**Video Basics (Non-InfoTrac Version)** Herbert Zettl, 2000-08 Meeting the instructor's needs for a briefer book this text distills video basics so that they can be covered in a single term. The book moves students from video concepts and processes to production tools and techniques and finally to the production environment studio or field inside or outside and its effects. A more conceptual framework leads the student from the idea what to create to the image how to create on video.
