The New England Farmer ,1850 Experiment Station Work ,1911 **The what and why of Agricultural Experiment Stations** ,1889 *Concise Thesaurus of Traditional English Metaphors* Dick Wilkinson,2013-01-11 This absorbing collection of metaphors includes a variety of expressions with figurative meanings like similes proverbs slang and catchphrases It is the result of a lifetime of work on dialect and metaphor and gives an overview of the folk wisdom expressed in figurative expressions The author draws on his extensive contact with the rural cultures of Dorset Cornwall Yorkshire and Lancashire but has also included a range of sayings from North America Australia Scotland and other English speaking countries With revised contents and an improved index to make individual entries easier to find the Concise can be used to check the meaning and the origin of an expression or to avoid mixed metaphors anachronisms and incongruities It is a joy to browse long after your original query has been answered Journal of Horticulture and Practical Gardening ,1879

Boonman,2013-03-09 The series Tasks for Vegetation Science is devoted to a variety of research aspects in vegetation science pure as well as applied Of the applied problems one of the most pressing is to achieve better knowledge and improvement of the pasture vegetation in tropical and subtropical regions As series editor I was impressed by the sheer volume of useful scientific information concerning pasture plants from East Africa collected during many years by Dr Boonman and compiled in one manuscript Dr Boonman first came to East Africa in 1963 on an overland journey along the river Nile which took him from Alexandria in Egypt to Lake Victoria in Uganda and Kenya and back again After a brief spell as a cotton agronomist in the Sudan Gezira he joined the grassland research team at Kitale Kenya in 1966 Improvement of seed yield of tropical grasses was his principal interest which finally led him into the field of breeding grasses Well known varieties from his work include Boma Elmba Rhodesgrass as well as Clone 13 Elephantgrass In 1979 he was recalled to The Netherlands to head a cooperative seed company involved in the breeding of grasses and cereals The author has focused this study on one region Eastern Africa Global application of theories runs into conflicts too easily with local types of farming if not with bare economics Very few books can be found that describe existing practices and seek local answers by digging deep in the stacks of old local reports *Agriculture Yearbook* ,1925 *Yearbook of Agriculture* ,1915 **Yearbook of agriculture. 1924** ,1925 *The Farmer's Magazine* ,1855 *Bulletin* United States.
