evading the Elven Queen TW

Ritualistic use of blood on page death *Blood, Silver, and Unity* Nathan Dorhofer,2024-12-24 What if myth was a lot more mundane In a story where it's not uncommon to find yourself living next to a werewolf or a vampire at the same time we take a closer look at how these men and women would interact with each other Under high and low stress what would society look like when fantasy has always been reality Blood Silver and Unity explores the interpersonal relationships between a highly skilled team of military operatives given a momentous task that could change the landscape of the future When things don't go to plan follow Felix and his team as he has to figure out how to complete his mission and keep his team from falling apart What is the world like when amazing fantastical elements take place commonly Will Felix find prejudice or praise when his commanding officer is a no nonsense vampire and his subordinates are a mixed race group of highly skilled soldiers ordered to complete a mission that can reshape the world

Blood From a Silver Cross E.S. Moore,2014-02-06 Trust is a dangerous business Some people still call Kat Redding by her hunter name Lady Death But she's not eager to see more violence brought to her doorstep The neverending tide of hungry supes and vicious humans doesn't change the math sooner or later Kat's one vamp battle against the nightmares that infest Columbus is going to leave her dead And she has innocent people well a werewolf and a demon summoner depending on her now But when a rogue werewolf who's opted out of the bloodbath is found crucified and mutilated with toxic silver Kat knows she'll be tangling again with the dangerous Pureblood murderers of the cult of the Left Hand She already has an undead countess blackmailing her into taking out the city's garbage and a demon playing with her head Add to that her serious suspicions about changes at the house of her uneasy ally Jonathan Alucard werewolf denmaster and Kat might have finally gotten in danger so deep not even Lady Death can survive

G. Lansdown,2010 Silver in healthcare has many different facets and since the early concepts of microbiology of the 1880's has been developed from usage in surgical clips staples foil wound dressings and surgical implants to the widespread and clinically effective antiseptic wound dressings sutures catheters bone and dental implants and cardiovascular devices of today From the dawn of human civilisation silver has had a role of water purification and even now has a role in hospital water systems for control of MRSA and legionnaires disease Biotechnological advances in recent years have extended the antimicrobial properties of silver into production of hygiene textiles and use in domestic products Important advances have been made in understanding mechanisms of antimicrobial action of silver the central importance of ionisation patterns in the presence of body fluids and secretion and the genetical and molecular profiles of silver resistance This publication is a comprehensive account of the history of silver in medicine its clinical benefits and wide advantages as a broad spectrum antimicrobial agent It is clear from the extensive array of publications in recognised and unofficial press that many misconceptions and misleading conceptions have been perpetuated leading to errors in evaluation of the safety of the metal in occupational domestic and therapeutic situations The book is unique in that it is the only comprehensive presentation of the toxicology of silver and it identifies the major misconceptions in the safety of silver and interpretation of argyria and argyrosis as central features of silver toxicity In this book Dr Lansdown reviews the literature from a clinical and experimental viewpoint with the benefit of his many years research on silver and experience gained in working with clinicians healthcare product manufacturers and microbiologists

There is also discussion in the book on the relevance of antimicrobial resistance to silver and deficiencies in present day clinical practice in not evaluating incidences of resistance on a routine basis The subject matter is presented in a readable fashion and includes reference to use of the metal in such practices as acupuncture and treatment of tropical diseases as practised in some parts of the world each of which is accompanied by special clinical risk It is also a collation of current views on the use and efficacy of silver as a broad spectrum antibiotic The chapters which deal specifically with toxicological aspects of silver in clinical occupational and environmental issues are central to the book s value The book is aimed at clinicians research scientists and product manufacturers and will provide ideas for new research and academic endeavour It is also essential reading for research students with an interest in metal toxicity and its management in mammalian tissues
