Golden, 2018-10-01 The Victorian illustrated book came into being flourished and evolved during the long nineteenth century While existing scholarship on Victorian illustrators largely centers on the realist artists of the Sixties this volume examines the entire lifetime of the Victorian illustrated book Catherine Golden offers a new framework for viewing the arc of this vibrant genre arguing that it arose from and continually built on the creative vision of the caricature style illustrators of the 1830s She surveys the fluidity of illustration styles across serial installments British and American periodicals adult and

children's literature and more recently graphic novels. Serials to Graphic Novels examines widely recognized illustrated texts such as *The Pickwick Papers*, *Oliver Twist*, *Alice in Wonderland*, *Peter Rabbit*, and *Trilby*. Golden explores factors that contributed to the early popularity of the illustrated book: the growth of commodity culture, a rise in literacy, new printing technologies, and that ultimately created a mass market for illustrated fiction. Golden identifies present-day visual adaptations of the works of Austen, Dickens, and Trollope as well as original Neo-Victorian graphic novels like *The League of Extraordinary Gentlemen* and Victorian-themed novels like *Batman No. 1* as the heirs to the Victorian illustrated book. With these adaptations and additions, the Victorian canon has been refashioned and repurposed visually for new generations of readers.

The Graphic Canon of Children's Literature Russ Kick, 2019-04-02

The original three-volume anthology *The Graphic Canon* presented the world's classic literature from ancient times to the late twentieth century as eye-popping comics illustrations and other visual forms. In this follow-up volume, young people's literature through the ages is given new life by the best comics artists and illustrators. Fairy tales, fables, fantastical adventures, young adult novels, swashbuckling yarns, your favorite stories from childhood and your teenage years—they're all here in all their original complexity and strangeness before they were censored or sanitized.

The Graphic Canon, Vol. 2 Russ Kick, 2019-04-02

The Graphic Canon Volume 2 gives us a visual cornucopia based on the wealth of literature from the 1800s. Several artists, including Maxon Crumb and Gris Grimly, present their versions of Edgar Allan Poe's visions. The great American novel *Huckleberry Finn* is adapted uncensored for the first time as Twain wrote it. The bad boys of Romanticism, Shelley, Keats, and Byron, are visualized here, and so are the Brontë sisters. We see both of Coleridge's most famous poems, *Kubla Khan* and *The Rime of the Ancient Mariner*, the latter by British comics legend Hunt Emerson. Philosophy and science are ably represented by ink versions of Nietzsche's *Thus Spoke Zarathustra* and Darwin's *On the Origin of Species*. *Frankenstein*, *Moby-Dick*, *Les Misérables*, *Great Expectations*, *Middlemarch*, *Anna Karenina*, *Crime and Punishment*, a hallucinatory take on the pivotal murder scene in *Thoreau's Walden* in spare line art by John Porcellino of *King Cat Comics*, fame *The Drunken Boat* by Rimbaud, *Leaves of Grass* by Whitman, and two of Emily Dickinson's greatest poems are all present and accounted for. John Coulthart has created ten magnificent full-page collages that tell the story of *The Picture of Dorian Gray* by Oscar Wilde. And *Pride and Prejudice* has never looked this splendid. This volume is a special treat for Lewis Carroll fans. Dame Darcy puts her unmistakable stamp on what else the *Alice* books in a new 16-page tour de force, while a dozen other artists present their versions of the most famous characters and moments from *Wonderland*. There's also a gorgeous silhouetted telling of *Jabberwocky*, and Mahendra Singh's surrealistic take on *The Hunting of the Snark*. *Curveballs* in this volume include fairy tales illustrated by the untameable S. Clay Wilson, a fiery speech from freed slave Frederick Douglass rendered in stark black and white by Seth Tobocman, a letter on reincarnation from Flaubert, the Victorian erotic classic *Venus in Furs*, the drug classic *The Hashish Eater*, and silk-screened illustrations for the ghastly children's classic *Der Struwwelpeter*. Among many

other canonical works Classics Illustrated #19 Mark Twain, Michael Ploog, 2014-06-10 Tom Sawyer is a young orphan living with his half brother Sid at their Aunt Polly's house. A bad apple in school, he resists all efforts at correction except when it comes to courting the lovely Becky Thatcher. Along with his buddy Huck Finn, Tom fools around, plays practical jokes, and causes trouble until the day when the two witness a murder. The greatest American novel comes gets the CLASSICS ILLUSTRATED treatment in this haunting, vibrant adaptation.

The Readers' Advisory Guide to Graphic Novels
Francisca Goldsmith, 2010 Graphic novels have found a place on library shelves, but many librarians struggle to move this expanding body of intellectual, aesthetic, and entertaining literature into the mainstream of library materials.

All-Action Classics: Tom Sawyer Ben Caldwell, Mark Twain, 2020-02-28 An exciting approach to the classics: vibrant, appealing graphic novels that bring beloved stories to a new generation of kids. With its lively, fun narrative and irrepressible hero, Tom Sawyer is tailor-made for the graphic novel form. Just imagine such classic moments as Tom and Becky in the bat-filled cave or the hilarious fence-painting incident captured in bright and atmospheric images. The stunning art endows each character with personality and each scene with movement and energy. Every frame is filled with such breathtaking detail from the buildings to the carefully created backgrounds that readers will feel as if they could step right into Twain's wonderful world.
