

Eight Months In Illinois

Annelies Wilder-Smith

Eight Months In Illinois:

Eight Months in Illinois William Oliver, 1966 In December 1841 William Oliver an Englishman set out from New York City on a trip to the Midwest which allowed him to spend several months in the state of Illinois Upon his return to England so many persons interested in immigrating to America questioned him about conditions there that he decided to publish an account of what he had seen The poorer classes in England were those for whom he wrote primarily This book contains a great variety of information about life in America but it is especially valuable for its picture of economic conditions in the state of Illinois Foreword Eight Months in Illinois William Oliver, 1924 *Eight Months in Illinois* William Oliver, 2017-07-16 Excerpt from *Eight Months in Illinois* With Information to Immigrants N commencing the arrangement of the following notes the principal object the author had in view was to afford as much information as possible in a shape that might be available to the poorer classes The volume however though small and published in a cheap form has attained to a size which he did not anticipate a circumstance which may in some measure defeat his object still he is inclined to think that there is very little in it which does not more or less tend to throw some light either on the people or on the country of which it treats It may be said that there is no need of books on America an assertion which as regards certain classes may be true but many of the books on that country are expensive and no single work on Illinois with which the author is acquainted enters sufficiently into details for the poor emigrant About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Eight Months in Illinois** William Oliver, 1966 Eight Months in Illinois William Oliver, 1843 *Annual Report - Interstate Commerce Commission* United States.
