## **Grassroots Pacifism In Post War Japan The Rebirth Of A Nation:**

Grassroots Pacifism in Post-War Japan Mari Yamamoto, 2004-11-04 Grassroots Pacifism in Post War Japan presents new material on grassroots peace activism and pacifism in two major groups active in the post World War 2 peace movement workers and housewives Yamamoto contends that the peace movement which was organised in tandem with other activities to promote democratic economic and humanitarian issues served as a popular lever which helped to eliminate feudal remnants that lingered in Japanese society and individual attitudes after the war thereby modernizing the political process and the outlook of the ordinary Japanese Including extensive primary material such as letters essays memoirs and interviews specialists in Japanese history peace studies and women s studies will appreciate the richness of the text supporting Yamamoto s narrative of how workers and women s political awareness developed under the influence of organizational and ideological interests and contemporary events

**Grassroots Pacifism in Post-War Japan** Mari Yamamoto, 2004-11-04 Grassroots Pacifism in Post War Japan presents new material on grassroots peace activism and pacifism in two major groups active in the post World War 2 peace movement workers and housewives Yamamoto contends that the peace movement which was organised in tandem with other activities to promote democratic economic and humanitarian issues served as a popular lever which helped to eliminate feudal remnants that lingered in Japanese society and individual attitudes after the war thereby modernizing the political process and the outlook of the ordinary Japanese Including extensive primary material such as letters essays memoirs and interviews specialists in Japanese history peace studies and women s studies will appreciate the richness of the text supporting Yamamoto s narrative of how workers and women s political awareness developed under the influence of organizational and ideological interests and contemporary events

**The Rebirth of a Nation** Mari Yamamoto, 2003 The Post-war Roots of Japanese Political Malaise Dagfinn Gatu, 2015-06-12 Writings on post war Japanese politics have tended to take for granted the dominance of the Liberal Democratic Party LDP as inevitable without questioning how this came about This book analyses the nature of Japanese party politics over the first four decades following the Second World War assessing how the chief contenders the conservative LDP and the socialists JSP Japan Socialist Party competed in terms of their strengths and weaknesses relative to the other Throughout it addresses the questions How effectively were the parties strengths harnessed How did they alter over time To what extent was the winning formula challenged Did the loser have access to strengths with a major potential and if so why did these remain underdeveloped It extends widely to include discussion of the political system the social and economic environment in which parties operated internal party matters especially factions personal support groups special interest groups and the role of government bureaucracy It shows why the Liberal Democratic Party was dominant why the Japan Socialist Party remained out of power and how successive prime ministers conducted policymaking in ways which often resulted in the bureaucracy taking the lead Overall the book shows how precedents for the political system and for policymaking were set in this

important period precedents which continue and which have contributed significantly to the present conservative stance on many key issues

**American Survivors** Naoko Wake, 2021-06-24 The little known history of U S survivors of the Hiroshima and Nagasaki atomic bombings reveals captivating trans Pacific memories of war illness gender and community

**Visions of Democracy and Peace in Occupied Japan** Sigal Ben-Rafael Galanti, 2020-12-04 In Visions of Democracy and Peace in Occupied Japan Sigal Ben Rafael Galanti examines American occupation of Japan during World War II and the evolution of Japan s political parties to highlight the country s struggles for a democratic and peaceful Japanese Japan Using a dynamic analysis approach Galanti examines the pre war pro democratic ideals and legacies that built Japan s political parties and the parties evolving views on regime matters socioeconomic structure international relations and security both during and after the country s occupation by American forces

**Contested Memories in Chinese and Japanese Foreign Policy** Matteo Dian, 2017-01-10 Contested Memories in Chinese and Japanese Foreign Policy explores the issue of memory and lack of reconciliation in East Asia As main East Asian nations have never achieved a common memory of their pasts in particular the events of the Second World War and Sino Japanese War this book locates the issue of memory within International Relations theory exploring the theoretical and practical link between the construction of a country s identity and the formation and contestation of its historical memory and foreign policy Provides an innovative theoretical framework Draws connections between the role of memory and foreign policy Uses the interpretative theory of international relations Gives comparative perspective using the cases of China and Japan Presents in depth analysis of the construction and contestation of national memory in China and Japan

**Transpacific Antiracism** Yuichiro Onishi, 2014-09-22 Transpacific Antiracism introduces the dynamic process out of which social movements in Black America Japan and Okinawa formed Afro Asian solidarities against the practice of white supremacy in the twentieth century Yuichiro Onishi argues that in the context of forging Afro Asian solidarities race emerged as a political category of struggle with a distinct moral quality and vitality This book explores the work of Black intellectual activists of the first half of the twentieth century including Hubert Harrison and W E B Du Bois that took a pro Japan stance to articulate the connection between local and global dimensions of antiracism Turning to two places rarely seen as a part of the Black experience Japan and Okinawa the book also presents the accounts of a group of Japanese scholars shaping the Black studies movement in post surrender Japan and multiracial coalition building in U S occupied Okinawa during the height of the Vietnam War which brought together local activists peace activists and antiracist and antiwar GIs Together these cases of Afro Asian solidarity make known political discourses and projects that reworked the concept of race to become a wellspring of aspiration for a new society

