The Judas Brief Gary Greenberg, 2007-06-01 The Judas Brief challenges the fundamental Gospel concept that at least some leading Jews played a key role in having Jesus executed Author Gary Greenberg provides a detailed

examination of all Gospel accounts of hostile interaction between Jesus and the Jews with special attention to the Gospel accounts of the Jewish and Roman trials of Jesus He then compares these Gospel reports with the historical evidence and reaches some surprising and controversial conclusions including that there was never any organized Jewish hostility to Jesus the only significant opposition came from Roman authorities Judas was a close ally of Jesus and represented him in negotiations with the High Priest the High Priest tried to protect Jesus and his followers from a Roman initiated massacre Jesus willingly agreed to surrender himself to Pilate as a hostage to insure that his followers remained passive during the holiday Judas and Caiaphas had expected that Jesus would be released after the holiday Pilate broke his word and had Jesus executed Judas committed suicide in grief over the unexpected death of Jesus and the role he had played The Judas Brief is a comprehensive and clearly written account of the many Gospel portrayals of interaction between Jesus and the Jews It may well provide modern Christian scholars and exegetes with some of the tools necessary to challenge the anti Semitic reactions that flow from the Gospel accounts of Jewish hostility to Jesus

Joel's Use of Scripture and the Scripture's Use of Joel John Strazicich, 2007-04-30 The methodological approach employed in this research utilizes the hermeneutics of comparative midrash combined with aspects of Bakhtinian dialogism and intertextuality The purpose of this enterprise is to discern the function of scripture in Joel and its New Testament *Nachleben* The terms appropriation and resignification are descriptive of the process through which an antecedent text is transformed by its displacement condensation and recontextualization These methodologies assist in giving an account of the intertextual dialogism involved in a text's unrecorded hermeneutics The scope of the work looks at the use of scriptural traditions within the book of Joel during the Second Temple period There is an introduction to the hermeneutical methods employed followed by a general introduction to the book of Joel in chapter one Chapters two and three concern the function of scripture in Joel Finally the last chapter deals with Joel's New Testament *Nachleben* Each chapter has an introduction and conclusion This work does not eschew the importance of diachronic issues The diachronic method pays attention to the context of an

antecedent's voice while the synchronic methodological approach pays attention to the function and purpose in which the receptor text resignifies the appropriated motifs and allusions. The diachronic becomes fused with the synchronic in the process of an allusion's recontextualization. This study in a heuristic manner focuses on the way that each allusion is appropriated and resignified for the needs of both Joel's community and those of the later NT in order to understand the function of canonical hermeneutics.

Spiritual Truths for Overcoming Adversity Greg Hinnant, 2024-05-05 Jesus said, "Tribulation or persecution arises because of the word" (Matthew 13:21 NKJV). This implies that while everyone has troubles, committed Christians have them for different reasons. Because of the word, we are learning God's Word, living it, and spreading its saving light. Christian difficulties are adversities Satan sends to destroy our faith and usefulness to God. Yet God permits them to build Christian character if we respond properly. *Spiritual Truths for Overcoming Adversity* explores the deep ministry of adversity, revealing God's loving guidance and wise purposes in all our difficulties. Its biblical insights illuminate God's path through every shadowy valley and help us stop fighting and start cooperating with God so He can mature our faith, draw us nearer, and use us more fruitfully. Search this Word, light and let it search you. Obey it, and it will change you. Share it, so it can shine through you.
