# Edward Iv

**Charles Ross**

## Edward Iv:

**The Household of Edward Iv** Great Britain, Alec Reginald Myers, 1959      **Edward IV** Keith Dockray, 1999 Edward IV 1461 83 so often overshadowed by his younger brother and eventual successor Richard III is a controversial figure in his own right Was he a lazy and licentious lightweight who much preferred his mistresses to his misters and had little taste for the arduous day to day business of government Or was he rather a wise and successful monarch who laid the foundations for over a century of Tudor rule This documentary study presents contemporary and near contemporary sources for Edward IV and his reign enabling the reader to appreciate why the king's reputation has fluctuated so markedly      Edward IV Charles Ross, 1997-01-01 Though in his own time Edward IV was popularly seen as an able and successful king who rescued England from the miseries of civil war and provided the country with firm judicious and popular government later historians cast doubt on his achievement This classic study now reissued with a substantial new foreword by R A Griffiths places the reign firmly in the context of late medieval power politics assessing the king's relations with the politically active classes and evaluating the many innovations in government on which Edward's reputation rests Revealing the king as an enigmatic character intelligent active and forceful but also pleasure loving and in his later years increasingly arbitrary and avaricious Ross endorses Edward as a ruler of substantial accomplishment whose methods and policies carved the foundation of early Tudor government      *Edward Iv, England's Forgotten Warrior King* Dr. Anthony Corbet, 2015-01-21 As the 100 Years War ground to its dismal end England groaned under the misrule of Henry VI and his Lancastrian favorites The House of York rose in rebellion and Parliament restored York in the line of inheritance to the throne Edward Earl of March triumphed at the Battle of Mortimers Cross Parliament asked him to be King and the people proclaimed him Edward IV His life and legacy are chronicled in *Edward IV Englands Forgotten Warrior King* For ten years Edward struggled against repeated Lancastrian rebellions He was driven from his kingdom by Richard Earl of Warwick but then he won decisive victories at the Battles of Barnet and Tewkesbury in 1471 For another twelve years he reigned wisely with peace and prosperity as a beloved King but then he died at age forty one and his twelve year old son was proclaimed Edward V Richard Duke of Gloucester seized the throne and put young Edward and his brother in the Tower of London from where they never emerged alive Richard III was a good King and wanted to be respected but the people believed he had murdered the Princes in the Tower and would not forgive him Queen Elizabeth and Margaret Beaufort plotted with Henry Tudor who invaded England in 1485 Henry Tudor then defeated and killed Richard III at the Battle of Bosworth Field Henry Tudor Henry VII was crowned King and married Edward IV's daughter Elizabeth the resultant Tudor dynasty would rule England for another 118 years      **The First and Second Parts of King Edward IV** Thomas Heywood, 2005-05-06 Yet the playwright produced a text which was at once generically complex the play blurs the distinction between chronicle history and domestic tragedy brilliantly assured in its dramatic craftsmanship and politically explosive The play depicts the streets and houses in which its original spectators lived

and worked with a precision unprecedented in English writing But this vividly realised London is under assault first from rebels outside its walls and subsequently and more seriously from the predations of two monarchs Edward IV and the Wars of the Roses David Santiuste,2019-02-20 This fascinating account of an unsung English monarch and military leader is a pleasing and well informed appraisal of the first Yorkist king Dr Michael Jones author of Bosworth 1485 Psychology of a Battle Indisputably the most effective general of the Wars of the Roses in fifteenth century England King Edward IV died in his bed undefeated in battle Yet he has never been accorded the martial reputation of other English warrior kings such as Henry V It has been suggested that perhaps he lacked the personal discipline expected of a truly great army commander But as the author shows in this perceptive and highly readable new study Edward was a formidable military leader whose strengths and subtleties have never been fully recognized perhaps because he fought most of his battles against his own people in a civil war This reassessment of Edward s military skill and of the Wars of the Roses in which he played such a vital part provides fascinating insight into Edward the man as well as the politician and battlefield commander Based on contemporary sources and the latest scholarly research Edward IV and the Wars of the Roses stands as a valuable and thought provoking addition to the canon which ought to become required reading for anyone interested in the reign of the first Yorkist monarch The Ricardian Edward IV Hannes Kleineke,2009 The reign of King Edward IV occupies a pivotal place in late medieval English history marking the transition from a medieval to a renaissance monarchy The personality of the young monarch was undoubtedly a factor in this transition yet there has been much controversy over the King s character Was Edward a vain and self indulgent playboy more interested in his own pleasures than the well being of his kingdom or was his life cut tragically short thus preventing him from fully establishing the new monarchy now more commonly associated with his son in law Henry VII A central personality in both historical study and literary fame Edward IV is as fascinating a character now as he was for William Shakespeare over four centuries ago Drawing together both recent research and original sources Hannes Kleineke reassesses the debate in this concise and accessible biography This volume is an invaluable read for all those interested in fifteenth century history **Edward IV & Elizabeth Woodville** Amy Licence,2016-02-15 When Edward of York seized the English throne in 1461 he could have chosen any bride he wanted but it was the beautiful widow Elizabeth Wydeville who captured his heart A new assessment of the tumultuous life of the real White Queen and her husband **Edward IV** Jeffrey James,2015 Few English monarchs had to fight harder for the right to rule than King Edward IV Shakespeare s glorious son of York Cast in the true Plantagenet mould over six feet tall he was a naturally charismatic leader Edward had the knack of seizing the initiative and winning battles and is free from the unflattering characterisations that plagued his brother Richard III having been portrayed as a good looking and formidable military tactician Described sometimes as reckless and profligate all sources remark on his personal bravery In the eleven years between 1460 and 1471 he fought five major battles in the Wars of the Roses Three of them Towton Barnet and