**Japan's Middle East Security Policy** Yukiko Miyagi, 2013-05-13 This study examines how Japanese policy toward Middle East security issues is shaped by the need to both maintain Japan s security alliance with the US and its oil relationship with states in the Middle East Yukiko Miyagi introduces the historic roots of Japan s policy and then focuses on the major contemporary cases the Iraq war the Iranian

nuclear crisis and the Arab Israeli conflict to expose and explain how clashing interests and dilemmas were negotiated to arrive at policy outcomes The author also sheds light on the utility of mainstream International Relations theories for understanding Japan s behaviour How do we understand the policy of a self declared anti militarist state forced to operate in a realist world and for whom energy supplies are a matter of vital national security This study shows how neither realism nor its rivals such as constructivism can wholly explain Japan s behaviour and suggests a theoretical framework for doing so Filling a major gap in our understanding of an increasingly important area of study Japan s Middle East Security Policy is an essential read for those interested in Japan s International Relations Middle East politics security studies and foreign policy

Hiroshima Ran Zwigenberg,2014-09-15 An original and compelling new analysis of Hiroshima s place within the global development of Holocaust and World War II memory      **Globalisation and Women in the Japanese Workforce** Beverley Bishop,2004-12-15 This book contributes to the debate about the impact of globalisation upon women and examines the impact of restructuring upon women s employment in Japan      Japan's Minorities Michael Weiner,2009 Examining the ways in which the Japanese have manipulated historical memory the contributors reveal the presence of an underlying concept of Japaneseness that excludes members of the principal minority groups in Japan      **Global Governance and Japan** Glenn D. Hook,Hugo Dobson,2007-08-07 Leading specialists from Europe and Japan examine the institutional mechanisms of governance at the global level and provide concrete evidence of the role Japan plays in these institutions An excellent introduction to the concept of global governance the volume analyzes how global governance actually works through the global institutional mechanisms of governance It provides an up to date and contemporary analysis of the six most important global institutions namely the Group of 7 8 the Organisation for Economic Cooperation and Development the World Bank the International Monetary Fund the World Trade Organization the United Nations Written clearly and concisely the book provides a thorough and accessible discussion on Japan s role within these institutions and uses supporting case studies to ask whether Japan is reactively or proactively involved in trying to shape these institutions in order to promote its own interests As such it will be a valuable resource for undergraduates and scholars with an interest in global governance Japanese politics and political economy      A History of Popular Culture in Japan E. Taylor Atkins,2022-09-08 The phenomenon of Cool Japan is one of the distinctive features of global popular culture of the millennial age A History of Popular Culture in Japan provides the first historical and analytical overview of popular culture in Japan from its origins in the 17th century to the present day using it to explore broader themes of conflict power and meaning in Japanese history E Taylor Atkins shows how Japan was one of the earliest sites for the development of mass produced market oriented cultural products consumed by urban middle and working classes From traditional monochrome ink painting court literature and poetry to anime manga and J Pop popular culture was pivotal in the rise of Japanese nationalism imperialism militarism and economic development and to the present day plays a central role in Japanese identity With updated historiography

throughout this fully revised second edition features A new chapter on popular culture in the Edo period An expanded section on pre Tokugawa culture More discussion on recent pop culture phenomena such as TV game shows cuteness and J Pop 10 new images A new glossary of terms including kanji This improved edition is a vital resource for students of Japanese cultural history wishing to gain a deeper understanding of Japan s contributions to global cultural heritage **Japan's**

**International Relations** Glenn D. Hook, Julie Gilson, Christopher W. Hughes, Hugo Dobson, 2011-09-01 The latest edition of this comprehensive and user friendly textbook provides a single volume resource for all those studying Japan s international relations It offers a clear and concise introduction to the most important aspects of Japan s role in the globalized economy of the twenty first century The book has been fully updated and revised to include comprehensive discussions of contemporary key issues for Japan s IR including the rise of China reaction to the global economic and financial crisis since 2008 Japan s proactive role after 9 11 and the war on terror responses to events on the Korean Peninsula relations with the USA and the Obama administration relations with Russia Central Asia and the Middle East changing responses to an expanding and deepening European Union Extensively illustrated the text includes statistics maps photographs summaries and suggestions for further reading making it essential reading for those studying Japanese politics and the international relations of the Asia Pacific A note on the cover The cover illustration entitled Double Standard is a Japanese manga penned by satirical artist Ichihanahana in November 2010 regarding rising Japanese nationalism Japan China tensions over the disputed territory of the Senkaku islands and the US presence in Okinawa This manga demonstrates many of the key themes in Japan s ties with China and the US but also a number of other central features of Japan s international relations as explored throughout this text *Japan's Security Identity* Bhubhindar Singh, 2013 Since the end of the Cold War there has been a significant change in Japanese security policy as Japan s security identity has shifted from a peace state to an international state In this book Bhubhindar Singh argues that from the 1990s onwards the Japanese security policymaking elite recognized that its earlier approach to security policy which was influenced by the peace state security identity was no longer appropriate Rather as a member of the international community Japan had to carve out a responsible role in regional and international security affairs which required greater emphasis on the role of the military in Japan s security policy To explore the change in Japan s security identity and its associated security behaviour this book contrasts the three areas that define and shape Japanese security policy Japan s conception or definition of national security the country s contribution in military terms to regional and international affairs and the changes to the security policy regime responsible for the security policy formulation Further it seeks to challenge the dominant realist interpretation of Japanese security policy by adopting an identity based approach and showing how whilst realist accounts correctly capture the trajectory of Japanese post Cold War security policy they fail to explain the underlying causes of the change in Japanese security behaviour in the post Cold War period This book is an important addition to the current literature on Japanese security policy and will be of great use to students and scholars

