Grave Talker:

Grave Talker Linette Widen, 2005-08 When seventeen year old Jim Foster leaves his Ozark home during the spring of 1890 he heads west to begin a new life at a cattle station What he doesn't realize is how ill prepared he is for the challenges he will face during the journey From the hills of Missouri to a farm in Kansas he finds love with his childhood sweetheart along with the kindness of a family on the Plains But a tragic turn of events tests his faith in God and drives him away to the gold mines of Cripple Creek where devious characters threaten his life As the twentieth century begins to unfold follow Jim Foster as a twist of fate takes him to the silver mines of Idaho The author originally meant to write this novel as a memoir of her ancestors but found there was not enough accurate information to tell a factual story Hence this is a piece of fiction imbued with the true legends of those contentious relatives who were to the very end strong unique individuals who survived despite the daunting odds they faced Watch for the coming sequel *THE SILVER WOMB* about the Foster family in Wallace Idaho [Owen Grey & the Changeling](#) , [Sermon Outlines on Heroes of Faith](#) Charles R.