Tewkesbury rank among the most decisive of the medieval period This book covers Edward's family background the Yorkist takeover and the drift to war It charts the tensions created by the controversial Woodville marriage and Edward's deposition by the Earl of Warwick and subsequent exile The return of the king brought with it battles anew and Edward's decisive campaigns against Warwick and Margaret of Anjou Finally Edward's sudden death heralded the demise of the House of York and the triumph of the Tudors against Richard III This is a history of Edward IV's struggle to gain and retain the kingship of England during a period of sustained dynastic turmoil during the Wars of the Roses **Arthurian Myths and Alchemy**

Jonathan Hughes, 2002 This is a controversial study of the life of one of the most charismatic and neglected late medieval kings It reveals that Edward was just as complicated as his younger brother Richard III Edward IV Michael

Hicks, 2004-05-28 Assessment of Edward IV is inextricably bound up not only in the record of his reign itself much disputed but also with what proved to be his baleful legacy Edward IV the first Yorkist king ruled for 22 years ending the Wars of the Roses redeeming royal prestige at home and abroad restoring order and public finances and crushing his opponents His son succeeded him peacefully but was deposed within months in favor his uncle Richard III This book explores how Edward IV's reputation has changed and analyzes the major issues in light of contemporary and later perceptions of this controversial king *The Private Life of Edward IV* John Ashdown-Hill, 2016-11-15 Edward's secret mistresses clandestine affairs and the nature of his marriage are revealed in this exciting new work by John Ashdown Hill author of *The Mythology of Richard III*

*Edward IV (Penguin Monarchs)* A J Pollard, 2016-11-22 In 1461 Edward earl of March an able handsome and charming eighteen year old usurped the English throne from his feeble Lancastrian predecessor Henry VI Ten years on following outbreaks of civil conflict that culminated in him losing then regaining the crown he had finally secured his kingdom The years that followed witnessed a period of rule that has been described as a golden age a time of peace and economic and industrial expansion which saw the establishment of a style of monarchy that the Tudors would later develop Yet argues A J Pollard Edward who was drawn to a life of sexual and epicurean excess was a man of limited vision his reign remaining to the very end the narrow rule of a victorious faction in civil war Ultimately his failure was dynastic barely two months after his death in April 1483 the throne was usurped by Edward's youngest brother Richard III Edward IV Keith Dockray, 2015 Edward IV king from 1461-83 so often overshadowed by his younger brother and eventual successor Richard III is a controversial figure in his own right Was he a lazy and licentious lightweight who much preferred his mistresses to his ministers and had little taste for the arduous day to day business of government Or was he rather a wise and successful monarch who laid the foundations for over a century of Tudor rule This documentary study by the author of *Richard III* in the same series presents contemporary and near contemporary sources for Edward IV and his reign enabling the reader to appreciate why the king's reputation has fluctuated so markedly and provides an indispensable compendium for all who wish to enter the political world of Yorkist England **Three Chronicles of the Reign of Edward IV**, 1988 Edward IV and

Elizabeth Woodville Amy Licence, 2016-11-15 When Edward of York seized the English throne in 1461 he could have chosen any bride he wanted but it was the beautiful widow Elizabeth Wydeville who captured his heart A new assessment of the tumultuous life of the real White Queen and her husband     **Historie of the Arrivall of Edward IV in England and the Finall Recouerye of His Kingdomes from Henry VI A.D. M.CCCC.-LXXI** John Bruce, 1838     **This Sun of York** Mary Clive, 1973     **The First and Second Parts of King Edward IV.** Thomas Heywood, 1842     The First and Second Parts of King Edward IV. Thomas Heywood, 1842 The First and Second Parts of King Edward IV by Thomas Heywood first published in 1842 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it

Uncover the mysteries within Explore with is enigmatic creation, **Edward Iv** . This downloadable ebook, shrouded in suspense, is available in a PDF format ( PDF Size: \*). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
