Whatley, 2016-09-19 Robert Burns was by far and away the most iconic figure in nineteenth century Scotland Multiple editions of his works poured incessantly from the presses Unprecedentedly large crowds gathered to commemorate him at huge festivals and at the unveiling of memorials His work was at the heart of the palpable rise of Scottishness that swept Scotland from the 1840s through to the First World War including demands for Home Rule If Walter Scott imagined Scotland Burns shaped it He gave ordinary Scots in what had been one of the most socially uneven societies in Europe a sense of self worth and dignity and underpinned demands for political and social justice In this major new book Christopher Whatley describes the several contests there were to own and mould Burns from Tories through Radicals to middle class urban improvers But the Kirk condemned Burns as the Antichrist deplored the Burns cult Burnomania a slur on a nation that prided itself on its strict Presbyterian inheritance The result is a fascinating picture of the role Burns played after his death in shaping multiple facets of Scottish society *Fishermen, Randies and Fraudsters* Malcolm Archibald, 2014-03-12 Hugging the coast and crammed between two rivers Aberdeen grew up isolated from Scotland's other urban centres Yet Aberdeen experienced its share of crime in the 19th century The city was plagued by a plethora of prostitutes ravaged by riots and aggravated by assaults There were streets such as Shuttle Lane which respectable people were well advised not to enter a military garrison that could be more trouble than it was worth and dead bodies buried behind a girl's school Trying to keep the city under control were the Town Sergeants and an infant police force that according to Superintendent George Cran relied on the Spengie switch by day and the oaken staff by night The

surrounding countryside was every bit as rough As if truculent fishermen and murderous railway navigators were not enough there were also thimble riggers and the Cock o the North to contend with while both city and countryside were plagued by juvenile criminals But overshadowing all and bringing this part of Scotland on the map of international crime were the fraudsters The North East seemed to breed an extraordinary number of women who lived their lives by deceiving others One such was Mrs Gordon Baillie from Peterhead who fooled and beguiled people from Melbourne to New York and her story is now revealed along with the other crimes of 19th century Aberdeen and the North East Scotland of One Hundred Years Ago Raymond Lamont-Brown,1997 These historic photographs document the startling contrasts of the era They show royalty and the aristocracy landowners and the growing middle class the farming community and the working population of the towns They also provide a fascinating glimpse of trends in fashion and entertainment and of changing modes of transport and types of work at the turn of the century The accompanying text gives an unforgettable insight into the attitudes opinions and habits of the people and brings their ordinary concerns and activities vividly back to life **Scotland and the Music Hall, 1850-1914** Paul Maloney,2003-09-13 While London dominated the wider British music hall in the 19th century Glasgow the Second City of the Empire was the center of a vigorous Scottish performing culture one developed in a Presbyterian society with a very different experience of industrial urbanization It drew heavily on older fairground and traditional forms in developing its own brand of this new urban entertainment The book explores all aspects of the Scottish music hall industry from the lives and professional culture of performers and impresarios to the place of music hall in Scottish life It also explores issues of national identity both in terms of Scottish audiences responses to the promotion of imperial themes in songs and performing material and in the version of Scottish identity projected by Lauder and other kilted acts at home and abroad in America Canada Australia and throughout the English speaking world The Politicization of Mumsnet Sarah Pedersen,2020-10-15 The Politicization of Mumsnet investigates the growing politicization of this parenting discussion forum and its use by politicians to influence middle class women in the UK **Political Change and the Labour Party 1900-1918** Duncan Tanner,2003-02-13 Dr Tanner utilises extensive data from the respective party records to examine the nature of the Liberal and Labour parties prior to 1914