interested in Japanese and Asian politics as well as security studies and international relations more broadly      **Decoding Boundaries in Contemporary Japan** Glenn Hook, 2010-12-21 The purpose of this book is to illuminate the changing nature of contemporary Japan by decoding a range of political economic and social boundaries with a focus on the period following the inauguration of Prime Minister Koizumi Junichir's administration 2001-6 A rapid turnover of prime ministers followed Koizumi Abe Shinzō 2006-7 Fukuda Yasuo 2007-8 and Asō Tarō 2008 but the transformation set in motion through his promotion of a more proactive role for Japan internationally and the implementation of structural reforms domestically set the direction for future administrations The central argument of the book is that in order to achieve the twin goals of greater international proactivity and domestic reform the government and other actors supporting the new direction for Japan pushed forward by the Koizumi administration needed to take action in order to destabilize and reformulate a range of extant boundaries This task was achieved by deploying material as well as normative resources including the production of new discourses about the way these resources should be deployed      Japan's National Identity and Foreign Policy Alexander Bukh, 2010-10-18 In Japan's National Identity and Foreign Policy Alexander Bukh focuses on the construction of the Japanese self using Russia as the other examining the history of bilateral relations and comparisons between the Russian and Japanese national character

**Governing Insecurity in Japan** Wilhelm Vosse, Reinhard Drifte, Verena Blechinger-Talcott, 2014-06-27 Since the end of the Cold War Japan's security environment has changed significantly While on the global level the United States is still Japan's most important security partner the nature of the partnership has changed as a result of shifting demands from the United States new international challenges such as the North Korean nuclear programme and the rapid rise of China At the same time Japan has been confronted with new non traditional security threats such as international terrorism the spread of infectious diseases and global environmental problems On the domestic level demographic change labour migration economic decline workplace insecurity and a weakening impact of policy initiatives challenge the sustainability of the lifestyle of many Japanese and have led to a heightened sense of insecurity among the Japanese public This book focuses on the domestic discourse on insecurity in Japan and goes beyond military security The chapters cover issues such as Japan's growing perception of regional and global insecurity the changing role of military forces the perceived risk of Chinese foreign investment societal cultural and labour insecurity and how it is affected by demographic changes and migration as well as food insecurity and its challenges to health and public policy Each chapter asks how the Japanese public perceives these insecurities how these perceptions influence the public discourse the main stakeholders of this discourse and how this affects state society relations and government policies Governing Insecurity in Japan provides new insights into Japanese and international discourses on security and insecurity and the ways in which security is conceptualized in Japan As such it will be of interest to students and scholars working on Japanese politics security studies and international relations      Regional Risk and Security in Japan Glenn D. Hook, Ra Mason, Paul O'Shea, 2015-05-20 Japan's unusual position in the realm of

international politics encapsulates a three fold juxtaposition both in and out of Asia both occupied by and a close ally of the United States and both a key trade partner and a strategic rival of China Whilst international relations theory offers a number of ways to analyse these relations this book instead utilizes the concept of risk to provide an innovative perspective on Japan s relations with China North Korea and the US The book elucidates how risk potential harm and harm are faced disproportionately by certain groups in society This is demonstrated by providing an empirically rich analysis of the domestic implications of security relations with China North Korea and the United States through the presence of US troops in Okinawa Beginning with a theoretical discussion of risk it goes on to demonstrate how the concept of risk adds value to the study of international relations in three senses First the concept helps to break down the boundaries between the international and domestic Second the focus on risk and the everyday directs us to ask basic questions about the costs and benefits of a security policy meant to secure the national population Third what implications do these two points have for governance The question is one of governance as Japan s externally oriented security policy produces domestic insecurity shared disproportionately not equally as this volume makes clear Developing the theory of risk as a tool for understanding international relations this book will be of great interest to students and scholars of Asian politics Japanese politics international relations and security studies as well as to policy makers and practitioners working in the field

### **Grassroots Pacifism In Post War Japan The Rebirth Of A Nation Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Grassroots Pacifism In Post War Japan The Rebirth Of A Nation free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Grassroots Pacifism In Post War Japan The Rebirth Of A Nation free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading Grassroots Pacifism In Post War Japan The Rebirth Of A Nation free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Grassroots Pacifism In Post War Japan The Rebirth Of A Nation. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Grassroots Pacifism In Post War Japan The Rebirth Of A Nation any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Grassroots Pacifism In Post War Japan The Rebirth Of A Nation Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
