Teaching and Learning in Multicultural Schools Elizabeth Coelho,1998-01-01 This text outlines relevant theoretical background and provides detailed practical advice and suggestions for educators in schools serving culturally and linguistically diverse communities Some chapters focus on the needs of students from immigrant communities especially those who are learning the language of instruction while others include historical minority groups as well Language in Multicultural Education Farideh Salili,Rumjahn Hoosain,2005-03-01 Many books on multicultural education focus on a country and provide in-depth discussion of issues pertinent to that country at the time Alternately understanding of multicultural education is sought through comparison between a society of special interest and a reference society often the United States An interesting recent example is Constructing Multicultural Education in a Diverse Society by Ilghiz Sinagatullin 2003 drawing on the author's knowledge of Russia and more particularly the Republic of Bashkortostan itself an ethnically and culturally diverse part of Russia The approach taken in this volume is to focus on an aspect of diversity and look at its ramifications across the world This provides an understanding of the nature of multicultural education itself as well as insights into local issues through the experience of other places Educating Immigrant Children Charles L. Glenn,Ester J. De Jong,1996-08-01 This study is concerned with the ways in which a dozen knowledge based societies of Western Europe and the English speaking world respond to unprecedented cultural and linguistic diversity resulting from the flow of immigrants and refugees since World War II It asks how public policy has sought to use schooling to minimize the potentially divisive and inequitable effects of this diversity and to provide opportunities to the children of immigrants It asks also how the nature of each of these societies affects the meaning of integration into each of them **Early Childhood Education** Moncrieff Cochran,Rebecca S. New,2007-01-30 Early childhood education has reached a level of unprecedented national and international focus Parents policy makers and politicians have opinions as well as new questions about what how when and where young children should learn Teachers and program administrators now find curriculum discussions linked to dramatic new understandings about children's early learning and brain development Early childhood education is also a major topic of concern internationally as social policy analysts point to its role in a nation's future economic outlook As a groundbreaking contribution to its field this four volume handbook discusses key historical and contemporary issues research theoretical perspectives national policies and practices *Second Language Distance Learning and Teaching: Theoretical Perspectives and Didactic Ergonomics* Bertin, Jean-Claude,Gravé, Patrick,Narcy-Combes, Jean-Paul,2010-02-28

This book problematizes the construct of distance second language learning in order to see what it covers if its parameters are well defined what theories can guide the actions of the participants and whether a model of action can be suggested with a method to validate the model Provided by publisher
