The ^APsychology of Gratitude Robert A. Emmons, Michael E. McCullough, 2004-02-26 Gratitude like other positive emotions has inspired many theological and philosophical writings but it has inspired very little vigorous empirical research In an effort to remedy this oversight this volume brings together prominent scientists from various disciplines to examine what has become known as the most neglected emotion The volume begins with the historical philosophical and theoretical foundations of gratitude then presents the current research perspectives from social personality and developmental psychology as well as from primatology anthropology and biology The volume also includes a comprehensive annotated bibliography of research on gratitude This work contributes a great deal to the growing positive psychology initiative and to the scientific investigation of positive

human emotions It will be an invaluable resource for researchers and students in social personality and developmental clinical and health psychology as well as to sociologists and cultural anthropologists Jazzy Gift Baskets Marie Browning,2006 Offers ideas for assembling gift baskets and provides instructions for making a variety of baskets based on various themes such as new baby graduation teacher appreciation holidays and others Bridges to Japanese Business Etiquette Philippe Huysveld,2025-04-14 **Strong Girls, Strong World** Dale Hanson Bourke,2023 For too many girls in the world life is brutally difficult Even in relatively prosperous countries girls face more challenges are more subject to abuse are less likely to thrive In this practical and hope filled book journalist and advocate Dale Hanson Bourke examines the ways in which so many girls in the world are disadvantaged highlights where progress is being made and offers simple practical steps we can take today to help You can help girls thrive right where you are We all have power through our voices time influence and resources Choosing to use that power to help girls can and will make all the difference Strong Girls Strong World is a rallying cry for everyone who wants to understand how the world can be a better place and is willing to take even a small step to help girls soar **The Best Kid's Birthday Party Guide** Pasquale De Marco, In a world where children s parties have become increasingly elaborate and expensive this book offers a refreshing and practical guide to planning and executing a successful party that is both fun and affordable With a focus on creativity resourcefulness and attention to detail this book will help you create a memorable celebration that your child and their friends will cherish for years to come Whether you re planning a small gathering at home or a large scale extravaganza at a rented venue this book has everything you need to make your party a hit From choosing a theme and decorations to organizing games and activities you ll find expert advice and step by step instructions for every aspect of the party planning process Inside you ll discover Creative and budget friendly ideas for decorations food and activities Tips for selecting a theme that your child will love Instructions for making your own invitations decorations and party favors Age appropriate games and activities that will keep your guests entertained Essential safety considerations for any children s party Advice on handling unexpected challenges and troubleshooting common problems With this book as your guide you ll be able to create a truly unforgettable children s party that is both fun and stress free So gather your friends and family and let s get the party started If you like this book write a review Printers' Ink ,1926 **Story of X and Y** Harshad Acharya,2024-03-11 Harshad the master storyteller has brought an exceptional piece of fiction Story of X and Y is a gem that beckons all avid readers and book enthusiasts It unfurls an enchanting love saga tracing the path of a young boy Kshitij and an intelligent affectionate girl Yamira This narrative skilfully captures the beauty nestled within the lives of seemingly ordinary individuals touching the hearts of countless readers Their journey spans from the bustling metropolis of Mumbai to the sprawling landscapes of the USA before circling back to the city where it all began The enigmatic identities of X and Y are bound to stir curiosity and intrigue among the audience In the intricate fabric of our lives love stories bloom in diverse forms The allure of Story of X and Y lies in its

potential to evoke smiles or elicit tears from its readers leaving an indelible mark on their hearts **Rehumanize Your Business** Ethan Beute, Stephen Pacinelli, 2019-04-08 Accelerate sales and improve customer experience Every day most working professionals entrust their most important messages to a form of communication that doesn't build trust provide differentiation or communicate clearly enough It's easy to point to the sheer volume of emails text messages voicemails and even social messaging as the problem that reduces our reply rates and diminishes our effectiveness But the faceless nature of that communication is also to blame Rehumanize Your Business explains how to dramatically improve relationships and results with your customers prospects employees and recruits by adding personal videos to emails text messages and social messages It explains the what why and how behind this new movement toward simple authentic videos and when to replace some of your plain typed out communication with webcam and smartphone recordings Restore face to face communication for clarity and connection Add a personal human touch to your emails and other messages Meet people who've sent thousands of videos Learn to implement your own video habit in an easy time saving way Boost your replies appointments conversion referrals and results dramatically If you're ready to influence teach sell or serve in a more personal way Rehumanize Your Business is your guide Strategies for Minimizing Risk Under the Foreign Corrupt Practices Act and Related Laws Mike Koehler, 2018-11-30 In the minds of some complying with the U S Foreign Corrupt Practices Act and related laws is easy you just don't bribe The reality as sophisticated professionals should know is not so simple This book is for professionals across various disciplines who can assist in risk management and want to learn strategies for minimizing risk under aggressively enforced bribery laws Written by a leading expert with real world practice experience this book elevates knowledge and skills through a comprehensive analysis of all legal authority and other relevant sources of information It also guides readers through various components of compliance best practices from the fundamentals of conducting a risk assessment to effectively communicating compliance expectations to implementing and overseeing compliance strategies With a focus on active learning this book allows readers to assess their acquired knowledge through various issue spotting scenarios and skills exercises and thereby gain confidence in their specific job functions Anyone seeking an informed and comprehensive understanding of the modern era of enforcement of bribery laws and related risk management strategies will find this book to be a valuable resource including in house compliance personnel FCPA and related practitioners board of director members and executive officers *In Different Times* Ian van der Waag, Albert Grundlingh, 2019-11-15 This is the first attempt to bring together diverse scholars using different lenses to study South Africa's Border War As a book it is critical in approach provides deeper reflection and focuses specifically on the SADF experience of the war The result is a more complex picture of the war's dynamics and its legacies Although South Africa is a vastly different country today the study of the Border War opens a range of questions also relevant to contemporary deployments such as in Lesotho 1998 and the Central African Republic 2013 It includes the debate on participation in foreign conflicts on

the deployment design and preparation of appropriate modern armed forces and their use as foreign policy instruments in far off theatres on military planning and as the historical controversies regarding the battles at Cuito Cuanavale and Bangui illustrate on the interface between foreign campaigning and domestic politics *Daisy Deanna Jones, 2023-06-23* *Daisy Walk Like Jesus* by Deanna Jones is about Christian living This is book 1 of the series God seems to have certainly blessed Daisy Ridel She s happy her faith is strong and her countenance oozes empathy Always down to help Daisy supports drunks and druggards in her daily life buying groceries baking desserts and cooking healthy fulfilling meals for children who need a little love There is nothing Daisy won t do to help a stranger in need even if it means she is continuously broke However despite this she is friendless Her social life then takes a turn for the better in her tenth grade year of high school Free volunteer tutor sessions are the start of a deep lifelong friendship between Daisy and the bad boys of school something no one expected even with all the clich s about the good girl and bad boy Daisy was innocent is still innocent and now she s helping suffering hopeless souls regain that innocence by showing them that even if most people can t see the world through rose tinted glasses she does and will always see the best in people because hope never dies Hope may not be rushing through veins burning to get out but it is an ember and all an ember needs is a flame and Daisy Ridel is this small town s flickering flame of hope
